MONDAY 8TH MAY

#TheBigHelpOut

## Lend a hand. Make a Change.

To mark The King's Coronation thousands of organisations across the country are getting together to give us all the chance to help out in our own local communities.

Starting on Monday 8th May there will be opportunities for everyone to join in. Whether you are a big or small school, everyone can get involved, with opportunities for helping hands of all shapes and sizes!

From checking in on someone who'd like a bit of company or volunteering for a charity, the more of us who join in, the bigger help we will be.

Glasgow Education Services are asking all schools across the city to participate in this historic event. To allow us to capture all the amazing things that are going on we'd like you to submit your images, video, and text.

## To submit your data:

1. Click on the '**Add Media**' icon on the flyer
2. **Log** into your **Glow** account
3. **Select the folder** for your sector (Early Years, ASL, Primary or Secondary)
4. **Upload** your files

## Data Submission Details:

1. Please make sure you have permission to use images of pupils.
2. Rename your files with the name of your school included
3. Add a short blurb outlining the activity (a paragraph will suffice)

Attention all Glasgow schools, students, and staff! The Big Help Out is calling, and it's time to show the world what we're made of! We're counting on your hard work and dedication to make a difference in our community, and we want to celebrate your efforts in a BIG way. By **May 22<sup>nd</sup>** (Data Submission date), we'll gather all the data and compile a Book Creator file showcasing the awe-inspiring results of our collective efforts. And guess what? We're not stopping there! We're locking this file up in a Time Capsule, so future generations can marvel at our impact until the next Coronation. But we can't do it without you! Join us in this historic moment by participating in the Big Help Out, and let's make Glasgow proud!

Show your support by taking part in the Big Help Out and make a change during this historical occasion.

This is history in the making, make your school become a part of the future!
