## Section 6 – Applying for an Organisational Blue Badge [Regulation 5]

These questions are intended for organisations involved in the care of disabled people who are seeking a Blue Badge for a vehicle/vehicles (e.g. minibus, or specially adapted commercial vehicle) which is/are to be used to carry disabled people who would themselves qualify for an individual Blue Badge. Please see Section 6 of the accompanying guidance note for a list of the eligibility criteria prescribed in the regulations that govern the scheme.

**An 'organisation' is defined in legislation as meaning an organisation concerned with the care of disabled persons to which a disabled person's badge may be issued.**

Organisational badges will therefore only be issued to an organisation which:

- Cares for and transports disabled people who would meet one or more of the eligibility criteria for a individual Blue Badge; and
- Has a clear need for an organisational badge rather than using the individual Blue Badges of people it is transporting.

Organisational badges should only be used when transporting disabled people in their care who meet one or more of the eligibility criteria for a badge – and must not be used for the employee's benefit when they are carrying out other business on behalf of the organisation. It is unlikely that taxi or private hire operators and community transport operators would be eligible for an organisational Blue Badge as they are not usually concerned with the care of disabled people who would meet one or more of the eligibility criteria for a badge.

If you are unsure about how to answer these questions, then please read the guidance notes enclosed with this application form.

- Section 2 if they receive the Armed Forces and Reserve Forces (Compensation) Scheme within tariff levels 1-8 (inclusive).
- Section 3 if they have a permanent and substantial disability which means they are unable to walk or virtually unable to walk.

- Section 5 if the applicant is a child under the age of 3 who must be accompanied by bulky medical equipment or who needs to be kept near a vehicle at all times, either for treatment, or for transportation to a location where treatment can be performed.

Organisational applicants should complete Section 6 and Section 7 only.

If your blue badge is **lost or stolen**, you must contact your local police station and report it. You will be issued with a "pink slip" from Strathclyde Police called "confirmation of loss report". You must include the original pink slip with your completed application form, relevant documents (supporting evidence) and fee.

## Section 1 - Information about you

This section should be completed by all individual applicants for a Blue Badge. It does not need to be completed if you are applying for an Organisational Blue Badge. All fields should be filled in.

If you are applying for a Blue Badge on behalf of someone under the age of 16, as they will not have a National Insurance Number you should provide their NHS Number. When you register your child with a GP practice you are given a medical card. The NHS number is printed on the card; each NHS Number is made up of 10 digits shown in a 3-3-4 format, usually as follows 943/476/5919:

Please note that the 'first names', 'surname' and 'surname at birth' fields can only hold up to 20 characters due to badge printing restrictions.

There are questions for those who have already held a Blue Badge or who have a Blue Badge which is due to expire shortly. Applicants should note that only one badge will be valid for one applicant at the same time. The serial number can be found on the front of the badge.

## Proof of your identity and address

### Identity:

A certified photocopy of one of the following must be submitted with your application: your birth/adoption certificate, marriage/divorce certificate, civil partnership/dissolution certificate, valid driving licence or passport.

A certified photocopy is a photocopy of a document that has been verified as being true by a person, other than your partner or family member, who has known you for a minimum of two years and is 18 years or over.

The individual certifying the documents should include the text: "This copy is a true likeness of the original" alongside their signature. They should also print their name and occupation alongside this information.

### Address:

Proof of address should be in the form of an original Council Tax bill bearing your name and address. The original must be submitted with your application and will be returned at the end of the application process.

You will not need to submit your Council Tax bill if you have ticked the appropriate box in Section 1, which gives your consent for the local authority to check your address on their Council Tax records or electoral register.

If you are completing the application form on behalf of someone under the age of 16, you should give your consent for the local authority to check school records to confirm their address.

## Blue Badge Issue Fee

An administration fee of £20 will be charged for a Blue Badge and applies to all applications new, renewals and replacements.

Payment can be made by cheque or postal order to **Glasgow City Council** - there is no facility to invoice. You can also pay in cash if submitting completed form in person to **Glasgow City Council, 45 John Street, Glasgow G1**

A Blue Badge will not be issued unless payment is received.

Payment should be sent with the completed application form and supporting evidence to:

Glasgow City Council  
Grants Section  
PO Box 29347  
Glasgow  
G2 9AF

Your local authority will only issue successful applicants with a Blue Badge once payment of the required fee has been received.

## Other information

You should also provide the Vehicle Registration Numbers of the three vehicles in which you are most likely to use a Blue Badge if your application is successful. This information helps local authorities with their enforcement of the Blue Badge scheme rules, but please note that you can use a Blue Badge in other vehicles too.

