

Course Outline – EVIP Construction Glasgow Clyde College

EVIP Construction at Glasgow Clyde College – Anniesland Campus is designed to help you develop some of the skills and knowledge required to work within the construction industry with the view to moving into employment, education or training when leaving school. You will also develop your skills and practical abilities in a voluntary community group work placement throughout the term.

As part of the course, you will continue to work towards qualifications in English and Lifeskills Mathematics and will still receive PSE and PE classes.

Qualification	Level	Type
Employability You will increase your knowledge on the world of work and also learn how to gain and sustain employment. You will focus on generic employability skills, to enable a successful move into the job market. You will develop skills and attitudes which will be applicable across all areas of employment.	National 3 or 4	Full Award
English You will develop your literacy skills and understand, analyse and evaluate texts in the contexts of literature, language and media. You will also create and produce texts, and develop planning and research skills, applying language skills as appropriate.	National 3 or 4	Full Award
Lifeskills Mathematics You will study numbers, money, shape, space and measurement in everyday life, enabling you to interpret data and tackle real-life situations.	National 3 or 4	Full Award
Skills for Work: Construction Crafts The Course provides an insight into several important construction trades (bricklaying, decorative painting, carpentry and joinery, and plumbing) and covers a variety of skills in trades-specific Units — helping learners to make informed choices regarding a career in construction. Learners will also develop skills and attitudes that enhance employability, not just for the construction	National 4	Full Award

industry, but employment generally (eg setting goals, reflecting, and learning from experience).		
Steps to Work The Award aims to develop self esteem, self awareness and self confidence. Candidates are encouraged to engage in learning by focusing on an area that interests them. Through practical activities, candidates can develop employability skills and self awareness to help them recognise their own strengths and the contribution they can make to society.	National 4	Full Award
Wellbeing You will explore factors that influence personal wellbeing, and to make decisions that contribute to improving personal wellbeing. You will be encouraged to look at connections between mental, emotional, social and physical health, and to look at different ideas of health and wellbeing at a personal, community, societal or global level.	National 3 or 4	Full Award

What happens next?

You will be referred to EVIP via your current school. You will then be invited to attend an Information Sharing session and then have the opportunity to attend a Taster Session at Glasgow Clyde College – Anniesland Campus.

Courses start in August and you will transfer from your current school roll to the roll of EVIP. You will attend EVIP 5-days each week and classes run from 9.30am-3.15pm. You will be given an appropriate travel card to allow you to travel independently to and from EVIP.

Learning will be delivered in a variety of environments including a variety of workshops, outdoor learning spaces, classroom, IT suite and Sports Centre.

All pupils in the class will be supported by an EVIP Officer/Vocational Coach. They will provide pastoral care, guidance and support at all times during the school day. Pupils are not permitted to leave the College Campus after they have arrived in the morning.

What opportunities are there after EVIP?

You will have access to weekly sessions on Employability and will have regular access to the School Careers Advisor from Skills Development Scotland to ensure that you receive the appropriate level of advice and information.

Joinery, painting and decorating, plumbing, bricklaying and plastering are some of the areas that you will gain experience in throughout the year which will equip you with the skills needed to work or progress to the next level of learning in the construction industry. You will be supported and encouraged to apply for apprenticeships, college courses, training courses and employment in your chosen industry.
