

## Area Partnerships IGF Area Grants Scheme: Funding Proposal Form **Playschemes 2018**

### Guidance Notes for Completing a Playscheme Funding Proposal Form

**It is essential that you read these guidance notes carefully before filling out your Funding Proposal Form.**

Below, you will find general information on the Council's grant scheme for school holiday Playschemes, including how to apply. The section entitled *Completing your Funding Proposal Form* provides guidance on how to answer each of the questions in the Form.

Where possible the Funding Proposal Form should be completed electronically. A copy of the Form and these Guidance Notes are available on the Council website at [Area Partnership budgets](#). Electronic/paper copies can also be emailed/posted to you by contacting [cpp@glasgow.gov.uk](mailto:cpp@glasgow.gov.uk) or by phoning the local Partnership & Development Team offices (details are provided on Page 3).

Please note that the boxes will expand to provide an adequate amount of space to insert information, but size restrictions have been applied. We would therefore request that you provide your information concisely. When you click on a box, a cross will automatically be inserted or removed.

#### **A. Purpose of Scheme - what is a School Holiday Playscheme?**

- A.1 The purpose of school holiday Playschemes is to support local projects that provide recreational facilities and activities for children during the Spring, Summer and October school holiday periods – **they are not childcare services.**
- A.2 They offer local children, **who would normally be at school**, the opportunity to mix socially with other children during the holidays, taking part in supervised activities such as arts & crafts, games, sports and day trips.

#### **B. How do Playschemes operate?**

- B.1 Playschemes can operate up to 5 days per week (Monday – Friday) providing morning and/or afternoon sessions or a mixture of both. The sessions are usually from 10.00 am to 12.00 noon and 2.00 pm to 4.00 pm (**Playschemes that intend to operate for longer than this should contact the Care Inspectorate for advice – see 'Further Information' on page 3 for contact details**). The Council will not fund Playschemes that operate in the evening.
- B.2 Playschemes must operate from a base. Many choose to run from a local school, free of charge, but other local facilities can also be used, such as neighbourhood halls, churches, etc.
- B.3 What can and cannot be supported? Area Partnerships will allocate funding to projects that will help in the delivery of their agreed [Area Budget Investment Priorities](#). Area Partnerships will be able to discuss proposals that do not fit with the investment

priorities but that make a strong case for consideration. In determining applications that make a “*strong case for consideration*”, Area Partnership will consider proposals which:

- Demonstrate a fit with Council City Council and/or Glasgow Community Planning Partnership priorities;
- Demonstrates clearly:
  - a response to an identified need within the local community;
  - that it has involved the local community in its development; and
  - will benefit the local community;
- Provide a response to new or emerging issues (which had not previously been identified as an investment priority); and
- Respond to “exceptional circumstances”.

### **C. Who can attend a Playscheme?**

- C.1 Playschemes are for children aged between 5 and 16 years (or 5 and 18 years where children with special educational needs are involved). Pre-school children should not be counted when completing your application form.
- C.2 Services for pre-school children, such as parent and toddler groups, do not qualify for Playscheme support but can apply for other funding from the Council.
- C.3 Parents should be encouraged to help during the holiday periods, however, a Playscheme funded by the Council should not refuse to take a child whose parents are not willing to stay with them. Therefore, ‘family’ Playschemes, where only the children of those running the Playscheme attend, do not qualify for Playscheme support.

