Subject: Cathkin Park asset transfer request

Dear Sir/Madam

I am writing to express my opposition to the Cathkin Park asset transfer request.

I live in the local area and am disappointed that this request has not been open to proper scrutiny by the local residents.

I was not aware of any public consultation on what is an important matter for my local community. I have myself only found out about it this morning, which does not give much time to consider the consequences, should this transfer request be granted. Suffice to say that residents of Mount Florida will have access to a valuable green space restricted, at a time when we are all being encouraged to spend more time outdoors.

Please, by all means look at ways in which the park could be improved, but I do not consider this transfer to be in the interest of the residents of Mount Florida and hope therefore that this request will be rejected.

Regards
