Flowers are a personal tribute to the lives of loved ones and can be a beautiful way to express sympathy and grief.

Glasgow Flowers has a long standing reputation in the community for providing excellent quality and value for money. Our florists create traditional or contemporary tributes and designs to order. When choosing Glasgow Flowers, you can be confident every order is individually prepared using only the freshest and best quality flowers available.

Our range of featured products includes traditional floral tributes such as coffin sprays, wreaths and letters. Our award winning stylists can also develop bespoke designs from guitars to club insignias and would be happy to discuss this further with you.
