# **IMPORTANT INFORMATION – PLEASE READ GLASGOW 2018 EUROPEAN CHAMPIONSHIPS**

A new era in world sport will get underway this summer as Glasgow and Berlin host the inaugural European Championships from 2–12 August 2018.

Glasgow and Scotland will host six sports (Aquatics, Cycling, Golf, Gymnastics, Rowing and Triathlon) across 12 venues in partnership with the city of Berlin which will host the Athletics.

As part of the event Glasgow will host the UEC European Mountain Bike Championships, which will be held at Cathkin Braes.

The Cathkin Braes Mountain Bike trails will provide a stunning backdrop for the event and famously staged the Mountain Bike events at the Commonwealth Games in 2014. This year competitors at Glasgow 2018 will be able to challenge themselves on new features such as a brand new start and finish loop.

**You have received this letter because your area will be affected by the Mountain Bike events.**

Cathkin Road Car Park will be closed from 20:00 on 6 August 2018 and will reopen at 20:00 on 7 August to facilitate the Glasgow 2018 European Championships Mountain Bike Events.

The Temporary Mountain Bike Route will be closed from 6 to 7 August 2018. The trails used for the Glasgow 2018 European Championships Mountain Bike Event will be closed during training and competition days. The rest of the park will remain open for visitors and spectators.

Localised parking restrictions will be in place on Arden Craig Road during the period of the event. Please take note of these parking restrictions and if required please park cars on nearby streets. These restrictions do not affect the use of private driveways.

We apologise for any inconvenience these measures may cause and would like to thank you in advance for your patience and understanding in both the lead up to and during the event. Your continued support will be crucial in making the Championships a success.
