VOLUNTEER

Help to keep **our city** running
during this challenging time

SIGN UP TO **VOLUNTEER NOW**

Thank you to our staff volunteers!

So far **nearly 200 staff** have stepped forward to join our volunteer register. THANK YOU for signing up to help make a difference.

Could you volunteer to help deliver essential services in key areas of the council - should the need arise?

We are looking for staff to help across our key priority areas in Public Health, Social Care and Education. All staff volunteers will be trained to deliver key roles and will be paid at their normal grade.

Find out more about how to get involved [here](#).

Our volunteers in action!

A big clap to the staff volunteers from across our Services who've organised the delivery this week of more than 32K prepaid Farmfoods cards for our families in receipt of footwear and clothing grants and/or free school meals.

See our volunteers in action and hear from Maureen McKenna, Executive Director of Education Services about this massive exercise [here](#).

Meet our teams – Home Care Operations Teams

Meet our Home Care Operations Teams at Blair Court who are busy providing excellent customer service – continuing to take calls and emails from our service users or their families. They are working hard to schedule and monitor home care visits to make sure our home carers are safe and well delivering their visits out in the community.

Alongside this they are also taking calls from hospitals to make sure people can be discharge home safely with a home care package and the Community Alarm Service Team continue to take vital alarm calls from service users – to help organise a responder or emergency service when alarm pendants are pressed.

#Keep up the great work guys.

Violence Against Women Services – support during Covid-19

We know #StayHome may not be refuge for many which is why our Violence Against Women Services are here to support during Covid-19.

We want to hear from you – tell us your stories

Out in Bridgeton...

Our staff showing support to colleagues 😊

We want to hear about the jobs you're doing at this challenging time to support the city, or tell us about a colleague you're particularly proud of. We'll then share these stories with your colleagues across the council.

We know you're all proud to play your part for the city - send us your stories and pictures to Insider@glasgow.gov.uk

[We're not expecting you to write war and peace. Just a few lines about your job and the difference you're making with a quick photo taken on your mobile. If you're sending a story about a colleague remember to check that it's okay with them.](#)

Keep up the great work – what we're hearing on twitter
