**Subject:** Broomhill Avenue Greenspace application

To whom it may concern,

I currently reside at [REDACTED], and I am in full support of the Asset Transfer Application made by Friends of Broomhill Avenue Greenspace.

I have contributed time and energy to the Friends group and have participated in community efforts in creating a protected green space to be used by Broomhill residents and the local community.

The space is used on a regular basis by local families and houses educational 'bug hotels' which contribute to the local natural wildlife.

Please consider my email as full support of the application made by Friends of Broomhill Avenue Greenspace.

Kind regards
