Funding Source	Organisation	Project Name	Theme	Beneficiaries	Overview of Project	Multiple (Y/N)	Existing GCF Recipient	2023-26 Total Requested Funding
South	Alexandra Rose Charity	Glasgow Rose Vouchers for Fruit and Veg Project	S/C: Pantries/Food Growing	Children/Young People (Under 25)/Families	Rose Vouchers for Fruit & Veg launched in Glasgow in 2020. Families and pregnant women receive vouchers to spend on fresh fruit and vegetables at participating local markets, independent retailers and community food projects. 150 families, including 396 children, are currently supported with Rose Vouchers, along with wrap-around support from community partners Church House and Thriving Places at Barrowfield Community Centre in Calton Ward, 3D Drumchapel (through the Thrive Under 5 initiative) in Drumchapel and Refuweegee from their city centre base. We're seeking funding to sustain the project and expand across Glasgow to support 400 families per year by 2026.	Y	N	£ 123,899.79
South	Ando Glaso	Roma Empowerment Through Culture	Arts and Culture	Communities of Interest/Equalities (PCs)	Through skills development workshops, classes, rehearsals and its own annual festival based on the Roma cultural heritage, Ando Glaso will support marginalised Roma people to become active participants of Glasgow's cultural life. The project will tackle the cultural deprivation of Roma communities, provide tangible and meaningful opportunities for skills development and employment. Using the Roma cultural heritage it will strengthen community cohesion and build the confidence of marginalised Roma people to support their decision making and active citizenship. The project will provide opportunities for the general public to engage with our Roma communities from a new and positive angle.	Y	N	£ 350,097.85
South	Animalia CIC	Animalia Unleash the Animal Project	S/C: Sport	All	We will use our space/Hub to deliver creative, educational, health and well being workshops. We will work with partners to support young people out of education and adults with poor mh and well being through workshops, drop ins in Govan and through outdoor and sport activities. These activities include mh workshops, creative arts, gaming, youth style nights, game nights, job support, yoga, meditation, walking groups, martial arts, hill walking, swimming and ball sports.	N	N	£ 144,840.00
South	ARC Independent CIC	World Tree Carving Club	S/C: Health & Wellbeing	All	World Tree Carving Club will be a series of monthly gatherings across Glasgow City where we teach carving and woodwork skills using the Ash trees of our local parks that are currently being felled as a result of the Ash Dieback epidemic that has swept through Europe. The project has a threefold strategy: Craft-based education; Community consolidation through participation; Increased environmental awareness. Each Carving Club will be initiated by ARC Independent and then handed over to the community after one year teaching the basic skills and building the confidence of local participants to organise the club themselves.	N	N	£ 150,278.00
South	Boots and Beards SCIO	Boots and Beards Advocacy Project	Equalities	Communities of Interest/Equalities (PCs)	The project will provide a multilingual advocacy service to BAME communities. We will do this by addressing barriers and issues affecting the community through the provision of advocacy support. This will allow beneficiaries to make informed choices to enable them to overcome these hurdles and access mainstream services. The project will work holistically with vulnerable existing service users of Boots and Beards as well as tapping into local vulnerable BAME communities. We will work in partnership with local and national statutory and voluntary organisations to improve wellbeing, resilience and sustainability by linking the community to wider services for lasting change.	N	N	£ 227,155.00

Funding Source	Organisation	Project Name	Theme	Beneficiaries	Overview of Project	Multiple (Y/N)	Existing GCF Recipient	2023-26 Total Requested Funding
South	Braveheart Industries	You Decide Team Community Navigation	S/C: Health & Wellbeing	All	This unique groundbreaking collaboration between Braveheart Industries, Street Cones and the Violence Reduction Unit will provide a person-centred tailored approach to supporting some of the most vulnerable people in Glasgow. By coproducing pathways and journeys in the heart of their communities, this approach will improve levels of confidence and trust in services. It will enable improved community involvement and increase opportunities for individuals and their families by combining the Navigation approach developed for hospitals and wider workshops. The programme will support not just the most vulnerable but also their extended network to improve a sense of community well-being and empowerment.	Y	N	£ 199,782.33
South	BRIDGING THE GAP (GORBALS ECUMENICAL PROJECT)	Bridging the Gap Young People Transition	S/C: Community Learning & Development	Children/Young People (Under 25)/Families	To deliver a transition programme for vulnerable young people about to journey from primary school to high school. The programme is delivered across 14 primary schools feeding into two high schools in the South Side of Glasgow. The young people participating receive dedicated support from our experienced youth workers, cover a variety of topics facing young people, building confidence and resilience. Alongside this programme, we deliver mentoring sessions to S4 pupils who go onto buddy S1 pupils joining high school, we recruit S4 pupils as volunteers to support our work, further increase reassurance and confidence in vulnerable young people.	N	Y	£ 455,645.00
