

## OFFICIAL

### Summer Holiday 2021 activities for Glasgow Families

*The Glasgow City Council Summer Holiday 2021 Children's Holiday Food Programme is being supplemented by the 'Get Into Summer' programme funded by the Scottish Government.*

The school summer holidays are nearly here and it has never been easier to find out what free activities for children and young people are available in your local community.

There's something on offer for everyone, view the lists below to see what activities you can book your child into - with free food provided too thanks to our community and third sector providers.

The list has contact details for the organisation delivering the programme in your area and all you need to do is get in touch with them to find out more.

**Please note: the activities under the 'Education Services' heading are only for families whose children attend that school. Those families can take part in the school programmes and should contact their school direct for more information.**
