Area Partnerships: Temporary decision-making arrangements – April-June 2020 Investment priorities, decision dates and application deadlines

Following Glasgow City Council's Emergency Committee meeting on [17th March 2020](#), all meetings of Area Partnerships were cancelled until further notice. However, the Council is keen to continue to support community organisations during the current coronavirus outbreak, particularly where funding is sought to support vulnerable citizens.

A revised process has been agreed for the consideration of Area Budget applications in the absence of Area Partnership meetings. The revised process is detailed below:

1. Area Budget applications will be dealt with through a delegated authority process in line with the decisions taken at the Emergency Committee meeting on 17th March 2020.
2. Applications will be assessed, and recommendations reached, in the normal way ensuring good governance.
3. Area Budget reports will be prepared and submitted to each Area Partnership Chair for their comments.
4. Reports with recommendations and Chairs' comments will be submitted to Bernadette Monaghan, Director of Community Empowerment and Equalities in the Chief Executive's Department for decisions, in consultation with the relevant Area Partnership Chair.
5. The timetable until the summer of 2020 is detailed on the next page. This will be reviewed and extended if required.

The Area Partnership investment priorities and maximum awards are detailed over the page but there may be some flexibility during the period that these temporary arrangements are in place so please contact us if you would like to discuss your proposal.

If you would like any further information, please do not hesitate to contact my colleagues Fiona Dickson (for Wards 2-5, 10-16 and 23; Fiona.Dickson@glasgow.gov.uk) or Derek Speirs (for Wards 1, 6-9 and 17-22 Derek.Speirs@glasgow.gov.uk).

Bernadette Monaghan, Director of Community Empowerment and Equalities, Glasgow City Council