South	Cartha Queens Park Rugby Football Club	Cartha QP Community Engagement Programme	S/C: Sport	Children/Young People (Under 25)/Families	A three year long programme of community engagement and sustainable development delivering rugby coaching and training to an increased number of Secondary and Primary Schools on the city's southside aimed at introducing children to rugby and the physical, social and mental wellbeing benefits that rugby can provide. The programme will strengthen links within our wider community, not only those in our Primary Schools and in our Secondary Schools, which are located in low end SIMD areas. We will work in partnership with the active schools network, Rugby Development at Glasgow Life, the Scottish Rugby Union and Glasgow Warriors.	N	N	£ 137,565.00
South	Cassiltoun Housing Association	Your Home & You: Energy, Advice & Support	S/C: Financial Inclusion	All	We will provide welfare rights, debt management and fuel/energy advice on an appointment and drop in basis and through targeted and proactive work in our community. The project will also provide vouchers/grants to alleviate financial crisis. We will provide outreach and education sessions to local partners and create local 'Energy champions'	N	Y	£ 558,343.00
South	Cassiltoun Trust	Stables: Engage, Involve, Make Change	S/C: Community Resources	All	We will build on a number of pilots and well-established programmes that we know work. Specifically we will: -Develop a Participatory Budgeting project based on learnings; Continue our Community Art project, recently co-designed by participants to have 'Taster Tuesdays' blocks; - Continue our award-winning Digital Inclusion Project that celebrates life-long learning as well as tackling the digital divide and related inequalities; Evolve our Volunteer Development Project with a focus on supporting those furthest removed from employment; Continue our Community Food Project, creating space for workshops, connection and wellbeing; Roll out our 'Access' programme, responding creatively to ongoing barriers to involvement; Continue large scale Castlemilk Park Project	N	Y	£ 359,997.00

Funding Source	Organisation	Project Name	Theme	Beneficiaries	Overview of Project	Multiple (Y/N)	Existing GCF Recipient	2023-26 Total Requested Funding
South	Castlemilk Community Football (Development Group)	Barlia Complex – Castlemilk Community Football Trust	S/C: Community Resources	All	We will manage and develop Barlia Complex, creating a high quality sporting and wellbeing space for the Castlemilk community. 9am- 9pm weekdays/ 9am - 6pm weekends. provide opportunities to increase community participation of football, other sports and fitness, support mental health & well-being, host daily social community events and activities; reduce barriers to physical activity, tackle poverty and social isolation, provide opportunities where community spirit can be fostered for people of all ages and abilities to actively participate in community life; Increase capacity and confidence of local people to actively manage /develop an essential community space.	N	N	£ 530,583.00
South	Child Bereavement UK	Supporting Communities Through Grief in Glasgow	S/C: Early Years	Children/Young People (Under 25)/Families	We want to: Ensure Glasgow's most disadvantaged young people can access bereavement support, reducing the potential for negative outcomes, concurrently gaining confidence in their ability to cope and bolstering resilience; Deliver bereavement awareness training to education professionals working in neighbourhoods with the highest local share of the 5% most deprived datazones (SIMD2020); Develop bereavement management workshops delivered in partnership with young people throughout learning communities; Raise awareness of our bereavement service with the opportunity to access one-to-one sessions; Give young people the opportunity to be bereavement champions, helping break the stigma of talking openly about death/bereavement in their schools/communities	Y	N	£ 162,118.48
South	Children's Music Foundation in Scotland Ltd.	Acorns to Oaks: Blossoming Voices	Arts and Culture	Children/Young People (Under 25)/Families	Children's Classic Concerts (CCC) will collaborate with The Hidden Gardens (THG) to deliver a music and nature programme, designed to support young children as they transition to primary school. Offering workshops as part of the induction process and revisiting participants, once they formally begin school, CCC and THG will present creative sessions that boost confidence and social interaction. The project will be offered across 3 targeted areas of the city that face economic and social barriers to accessing the arts, culminating with community concerts in each location, bringing together participants, their teachers, families, and local residents.	Y	N	£ 23,674.00
South	Clydesdale Cricket Club	Clydesdale Hockey Outreach Project	S/C: Sport	Children/Young People (Under 25)/Families	The project will increase Clydesdale Hockey Club's outreach into the community by increasing the number of members from deprived backgrounds who may not receive hockey coaching at school. This will be done by using our current outreach coaches handing out flyers to local primary schools inviting children to an indoor session at Shawlands Academy on a Thursday evening. Hopefully we will be able to encourage children and young people to be more involved within the club, and use our assistance fund if needed.	N	N	£ 61,959.00
