

# THE MARYHILL HUB WE ARE OPEN

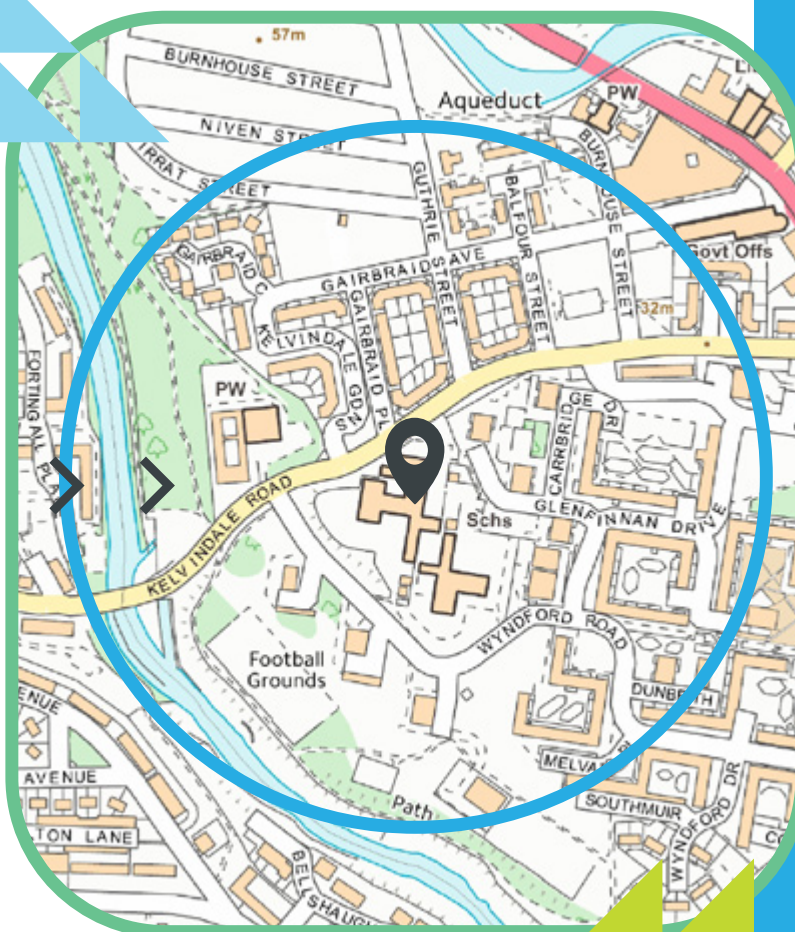

## WELCOME

The Maryhill HUB is a large community centre located within the former St. Gregory's Primary School. We provide a safe place for the community to gather with a modern outdoor children's play park, cafe, gym, meeting/event spaces and a click and connect learning centre for you to use.

We offer a varied programme of indoor and outdoor events throughout the year. As a community venue provided by Glasgow City Council, many of these are free or of low cost. We look forward to welcoming you in and providing the activities and support that you want.

Feel free to pop in and discuss with staff if you have any questions or suggestions or give us a call to find out what activities we can offer you.
