1. Who should apply?

Individuals who want to operate as a Taxi Driver or Private Hire Car Driver within the Glasgow City Council boundary can apply for a licence by completing an application form found <https://www.glasgow.gov.uk/licences/taxis>

2. What is the difference between Taxi and Private Hire Car?

A licensed Taxi Driver licensed by Glasgow City Council can operate any Taxi or Private Hire Car licensed by Glasgow City Council.

A licensed Private Hire Car Driver licensed by Glasgow City Council can operate any Private Hire Car licensed by Glasgow City Council.

Both Taxis and Private Hire Cars can be pre-booked through licensed booking offices. The main difference is that a Taxi (or Hackney Cab) can be 'hailed' in the street or from a recognised Taxi Stance; a Private Hire Car can only pick up passengers who have pre-booked their journey.

3. What are the minimum requirements for applying?

Before you can apply for a Taxi Driver's or Private Hire Car Driver's Licence (grant, renewal or temporary) you must meet the following minimum requirements:

- Be at least 21 years of age;
- Be able to live and work legally in the UK;
- Be medically fit to drive;
- Have held for a continuous period of one year prior to the date your application is lodged a Driving Licence that entitles you to drive in the UK; and
- Have obtained the Certificate in Introduction to the Role of the Professional Taxi and Private Hire Driver at SCQF Level 5 and be able to produce a copy of your pass certificate (**grant and temporary applications from 1 January 2020**)

If you are applying for a **Taxi Driver Licence** you must also have passed the Topographical Test of Knowledge for Taxi Drivers administered by this Council. More information on the Topographical Test can be found on our website: <http://www.glasgow.gov.uk/licences/taxis/topotest>

Please note that once you pass the Topographical Test you are required to submit your application 3 months of being notified by the Licensing Authority of passing the test. **Failure to submit the application in this timescale will result in you having to re-sit the Topographical Test.**

4. Are there different types of applications?

Depending on your circumstances you can apply for one of three types of application. If you do not currently hold a licence with this Council you can apply for the following:

Grant If you do not currently hold a licence you can make a grant application. This type of licence lasts for three years. You will **not be licensed** to operate as a Taxi Driver or Private Hire Car Driver until the licence is granted.

Temporary You can apply for a temporary licence that lasts for a period of no more than 6 weeks. You will **not be licensed** to operate as a Taxi Driver or Private Hire Car Driver until the licence is granted. If you lodge a grant application for the relevant licence prior to the expiry of your temporary licence, you can continue to operate beyond the expiry of your temporary licence whilst the grant application is being considered.

If you currently hold a licence with this Council you can apply to renew the licence before it expires.

Renewal **Your renewal application must be lodged no later than the expiry date of your current licence.** You cannot submit your renewal application more than 6 months before the expiry of the licence. Provided your renewal is lodged before the expiry of your current licence you can continue to operate whilst the application is being considered.

If you forget to renew your licence or are unable to do so due to unforeseen circumstances you should contact the Licensing Section as soon as you become aware that your licence has expired.

5. How do I apply? (All types of applications)

- Criminal Record Check

In section 6 of the application form you will be asked to provide details of any countries outside the UK that you have lived in for a period of 6 months or more **since you were born**. For each you have lived in **since the age of 16**, you must produce a Criminal Record Check for that country. This is required to evidence whether you have been convicted of any offences whilst living in that country.

For EU Criminal Record Check (only where you are a national of the EU State issuing the Criminal Record Check):

The Criminal Record Check provided must have been obtained **within the 6 months prior to submitting the application**. Where the Criminal Record Check is not in English, it must be accompanied by a Multilingual Standard Form or a certified translation carried out by a person qualified to do so under the law of a Member State.

For all other Criminal Record Checks:

The Criminal Record Check provided must have been obtained **within the 6 months prior to submitting the application**, be translated into English and verified by the relevant UK based Embassy, Consulate or High Commission. Alternatively the document can be verified by way of an Apostille Certificate if the document was issued by a designated authority in a country where the Hague Convention of 1961 Abolishing the Requirement for Legalisation of Foreign Public Documents (the Apostille Convention) is in force.

- **Evidence of Right to Live and Work in the UK**

The Council has a statutory duty under the Immigration Act 2016 to check and verify that every applicant has the right to live in the UK and work as a Taxi Driver or Private Hire Car Driver.

As part of the application process you **must** provide certain original documents to evidence your right to live and work in the UK. If you cannot provide the required evidence your application cannot be granted. The types of document that can be accepted as evidence have been prescribed by the Home Office; **the Council does not have discretion to accept documents other than those specified by the Home Office.**

If the document(s) you have supplied are sufficient to evidence your right to work then your application will be accepted and processed as normal.