South	Clydeside Initiative for Arts	Yardworks Studio	Arts and Culture	All	The Yardworks Studio programme will create an offering for local communities, schools and artists comprising of workshops, talks, masterclasses and residencies that builds on our successful Yardworks Govan and Yardworks GRID programmes which resulted in 6 new community based gable end murals. Yardworks Studio is a space for expression, for learning and for community - the first of its kind in the world dedicated to the advancement of street art and graffiti practice. Yardworks Studio will become a flagship centre for education and life long learning as well as a space to feel connected to others and improve well-being.	Y	N	£ 188,611.00
South	Crookston Community Group	Crookston Community Group	S/C: Pantries/Food Growing	All	The proposed application is to fund the employment of a project manager to oversee the various projects that Crookston Community Group undertakes. The monies applied are also to assist the running costs that the organization will incur to facilitate the many projects with the aim of tackling inequalities across Glasgow South.	N	N	£ 288,410.00

Funding Source	Organisation	Project Name	Theme	Beneficiaries	Overview of Project	Multiple (Y/N)	Existing GCF Recipient	2023-26 Total Requested Funding
South	Diaspora African Women's Support Network CIC (DAWSUN)	Sewing for Social Good	S/C: Community Learning & Development	Communities of Interest/Equalities (PCs)	Sewing for Social Good is a sewing programme that aims to reduce social isolation, foster greater integration and empower highly talented ethnic minority women with limited employment opportunities due to language and cultural barriers. The project targets those experiencing or at risk of social isolation. And those at risk of impact to their mental health due to poverty. The project will provide a series of free sewing sessions for participants. These sessions will provide structured tasks suitable for beginners and non-beginners, allowing participants to engage in a creative and rewarding project with like-minded people in the community.	Y	N	£ 120,932.67
South	Elderpark Housing Association	Govan Energy Advice Project	S/C: Financial Inclusion	All	Set up in March 2021 and was funded initially for 2 years, however in order for it to continue its excellent work throughout Govan it would require additional funding from April 2023. This project is delivered by three full time fuel advisers. The project offers support to prevent fuel poverty, tackle fuel debt, access best value tariffs and reduce consumption through better energy usage. The project brings together three Housing Associations, Elderpark Housing Association, Govan Housing Association and Linthouse Housing Association. Owning and manage 4060 properties, with 83% of households located within the most deprived 15% of data zones (SIMD20).	N	N	£ 261,349.00
South	Finn's Place	Wellbeing for All	S/C: Health & Wellbeing	All	Wellbeing for All will work across the southside of Glasgow to develop a wellbeing culture that will bring opportunities for wellbeing to residents through an annual festival, a network of organisations and practitioners, wellbeing activities in every community no matter what its economic status. We will work to make accessible wellbeing practices so that each person will know and understand their own capacity to improve their own wellbeing and will have access to local wellbeing practices.	N	N	£ 225,125.00
South	Firm Foundations Coaching and Training CIC	Firm Foundations 1-2-1	S/C: Health & Wellbeing	Vulnerable Adults (Homeless/Addictions/Mental Health/Offenders)	The project provides a one-to-one sessional trauma coaching service for men who are recovering from drug or alcohol addiction, trauma, and mental health issues. Utilising our partnerships already established, men are referred to us by organisations who we work with in rooms provided on their premises. Our coaching service is trauma-informed and focuses on self-regulation, which works with the nervous system (flight, fight, and freeze). We help men regulate through skills-building self-regulation work so our service-users can regulate their emotions, process their trauma, and take responsibility and accountability for their life.	Y	N	£ 47,726.00
South	Friends of Romano Lav	The Institute for Bread and Roses	Equalities	Communities of Interest/Equalities (PCs)	Romano Lav will establish The Institute for Bread and Roses – a dedicated Roma community hub and cultural centre that will serve as a one-stop shop for meeting community needs, whilst celebrating and promote Romani culture. Inspired by the notion that we, as citizens, need not only bread, but roses too; this is a space where Roma people and others are supported to both survive and thrive. Whilst targeted primarily at Roma, the Institute will be open to all. It will provide welfare rights advice, advocacy, and support, whilst offering a rich and diverse arts programme, showcasing the best of Roma culture.	N	N	£ 193,553.00

Funding Source	Organisation	Project Name	Theme	Beneficiaries	Overview of Project	Multiple (Y/N)	Existing GCF Recipient	2023-26 Total Requested Funding
