## **INTRODUCTION.**

- 1 Local Authorities are corporate bodies created by statute and must make corporate decisions. However, legislation allows local authorities to delegate most decision-making to committees, sub-committees or officers. This means that committees only operate within the remits given to them by their Council.
- 2 The following Terms of Reference set out the matters which stand referred to committees of Glasgow City Council. These Terms of Reference must therefore be read in conjunction with:
  - the Council's Scheme of Delegated Functions, which sets out the decisions delegated to committees and officers;
  - the Council and Committee Standing Orders, which sets out the rules for how the Council and committees operate; and
  - the Council's Standing Orders relating to Contracts, which sets out the rules and delegations around award of contracts.
- 3 In applying the Terms of Reference, it should be recognised that in carrying out its remit each committee is empowered to consult, insofar as it might consider it necessary or desirable, with any other committee of the Council or with any other Council or outside body or person.
- 4 Any functions which are referred or delegated to committees within these Terms of Reference shall be exercised subject to the functions which are reserved to the Council or vested in the City Administration Committee.
- 5 All committees should make reference to the Council's principal policies as set out in the Council Plan.
- 6 A structure chart for the Council's committee structure is set out in Appendix 1. The Council sits at the top of the decision-making structure and deals with certain statutory matters as well as those matters reserved to it, and any matters not otherwise delegated to committees, sub-committees or officers.

## **GENERAL MATTERS AFFECTING COMMITTEES**

- 1 All committees' membership will be proportionate according to the elected representation of political parties unless expressly agreed otherwise at a meeting of the Council. Membership will also reflect gender balance and geographical representation, where possible.
- 2 Membership and the quorum of each committee is set out under each specific committee heading.
- 3 The public sector equality duty is set out in section 149 of the Equality Act 2010. This requires the Council to work towards eliminating discrimination, harassment and victimisation, advance equality of opportunity and foster good relations between people and society. The duty protects people with the

following “protected characteristics”: age, disability, gender, race, sexual orientation, religion or belief, pregnancy and maternity, and gender reassignment. The aim of the duty is for public bodies to consider the needs of all individuals in their day to day work, in developing policy, in delivering services, and in relation to their own employees. All committees must therefore take account of equality issues generally and incorporate equality considerations into their work.

- 4 Where possible and appropriate all committees will facilitate and encourage public participation and empowerment, fostering capacity building and local leadership, and ensuring the involvement of citizens, the community, neighbourhood networks, partners and key stakeholders in the committee decision-making process.