## Section 2 – Questions for ‘without further assessment’ applicants

You will be automatically eligible for a badge if you are more than two years old, can satisfy residency and identity checks, and meet at least one of the eligibility criteria in Section 2. You will need to provide the appropriate documentation to prove eligibility under one of the criteria. An example of proof of entitlement is proof of payment of the allowance. Any documents sent in as proof of entitlement will be returned to the applicant as quickly as possible, once they are no longer needed by the local authority.

### Section 2a

Please complete this section if you are registered as blind (severely sight impaired). You are asked to state the name of the local authority with which you are registered. In many cases, you will be registered with the same authority to which the application for a badge is being made.

If this is not the case, local authorities will check with the named authority that you are registered as severely sight impaired (blind).

The current formal notification required to register as blind (severely sight impaired) is a Certification of Blindness or Defective Vision (BP1 (3R)), or a Certificate of Vision Impairment (CVI), signed by a Consultant Ophthalmologist, which states that you are blind (severely sight impaired). Previous equivalents are also acceptable, however, registration is voluntary.

Please complete this section if you receive a lump sum benefit under the Armed Forces and Reserve Forces (Compensation) Scheme within tariff levels 1-8 (inclusive) and have been assessed and certified by the Service Personnel and Veterans Agency as having a permanent and substantial disability which causes inability to walk or very considerable difficulty in walking. You will have been issued with a letter from the Service Personnel and Veterans Agency confirming the level of your award and also confirming that you have been assessed as having a permanent and substantial disability which causes inability to walk or very considerable difficulty in walking. You must enclose the original of this letter as proof of entitlement.

If you have lost this letter, then the agency can be contacted via the free-phone enquiry number: 0800 169 22 77.

## **Section 3 – Questions for 'subject to further assessment' applicants with walking difficulties**

Section 3 is to be completed if the questions in Section 2 do not apply to you and if you have a permanent and substantial disability which means you are unable to walk or virtually unable to walk. A permanent disability is one that is likely to last for the duration of your life. Medical conditions such as asthma, autism psychological / behavioural problems, Crohn's disease / incontinent conditions and Myalgic Encephalomyelitis (M.E.) are not in themselves a qualification for a badge. People with these conditions may be eligible under this criterion, but only if they are unable or virtually unable to walk, in addition to their condition.

You are asked to describe the nature of their disability and give an estimate of the maximum distance they can walk without assistance from another person or severe discomfort. It can be difficult to accurately work out the distance you can walk.

There are several things that can help you:

- Ask someone to walk with you and pace the distance you walk.
- The average adult step is just under one metre. For example, if the person walking with you took 100 steps, you would have walked about 90 metres (or 100 yards).
- The average double-decker bus is about 11 metres (or 12 yards) long.
- A full-size football pitch is about 100 metres (or 110 yards) long.

If you still find it difficult to work out the distance you can walk in metres, please tell us:

- The number of steps you can take, and how long, in minutes, it would take you to walk this distance.
- About your walking speed.
- The way that you walk, for example, shuffling or small steps etc.

Your local authority may ask you to have a mobility assessment with a medical professional, such as a physiotherapist or occupational therapist, in order to determine whether you meet the eligibility criteria. You may have had a mobility assessment in the last 12 months which covered your walking ability and you can give details of this in the final box in Section 3.

Section 3 also applies to those that are unable to walk or virtually unable to walk by reason of a temporary but substantial disability which is likely to last for a period of at least 12 months, but less than three years.

#### **Section 4 – Questions for ‘subject to further assessment’ applicants with disabilities in both arms**

Section 4 should be completed by applicants who have a severe disability in both arms. You will need to show that you drive a vehicle regularly, that you have a severe disability in both arms and that you are unable to operate, or have considerable difficulty operating, all or some types of on-street parking equipment. You will need to satisfy all three conditions above in order to obtain a badge. Local authorities may make arrangements to meet applicants applying under this criterion.

#### **Section 5 – Questions for ‘subject to further assessment’ applicants under the age of three**

Section 5 should be completed on behalf of:

- children under three years of age who have a medical condition which means that they must always be accompanied by bulky medical equipment which cannot be carried around with the child without great difficulty; or
- children under three years of age who have a medical condition which means that they need to be kept near a vehicle at all times, either for treatment, or for transportation to a location where treatment can be performed.

A parent or guardian must apply on behalf of a child under the age of three.

The list of bulky medical equipment referred to above may include:

- ventilators;
- suction machines;
- feed pumps;
- parenteral equipment;
- syringe drivers;
- oxygen administration equipment;
- continuous oxygen saturation monitoring equipment; and
- casts and associated medical equipment for the correction of hip dysplasia.

