To: Community Asset Transfer <communityassettransfer@glasgow.gov.uk>

Subject: Cathkin Park

To whom it concerns

As a local resident I'd like to make two points about the above transfer

(1) I am not in favour of the grounds being leased to the Jimmy Johnstone Academy because this would close it off from use by the local community

(2) I am in favour of it returning to Third Lanark by way of lease as they are explicit about using it for the benefit of the local community.

Thank you