South	Glasgow Ansar Ltd	Glasgow Ansar Ltd	S/C: Sport	All	To run a range of Sports, Arts, youth and physical activities throughout the city. This includes weekly Football, weekly Netball, weekly Swimming, weekly Tennis, weekly Golf, outdoor activities, Holiday Programmes, Residential, Youth Clubs and Volunteer programmes, Art and Film Projects. Venues are varied and the participants are aged between 5-45+ across the city.	N	N	£ 592,113.00
South	Glasgow Association for Mental Health	Calming Connections South	S/C: Health & Wellbeing	Communities of Interest/Equalities (PCs)	Calming Connections will offer opportunities for older adults aged 60+ affected by mental health issues and unpaid mental health carers to participate in holistic therapies and peer group sessions based in the community. These services will empower older adults and unpaid carers by developing skills to manage and care for their wellbeing, improve opportunities to connect and increase social network whilst promoting positive mental, and addressing equality and access issues. The activities will include; Mindfulness, Taster Group Sessions and Community Based Wellbeing Sessions. The sessions will include Mindfulness, Complimentary therapies, creative arts, health and wellbeing, money advice and a signposting service.	N	Y	£ 80,507.00
South	Glasgow Guitar Academy Community Interest Company	KidzRock Glasgow	Arts and Culture	Children/Young People (Under 25)/Families	Kidzrock Glasgow will involve running weekly group guitar workshops at teaching locations in four SIMD areas of Glasgow. The programme will run for 10 weeks and draw in participants aged between 8-17 from across the city. At the end of the 10 week of the programme, all young people from across the 4 locations will come together to perform a 'final rock concert', which is free to attend for family, friends and the local community. Kidzrock Glasgow is an extension of our current Jr Rockstarz programme which has been a resounding success since we launched in October 2022.	Y	N	£ 65,241.67
South	Glasgow Media Access Centre Limited (trading as GMAC Film)	GMAC Community Action	Arts and Culture	Children/Young People (Under 25)/Families	GMAC Community Action is a three-year programme, using film as a platform to encourage young people to find their voice, tell their stories, and discuss social issues faced within their communities. As well as building confidence and practical skills, the project will encourage participants to become active citizens in their local communities. This will be achieved through a series of outreach workshops, intensive film-making training (where participants will have to pitch proposals for community films), and young people working with community organisations and members to record, edit and screen the film to showcase positive community action in their area.	Y	Y	£ 116,672.88
South	Glasgow Zine Library SCIO	Upskilling Creative Communities	Arts and Culture	All	We are seeking funding to upskill our diverse south Glasgow community, supporting their transition into creative industries. We will do this by: 1) Running an annual 12-week Young Producers Programme training 30 marginalised under 25s to design and deliver community arts events increasing local skills and employability. 2) Supporting 90 local volunteers annually to gain skills and experience as library, events and archive assistants, increasing local skills and employability. 3) Providing access measures for our community arts programme (with audiences of 11,000+) including BSL, live captioning, and audio description enabling community cultural engagement and minimising barriers related to protected characteristics.	N	N	£ 79,300.00

Funding Source	Organisation	Project Name	Theme	Beneficiaries	Overview of Project	Multiple (Y/N)	Existing GCF Recipient	2023-26 Total Requested Funding
South	Glen Oaks Housing Association	goConnect Project	S/C: Health & Wellbeing	All	Our communities are within the lowest 2.5% SIMD. Tenants are vulnerable to poverty and poor health. We have an aging population - 40.5% of tenants aged 50+ (31.5% 60+ - Glasgow's average is 13.5%). We also have high ethnic minority levels eg.18% Polish. We will promote wellbeing and financial services so residents can improve their lives by: providing experienced, familiar staff to connect and signpost tenants to relevant support agencies: Connect advisors in Financial Capability, Energy, Digital Inclusion; Befrienders; local groups and specialist organisations; Organising weekly clubs, classes and events to enable Social Connecting; and Hosting regular social and learning events.	N	Y	£ 564,588.00
South	Govan Appliance Project	Govan Appliance Project	S/C: Community Learning & Development	Adults Working Age	The projects activities are to create a social hub for people to retrain in the hope of finding alternative employment, for the unemployed to train and find employment, and for the socially isolated to feel as part of a group to build their self-confidence. Our services will be our training and a community shop which will sell affordable appliances for low-income families. This shop will also be there for these people who need assistance with any questions and help they need with appliances they already have.	N	N	£ 131,440.00
