Dear Clare,

Community Asset Transfer Netherton Bowls & Playing Fields

We at NKS would be delighted to meet with the members of the local Community Council to explain our position on their concerns which we would be very happy to discuss.

We would be grateful if the Community Council Secretary could forward us meeting venue and time details where we can attend and present our proposals allowing the opportunity to discuss the mutual benefits of the CAT to the local community.

Many thanks in advance and we look forward to meeting with the council members.

Kind regards,

[Redacted Signature]

Chairman
