

Glasgow City Council is undertaking a surface water management plan (SWMP) project for the Garrowhill/Barlanark/Early Braes Park area.

The purpose of the project is to assess the risks of flooding in the Garrowhill/Barlanark/Early Braes Park area, and implement practical and sustainable measures to better manage surface water to reduce the risks / impacts.

If you live within, or close to, the project area (denoted by the red line) – see plan below – or have any views on flooding in the area, we would welcome your attendance:-

The public engagement exhibition will be held:-

Location – Barlanark Community Centre, 33 Burnmouth Road, Glasgow G33 4RZ

Date – Monday 17th September 2018

Time – Noon to 8pm

If you are interested in the project, but are not able to attend, please contact Glasgow City Council by either:

- **Sending your contact details** to The Project Manager, Garrowhill SWMP, Project Management and Design, Development and Regeneration Services, 231 George Street, Glasgow G1 1RX
- **Emailing** The Project Manager, Garrowhill SWMP at the following email address - FloodRiskManagement@drs.glasgow.gov.uk
