NOTICE OF PROPOSALS
GLASGOW CITY COUNCIL
(KELVINGROVE)
(TRAFFIC MANAGEMENT) (AMENDMENT) ORDER

Glasgow City Council propose to consider the introduction of a Traffic Regulation Order in terms of the Road Traffic Regulation Act 1984 introducing business parking permits, removing the maximum stay time in the shared use parking bays, extending the times during which charges apply and other amendments as detailed below.

The following roads within the area will be affected for all or part of their lengths:–
St Vincent Crescent, St. Vincent Crescent Lane, Corunna Street, Minerva Street, Minerva Way and West Greenhill Place.

It is proposed to remove the maximum stay time of 3 hours and charge for parking in the shared use business permit/resident permit/pay and display bays as follows: –

- first 30 minutes 10p
- then every 10 minutes up to 180 minutes 10p
- then every 5 minutes thereafter 10p

It is proposed that businesses situated in affected roads, will be eligible to purchase a permit allowing unlimited parking, at a cost of £700 per annum with a limit on the number of permits available to ensure priority parking for residents.

It is proposed that the period during which charges apply be extended to Monday to Sunday, 8am to 10pm.

Additional proposals are to:–
- Alter the layout of parking bays in St Vincent Crescent and Minerva Street and remove the disabled persons parking bays in Minerva Street, providing additional shared use parking bays.
- Allow residents of dwellings created by the conversion of a building constructed prior to 1 January 2000 to purchase resident parking permits where there is available on-road capacity.