### **D. Level of Support**

- D.1 Playschemes can receive funding, travel passes, Public Liability insurance, training and specialist support. Playscheme grants are awarded by local Area Partnerships – part of the Glasgow Community Planning Partnership structure. The amount each organisation receives is determined by a Playscheme formula that applies to all Playschemes across the City.
- D.2 Use of any grant: The grant money should be used to develop Playscheme activities (e.g. to buy games or equipment, arts and craft materials, day trips, administration costs, etc). It should not be used for lunches - this includes snacks from fast food outlets or for volunteers’ expenses (except for travel on public transport to Playscheme training sessions).
- D.3 Receipts and the Playscheme Report:- Receipts and a record of expenditure incurred must be obtained and kept by the Playscheme. You should send us copies of all receipts together with a completed Playscheme report and any travel passes, no later than two weeks after the playscheme’s final period of operation in 2018. Any Playscheme failing to comply with these conditions will jeopardise any future support that the Area Partnership is able to give.
- D.4 Travel Passes:- Each Playscheme normally receives two travel passes that can be used during holiday periods (subject to availability). The travel passes allow Playschemes to travel free with most public transport operators within the Strathclyde area, including buses, trains, underground and ferries. These passes are intended to allow small groups to go on day trips while the remaining children undertake other activities. **The passes should not be used to take all children on trips every day.** Trips should be planned in advance so that every child gets an opportunity to go on a

day trip. Travel Passes must be returned to the appropriate person within the Council's Partnership and Development team after the October playscheme period.

Out of School Care Clubs do not qualify for Playscheme funding, however, if run on a not-for-profit basis, Out of School Care Clubs can apply for travel passes by completing a separate application form.

## **E. Who can apply?**

E.1 Any locally-based voluntary sector organisation that:

- is not-for-profit and does not allow anyone to profit from being associated with the organisation;
- has a Managing Body, management committee (or similar body) which meets regularly;
- has elected office bearers e.g. chairperson, secretary and treasurer;
- has a Governing Document (e.g. a constitution) that has been approved by the organisation and signed by an office bearer;
- has a bank account with at least 2 unrelated signatories
- has appropriate policies in place e.g. Child Protection, Health and Safety;
- is open to all children in the local area (unless dealing with vulnerable children e.g. a women's refuge);
- has attended appropriate training (as determined by the Council).

E.2 The Care Inspectorate:- Legislation requires some organisations that care for children, young people or vulnerable adults to be registered with the Care Inspectorate. In general, Playschemes do not need to register but, to avoid any doubt, it is recommended that you contact the Care Inspectorate to clarify your position. It can be contacted by telephone on 0345 600 9527, by email at [enquiries@careinspectorate.com](mailto:enquiries@careinspectorate.com).

- F.7 When a decision has been made you will be informed in writing within 10 working days. If a grant is awarded there will be standard Conditions of Grant and, in some cases, specific additional conditions that will be applied to your grant. Your organisation must agree to these conditions before any funding can be released.
- F.8 Playscheme Grants will normally be paid in instalments prior to the Spring, Summer and October holiday periods. The grant will normally be released when the organisation signs and returns the formal offer, agreeing to meet all conditions.

## Supporting documents

**20. Supporting Documentation:** Tick the relevant boxes to indicate which documents are enclosed. The most recent financial (accounts; bank statements) information must be submitted with every proposal. If the Council already holds the most up-to-date versions of any of these documents, you do not need to submit a further copy.

You are only required to provide the Constitution or Memorandum & Articles of Association and Operational Policies, if you are a new applicant or the documentation has changed since the last Area Budget grant award that your organisation received. Relevant Operational Policies include Human Resources Policies and policies relating to Child and Adult Production.

## Declaration

**21. Statement on Data Protection:** Where the Organisation provides any personal data (as defined in the Data Protection Act 1998) to the Council in connection with its funding proposal or in the course of reporting progress on the Project to the Council, the Council will use that personal data for purposes of assessing the proposal and ensuring the Organisation's compliance with these conditions. It may share that personal data with other regulators (including the Council's and Organisation's external auditors, HMRC

and law enforcement agencies) as well as with the Council's Elected Members. The personal data may be checked with other Council Services for accuracy, to prevent or detect fraud or maximise the Council's revenues. It may be shared with other public bodies for the same purposes. The Organisation undertakes to ensure that all persons whose personal data are (or are to be) disclosed to the Council are duly notified of this fact.

Where the Organisation processes (or will process) personal data (as defined in the Data Protection Act 1998), it hereby confirms that it has (or will acquire) a valid Notification with the Information Commissioner covering its processing of personal data, including in that Notification the disclosure of personal data to the Council.
