Community Asset Transfer

---

After the conversion of Anniesland Annexe, a listed building, and a new build ,on the site of the adjacent swimming pool, into 68 domestic flats, there has been a marked increase in footfall and the concomitant rise in car use. It is therefore incumbent upon us to protect and use the surrounding green space which is still available

We, the undersigned ,fully support the aims and objectives of the Friends of Broomhill Avenue Greenspace and hope that your committee will grant the application to lease the site to the community for a 25-year period.

Yours Faithfully,