A local authority may issue a badge if the equipment is always needed and cannot be carried without great difficulty.

Examples of highly unstable medical conditions that mean children who have them may need quick access to transport to hospital or home are:

- tracheostomies;
- severe epilepsy/fitting;
- highly unstable diabetes; and
- terminal illnesses that prevent children from spending any more than brief moments outside and who need a quick route home.

Please note that the above lists are not exhaustive, to allow for new advances in technology and treatment equipment.

You must enclose a letter from a healthcare professional that has been involved in your child's treatment (for example your GP or paediatrician) giving details of the child's medical condition and the type of medical equipment they need, or provide the healthcare professional's contact. The letter should include a reference to your child's home address to provide your local authority with proof of residence.

## **Section 6 – Organisational badges**

Please complete this section if you are representing an organisation applying for an organisational badge. This can be found on Child Benefit documentation. Please note that the 'name organisation' field can only hold up to 30 characters due to badge printing restrictions.

An organisational badge may be issued to organisations whose responsibility includes the care and transportation of disabled people who would themselves meet the eligibility criteria for a badge should they apply individually. An eligible disabled person is defined as a person who is over two years old and:

- receives the Higher Rate of the Mobility Component of Disability Living Allowance; or
- meets the 'Moving Around' descriptor for the Mobility Component of Personal Independence Payment at the standard rate of 8 points or more; or
- meets the 'Planning and Following Journeys' descriptor for the Mobility Component of Personal Independence Payment at the enhanced rate of 12 points; or
- is registered blind (severely sight impaired); or
- receives a War Pensioner's Mobility Supplement; or
- receives a lump sum benefit under the Armed Forces and Reserved Forces (Compensation) Scheme within tariff levels 1-8 (inclusive) and has been assessed and certified as having a permanent and substantial disability which causes inability to walk or very considerable difficulty in walking; or
- drives a vehicle regularly, has a severe disability in both arms and is unable to operate, or has considerable difficulty in operating, all or some types of parking meter; or
- has a permanent and substantial disability which means they are unable to walk or virtually unable to walk; or
- has a temporary but substantial disability which is likely to last for a period of at least 12 months, but less than 3 years, which means they are unable to walk or virtually unable to walk.

In addition, eligibility covers children under the age of three who fall within either or both of the following descriptions:

- a child who, on account of a condition, must always be accompanied by bulky medical equipment which cannot be carried around with the child without great difficulty;
- a child who, on account of a condition, must always be kept near a motor vehicle so that, if necessary, treatment for that condition can be given in the vehicle or the child can be taken quickly in the vehicle to a place where such treatment can be given.

Organisational Badges will therefore only be issued to an organisation which both:

- Cares for and transports disabled people who would meet one or more of the eligibility criteria for a individual Blue Badge; and
- Has a clear need for an organisational badge rather than using the personal Blue Badges of people it is transporting.

In all circumstances, badges will be supplied to organisations or departments (e.g. Social Services Department) rather than to individual staff members.

All employees of the organisation who will be using the badge should be reminded that they must only use the badge for the purposes of transporting disabled people in their care who meet one or more of the eligibility criteria for a badge.

These employees should be reminded that if they use the badge to take advantage of the concessions when there are no passengers in the vehicle who are eligible for a badge they will face a fine of up to £1,000.

It is unlikely that taxi or private hire operators and community transport operators would be eligible for an organisational Blue Badge as they are not usually concerned with the care of disabled people who would meet one or more of the eligibility criteria for a badge. Such operators are, of course, able to use an individual's Blue Badge when carrying that person as a passenger.

## **Section 7 – Declarations and signatures**

Section 7a): The relevant mandatory declarations must be completed by all applicants, since they underpin the terms of applying for a Blue Badge. Please take the time to read and understand these declarations, since not ticking those that are relevant to your applicant may result in your local authority being unable to accept your Blue Badge application.

Section 7b): You may wish to tick the optional declarations in order to speed up your application and improve the service you receive from your local authority. In doing so, you will be providing specific consent to your authority to allow them to share information about you with relevant departments and service providers within the authority.

Section 7c): All applicants must sign and date the form prior to submitting it.

A local authority may refuse to issue a badge if they have reason to believe that the applicant is not who they claim to be or that the badge would be used by someone other than the person to whom it has been issued.

If your badge application is successful, the leaflet “The Blue Badge Scheme - Rights and responsibilities in Scotland” will be sent to you with the badge. This leaflet explains the rules of the Scheme and how you should use the badge properly. The leaflet can be viewed at **[www.bluebadgescotland.org](http://www.bluebadgescotland.org)**
