

Community Asset Building

Planning Aid for Scotland runs a *Planning Mentoring Scheme* for communities seeking to develop assets that benefit the whole community.

Key benefits for communities:

- Gain advice and support on planning issues from our extensive network of planning professionals.
- Discover a positive side of planning that allows communities to shape their own neighbourhoods.

How can it help?

We can work with you on any community project, including:

- ✓ Renewable energy schemes
- ✓ Allotments
- ✓ Community halls
- ✓ Sports facilities
- ✓ Community woodland projects
- ✓ Waste schemes
- ✓ Affordable housing
- ✓ Pre-application consultations
- ✓ Main Issue Report submissions to local development plans
