### FLY TIPPING

I have been dealing with quite a number of issues relating to fly tipping in the Ward. In particular there have been meetings with Council Officers about this.

There is a lot the Council can do to deal with this so please ensure you report any incidents you come across.

The number to ring is: **0800 027 7027**

### DOG FOULING

Dog fouling is a major issue throughout the ward. If you see incidents you can report it to the Council on 0800 027 7027 and there are a number of steps that can be taken to tackle the issue, including fines and reporting the dog owner to the Procurator Fiscal.

### ALLOTMENTS

There is a large shortage of allotments in Glasgow and it would be good to get more allotments in the area, so if you have any ideas for sites, again, please get in touch.

**AREA COMMITTEE GRANTS**

This committee mainly deals with local issues and is a good forum for investigating local matters. Members of the public are welcome to attend meetings.

Area Committees are each allocated a budget which provides grants to local community and voluntary organisations. As applications for funding should be developed locally, they have to demonstrate how they will benefit that area or community and are therefore not available for 'citywide' projects.

If you are involved in a local group and would like more information on an Area Committee Grant or what is going on at the Area Committee, further information can be obtained for our ward from:
