25,000 houses

GLASGOW'S
HOUSING
STRATEGY

Highlights from our Previous Strategy

- Completing the 10,000 CBHA newbuild programme promised to tenants at stock transfer
- Facilitating over £257.19m in new build development and £125m in additional private sector borrowing
- 3739 unit of new and improved homes
- Commonwealth Games Village
- Housing Options
- Factoring Commission

What are we trying to achieve?

- Make sure people in Glasgow have good quality affordable houses to live in
- Attract investment into housing
- Ensuring capacity of industry
- Partnership working
- Ownership of the Strategy
- 10 critical success factors

Where are we now?

- Factsheets
- Monitoring Report
- Interim Housing Contribution Statement
- Housing Needs and Demand Study
- Surveys
- About to send....
 - Neighbourhood Profiles
 - More Factsheets

What is next?

- Presentations by email
- Housing Strategy Consultation Event Report
- Start to write strategy
- Elected Members Briefing (Post Election)
- Consult on 1st Draft of the Strategy (Summer)
- Consult on 2nd Draft of the Strategy (Autumn)
- Final Draft of the Strategy submitted to Council for approval by end of year

What we need you to do?

- Comment on the strategy!
- Do you agree that we are focusing on the right things?
- Are our themes the right ones?
- What else should we include?
- Have we missed anything?
