

# How journeys could be affected during the Glasgow 2018 European Championships

## Sunday 12 August 2018

If you think you could be affected visit [getreadyglasgow.com](http://getreadyglasgow.com) for further information.

**GET READY  
GLASGOW**

Loch Lomond & The Trossachs National Park

PGA Centenary Course Gleneagles

Royal Commonwealth Pool Edinburgh

### KEY

- Risk of congestion
- Road Race route
- Road closures in place
- Active Glasgow 2018 European Championships venue (Sunday 12 August)

**1** | The Road Race event could cause significant road disruption due to road closures within the city centre and the West End throughout the day. Diversions will be in place between 03:00 - 23:59 to direct traffic away from these locations.

**2** | Parking will be reduced in the city centre and people are advised to use public transport, walking and cycling where possible.

**3** | Exhibition Centre railway station, near the SSE Hydro, will be busier than usual throughout the day.

**4** | Train services across Glasgow are expected to be busy all day on Sunday 12 August, with particularly busy periods expected on morning services (before 10:00) and services from 17:00 onwards.

**5** | Road closures will be in place due to Festival 2018 and Merchant City Festival at George Square. Please visit [getreadyglasgow.com](http://getreadyglasgow.com) for more details.

**6** | Due to road closures, bus services may be re-routed and some bus stops suspended.
