## GUIDANCE NOTES

Please retain these guidance notes for future reference

**Please note:-**

- Entitlement to a parking permit cannot be assessed until your application has been submitted and appropriately vetted by the Council, a decision will be advised thereafter.

---

### 1. RESIDENT

A resident is defined as a person who ordinarily resides at an address within the boundary, as defined by the Council.

### 2. PROOF OF RESIDENCE

Documentary evidence confirming the applicant's current residential address **must** be submitted. This **must** be in the form of **one of the following**: - current Council Tax or Household Utility bill dated within the last 3 months. Do not send original documents as these will not be returned.

### 3. ELIGIBLE RESIDENTIAL PROPERTY

An eligible residential property is a dwelling house built or redeveloped, for residential use prior to 01 January 2000. The Council will carry out checks to confirm this criterion has been met. However, where checks have proved inconclusive, the applicant will be required to provide documentary evidence in support of their application (title deeds).

### 4. VEHICLE

The vehicle must be registered in the name and address of the applicant, except as provided for in paragraphs 4.1 – 4.4 below. This scheme makes no provision for shared or borrowed vehicles. A clear photocopy of the vehicle registration certificate (V5C) must be submitted with the application. Please note that Glasgow City Council cannot be held responsible for original documentation which is lost in the post.

**4.1** Where the vehicle is a company car, a letter on company headed paper, signed by the Company Secretary, **must** be submitted along with a clear photocopy of the vehicle registration certificate (V5C) confirming the applicants' exclusive use of the vehicle.

**4.2** Where a hire or leasing company owns the vehicle, the hire/lease agreement **must** be submitted together with a letter from the employer where applicable.

**4.3** Where the vehicle registration certificate (V5C) is unavailable through a recent change of vehicle ownership, a clear photocopy of the bill of sale, sales invoice or completed new keeper supplement (V5C/2) for the vehicle **must** be submitted with the application. A quarterly permit (3 months) will be granted in this instance. A clear copy of the appropriate registration document (V5C) will be required with any subsequent renewal application.

**4.4** Where the applicants name or address differ from that on the vehicle registration certificate (V5C) then a clear photocopy of the vehicle registration certificate (V5C) should be submitted with sections 6 and 8 completed. A quarterly permit (3 months) will be granted in this instance and a clear photocopy of the updated vehicle registration certificate (V5C) will be required with any subsequent application.

## 5. PARKING PERMITS

A resident parking permit entitles the holder to park in any parking place which displays a zone identifier letter corresponding to that on the permit, but does not guarantee use of any particular parking space. The permit should be displayed in such a fashion as to ensure that all relevant details can be read from the footway. Prior to receiving your permit, you must continue to pay for parking by purchasing and displaying a Pay and Display ticket or by using the RingGo cashless parking facility.

**5.1** You **must** pay for parking by paying and displaying or using the RingGo cashless parking facility if utilising a parking space within a zone, during its chargeable hours, which does not exhibit a zone identifier or exhibits a zone identifier not corresponding to that on the permit issued.

**5.1** Where a permit is lost or stolen this **MUST** in the first instance be reported to the Police and a 'Confirmation of Loss Report' / 'Crime Reference Report' supplied to the Council. An application for a replacement permit must be made on the appropriate form. If you find your permit after it is replaced you must return it to the Council. An administration fee of £20 will be charged for lost, damaged or stolen permits.

**5.2** Where a permit holder changes their car or the registration number of their car, the permit **must** be returned to the Council along with supporting documentation for the new vehicle or registration number. A replacement permit will be issued free of charge.

**5.3** At all times the permit will remain the property of the Council and is to be used solely by the applicant on the vehicle for which it was issued. Should a permit holder no longer reside in the zone for which the permit was issued or dispose of the vehicle, the permit must be returned to the Council. A refund will be calculated pro rata in respect of the number of whole calendar months remaining at the time of surrender.

**5.4** It is important that you take note of the date on which your permit expires. The Council **will not** issue a reminder notification to you upon expiry. Responsibility rests with you to reapply, allowing a minimum of 10 working days processing time. Applications to renew a permit may be submitted up to 20 working days prior to the expiry date notified to you. Failure to allow the Council adequate processing time may result in a gap in your permit history, which means that you will be required to pay for parking by paying and displaying or using the RingGo cashless parking facility during this time.

## 6. SUSPENSION OF PARKING PLACES

The Council may suspend parking places for various reasons. Suspensions are indicated by the placing of 'No Waiting/No Loading' cones and the 'hooding' of pay and display machines where appropriate. Please make sure your vehicle is not parked in a suspended parking place as your vehicle may have to be removed, impounded and a release fee incurred.

## 7. VERIFICATION OF INFORMATION SUPPLIED

The Council reserves the right to carry out verification checks on any information supplied in support of an application for a resident parking permit.

## 8. REMEMBER

- Complete all sections of the form
- The applicant **must** sign and date the application form
- Allow up to 10 working days for the processing of the application
- Your vehicle will be registered within the particular zone for which you have applied but does not guarantee the use of any particular space

**WARNING** – In terms of Section 115 of the Road Traffic Regulation Act 1984 any person who makes a false statement to obtain a parking permit, or with intent to deceive, is guilty of an offence.