If you attempt to supply evidence with your application which is not accepted during the right to work check, your application will not be accepted. The Licensing Section will advise you why your application has not been accepted and what steps, if any, you can take in order to submit your form.

These checks apply to all applications including applications for renewal of existing licences. **If an existing licence holder cannot provide the necessary evidence, their licence cannot be granted.**

- **Copy of your certificate in introduction to the role of the professional Taxi and Private Hire Driver at SCQF Level 5**

Grant and temporary from 1 January 2020.

The Licensing and Regulatory Committee decided to delay the implementation of the Certificate in Introduction to the Role of the Professional Taxi and Private Hire Driver at SCQF level 5 as a requirement for the **renewal** of a taxi or private hire car driver's licence. The position will be reviewed by the Licensing and Regulatory Committee by April 2021.

Please note that any attempt to provide any documentation which has been falsified will result in your application being deemed incompetent and, if necessary, the matter being referred to Police Scotland.

7. How much is the application fee?

The current application fees are detailed below; the amount you pay is dependent on the duration. The fee is payable when the application is lodged and is non-refundable.

	Temporary	3 Year
Grant of Licence	£68	£162
Renewal of Licence		£162

Applications can only be lodged online or by post:

If online the Licensing Section will be in touch with you as soon as possible once your application has been lodged to arrange payment. Payment can be made by Cheque, Postal Order or electronic banking payment (BACS).

If by post payment can be made by Cheque, Postal Order or BACS. Cheques should be made payable to 'Glasgow City Council'. A list of the fees and charges levied by the Council's Licensing Section can be found on our website: <https://www.glasgow.gov.uk/CHttpHandler.ashx?id=8747&p=0>

8. How will the application be processed?

A 28 day consultation period begins on receipt of your application. For grant and renewal applications any person can object to your application at this stage. For temporary applications there is no right to object however Police Scotland can submit a letter to the Licensing Authority if Police Scotland has concerns that the applicant is not a fit and proper person. During the 28 day consultation period your application will be sent to Police Scotland. The Police may object or make a representation to the application if they do not consider you a 'fit and proper person' to hold a licence. The Police may also charge you with an offence if you have made a false statement on your application form or failed to declare convictions.

If necessary, your details may also be passed to the Home Office in order to confirm your immigration status and/or right to work in the UK.

Once the 28 day consultation period is complete, we will review your application.

If the Council has a concern regarding your fitness to drive, we will normally ask you to undergo a medical examination at this stage. The Council will pay for this examination.

If no adverse comments have been received and there are no other issues with your application, then it will be considered 'straightforward' and placed on a list of applications to be granted under delegated authority. We will then contact you, in writing, once the application has been granted. Your licence may be granted for a limited period due to your immigration status.

If there is an issue with the application such as a Police Scotland objection we will refer the application to an online meeting of the Licensing and Regulatory Committee for a decision. If this happens you will receive a Recorded Delivery letter requesting your attendance at the online meeting and explaining the reason you are being asked to attend. Although you are not legally required to attend it is recommended that you do so. We will contact you, in writing, after the meeting to advise you of the Committee's decision.

9. How long will it take?

The Council is allowed 9 months to consider your application but we aim to deal with all applications as soon as possible, usually within 3 to 4 months. Applications which are not straightforward (e.g. Police Scotland object to the application) have to be referred to the Licensing and Regulatory Committee and usually take 4 to 6 months. This is due to the volume of applications that the Committee can consider at each meeting.

10. What happens after my application is granted?

You will receive a letter advising that your application has been granted. The letter will include your licence and detail any additional conditions or requirements you are subject to – for example submitting to a medical examination annually. The Licensing Section will be in touch with you regarding issuing your identification badge once the application is granted.

11. What happens if my application is refused?

You will receive a letter advising that your application has been refused. You have the right to appeal the decision at Glasgow Sheriff Court (unless your application was for a temporary licence). An applicant wishing to appeal normally requires to first obtain a written Statement of Reasons for the decision. This can be obtained on written request to the Licensing Section within 21 days of the decision. The Council cannot provide guidance on making an appeal; if guidance is required you should consider taking your own independent legal advice or, alternatively, you can contact the Sheriff Clerk at Glasgow Sheriff Court, 1 Carlton Place, Glasgow, G5 9DA.

12. Are there conditions attached to the Licence?

There are standard conditions attached to all Taxi Drivers and Private Hire Car Drivers Licences. A copy of these conditions can be found under the **related documents** section on this page <https://www.glasgow.gov.uk/article/17619/Licence-for-a-Taxiby>

If necessary, the Council can attach further conditions to a licence.

As a licensed driver you will be expected to comply with every condition. Failure to do so could result in the Council suspending or revoking your licence.
