

2020/21 Area Budget – Applications for funding noted etc.

8 With reference to the minutes of the Council's City Administration Committee of 29th August 2019 approving the proposed budget for the Glasgow Communities Fund for the next 3 financial years, including funding for Area Partnerships with an assumption that the total allocation to Area Partnerships was maintained at least at 2019/20 levels, there was submitted a report by the Council's Director of Community Empowerment and Equalities regarding the Area Budget for 2020/21, advising

- (1) of the current position in relation to Area Budget allocations for 2020/21;
- (2) that the Cardonald Area Partnership's Area Budget proposed allocation for 2020/21 was £65,554.72;
- (3) of the arrangements for the funding of the travel pass scheme and playschemes within the Ward area;
- (4) of the applications for funding from the Area Budget 2020/21, as detailed in appendix 1 to the report; and
- (6) of the applications for the travel pass scheme, as detailed in appendix 2 to the report.

After consideration, the Partnership

- (a) noted
 - (i) that the Glasgow Communities Fund was subject to the Council setting its budget and was therefore still to be agreed and that any revisions to Area Partnership allocations for 2020/21 would be detailed in a future report;
 - (ii) the interim arrangements which enabled the allocation of a portion of the funding from the 2020/21 Area Budget in the January/February cycle for time critical applications;
 - (iii) that time critical awards of up to £500 could be allocated from the 2020/21 budget under the existing delegated authority arrangements; and
 - (iv) that all funding awards made in the January/February 2020 cycle of meetings and via delegated authority from the 2020/21 Area Budget would be subject to available finances;
