Instructions

Please ensure fields 1 to 9 are completed in **Block Capitals**

1 Name Your Name

2 Address Your Address

(The address must be your main residence of the plotholder; business addresses are not acceptable.)

Where applicable a flat number **MUST BE ENTERED.**

Post Codes **must** also be completed.

3 Telephone Number Either a landline or current mobile number is acceptable

4 Email Address Must be completed (where available)

5 Plot Number The number of the plot you rent **must be completed.**

6 Association Your Association **must be completed.**

7 Plot Size* Please ensure you indicate the correct plot size being rented.

*(incorrect information supplied here could lead to inaccuracies in billing)

8 Concessions

Plotholders claiming a concessionary plot rental will be required to provide their National Insurance Number when completing their Missive of Let.

(This will remove the need for concessionary plot holders to provide proof of eligibility to Land and Environmental Services within two weeks of completing their missive)

Concessionary plot holders are **not** required to show proof of concession to their association.

9 National Insurance Number

This must be provided when claiming a concessionary plot; failure to do so may mean full rental charges are applied.

10 Signature Your Signature **must be completed.**

Association Members

Please ensure you have completed parts 1 to 10 before returning your Missive to Let to your Association Secretary for completion and forwarding to Land and Environmental Services.

For Use by Association Secretaries Only

This portion to be signed by the Secretary of the Area Association

11 Association Verification To be completed by association secretary.

12 Secretary Association Secretaries signature confirming the ploholders membership of the above named association.

Please ensure all details entered by ploholders match the details for the ploholder held by the association.

Please ensure all fields are complete.

Failure to do so could mean missives being returned for completion and delays in invoices being raised.
