

WINNING AND BUILDING BUSINESS THROUGH THE GAMES

Issue 1

February 2012

Welcome to the first Business e-bulletin

These short bulletins will be issued quarterly to keep Glasgow's business community up to date on the latest news and business opportunities available through the Glasgow 2014 Commonwealth Games.

Please [register](#) to ensure you receive future editions.

A More Prosperous City

Glasgow 2014 will provide an enormous opportunity to improve Glasgow's economy and grow employment in the city - generating 1000 new jobs and thousands of new business opportunities for local people and companies.

With £2.5 billion worth of regeneration work taking place in the city between now and 2014, find out how your business could benefit.

**Business Event - Winning Contracts Through the Games
Monday 27 February 2012, SECC**

Pre-register to attend a free half day [Working to Win](#) conference to find out about business opportunities, procurement channels and timescales associated with Glasgow 2014, the London Olympics and other major sporting events.

The conference will be followed by an informal networking lunch where delegates can meet exhibitors who can provide in depth advice on procurement opportunities.

<p>Glasgow Business Portal: It takes just 10 minutes for your company to access over £1 billion worth of business opportunities</p>	<p>Win an exclusive tour of the Commonwealth Sports Arena and Sir Chris Hoy Velodrome</p>	<p>Commonwealth Job Fund: Financial incentives for companies to take on new staff - targeted at small and medium sized enterprises</p>
