

THE GLASGOW CITY COUNCIL (IBROX STADIUM) (EVENT DAY EMERGENCY ROUTES AND PARKING ZONE) ORDER 201_

THE GLASGOW CITY COUNCIL (CELTIC PARK AND EMIRATES ARENA) (EVENT DAY EMERGENCY ROUTES AND PARKING ZONE) ORDER 20__

I refer to the above TROs and to the emails that were sent on 18/03/2022 to the Council by the Programme Officers.

Having considered the matter very carefully and in particular the fact that it is very unlikely that the Hearings and the subsequent Report and Recommendations will be received with sufficient time for the TROs to be made by the Council, we have come to the conclusion that the Council can no longer proceed with the Hearings and TROs as part of this process.

Overall, the Covid pandemic has had a significant detrimental impact on the process for the Hearings and it would not be reasonable for the Council and the other parties to continue with the preparations for these Hearings when it is unlikely that there will be enough time to complete the process for making these TROs.

Please could you advise all the parties to the Hearings of the Council's decision.

The Council recognises that many of the issues that generated the need for the TROs continue to exist within the communities surrounding the stadia and those issues will still need to be addressed in the very near future.

The Council will now seek to work with those affected by these parking and traffic management issues and all other interested parties to attempt to resolve those issues.

Yours sincerely
