Subject: Cathkin Park

To whom it may concern,

I'm writing to question the transfer of the park into a football ground. Why is this even being considered? There is already Hampden, Lesser Hampden and Toryglen football centre within half a mile! This site needs to be kept as public access to the natural environment. I use the park twice a day and strongly disagree with the building of another football centre. The community would prefer the park and not some underwhelming vanity project. Leave it be and let the whole community enjoy it as we have been since the mighty Third Lanark bit the dust.

Regards