South	Govanhill Community Development Trust	Govanhill TLC: Training and Learning Centre	S/C: Employability	Adults Working Age	We will deliver a Govanhill volunteering, employability and training centre so local people can improve their employability and secure accredited qualifications when doing so. From our base in the local housing association, as well as online, GCDT will support local residents to secure qualifications in relation to volunteering, employability, English and Literacy. We will achieve this by employing an Employability Worker, Employability Trainer, ESOL & Family Learning Worker (all qualified Assessor-Verifiers) plus an Administrator and part-time Coordinator. We will ensure wider benefits for the Govanhill community by delivering training, volunteering and work experience opportunities via Govanhill organisations and within Govanhill.	N	Y	£ 599,085.00
South	Inhouse Event Solutions CIC	Queens Park Arena - Community Events Programme 2023-2026	S/C: Community Resources	All	Create, develop and produce events that support Scotland's collective social, environmental, wellbeing, cultural and leisure needs, benefitting local people in a variety of ways including challenging social and cultural disadvantage due to poverty, provision of educational experiences, promotion of healthy living, integration between fractured groups, vibrancy and community cohesion. Provide platform to young people, BME's and underrepresented groups to express their viewpoints and participate in accessible community led activities. Planning support to communities and individuals seeking to develop skill in culture and art industry, in order to achieve their own social purpose, challenge economic injustice, and have their voices heard.	N	N	£ 243,628.00
South	Kindness Homeless Street Team Glasgow SCIO	maintain/expand soup kitchen & provide a community cafe	S/C: Health & Wellbeing	All	Our goal is to use any funding that Glasgow Communities Fund can award us to help to meet the ever-growing demand on our services, providing a life line to the poorest people in Glasgow and to open a community cafe, offering food in a safe environment where people are protected from the elements of adverse weather. We will also offer well-being classes/chats to help improve people's mental health, we were required to put a project end date but we view this as an on-going facility to continue an overall welfare of our service users for many years.	Y	N	£ 57,934.82

Funding Source	Organisation	Project Name	Theme	Beneficiaries	Overview of Project	Multiple (Y/N)	Existing GCF Recipient	2023-26 Total Requested Funding
South	Licketyspit Ltd	Storyplay City Glasgow	Arts and Culture	Children/Young People (Under 25)/Families	Licketyspit's Glasgow Storyplay City programme, will provide Porridge & Play sessions for families with children under-12 in Licketyspit's HUBS in Castlemilk, Bridgeton and Cranhill. Families will also participate in Picnic & Play excursions to arts, cultural and outdoor spaces across Glasgow. Hosted by specialist actor-pedagogues and community Storyplay Champions, Storyplay sessions include intergenerational imaginary play using the Lickety Playcard repertoire, a healthy home-cooked meal or picnic and reflective drawing. Families will receive year-round support and play resources from Licketyspit's Children and Families Network. Porridge & Play Online sessions will also be delivered for isolated families across the city.	Y	Y	£ 27,477.22
South	Lingo Flamingo CIC	Learn the Lingo-language learning in Glasgow care-homes	S/C: Health & Wellbeing	Older People (65+)	We intend to deliver 60 language projects (720 classes in total) to participants living in care and nursing homes throughout the city over a period of three years. We hope to work with around 360 older adults. The purpose of the classes is to bring accessible, meaningful, and engaging activities to highly marginalised and isolated individuals, many of whom are living with dementia. Our social impact is to increase the well-being and cognitive functions of older adults. Furthermore, SQA qualifications will be incorporated into the classes to upskill older adults providing them with an increased self-worth and sense of achievement.	Y	N	£ 32,581.25
South	Linthouse Housing Association Limited	Linthouse Community Hub	S/C: Financial Inclusion	All	LHA wish to open a community hub with the intention to run small group activities, offering opportunities for social interaction and running support surgeries eg debt advice, energy advice. It's hoped the hub will increase the uptake of essential services and community activities locally as it can be difficult for residents to travel to central Govan where most services are based. LHA have identified a couple of commercial properties owned by LHA but they need work to ensure they meet current regulations therefore we would offer these services from our premises or other local premises in the meantime.	N	N	£ 331,947.00
South	Loco Home Retrofit CIC Ltd	Warmer Tenements Together	S/C: Community Resources	Communities of Interest/Equalities (PCs)	The project will increase capacity within communities of flat owners for maintaining and improving their buildings, thus addressing fuel poverty and wellbeing issues. Acting as an adviser and community intermediary to counter barriers and market failure, the project will support households and landlords to take action and assure quality. In addition, the project will take a community wealth building approach to ensure owners can find local trusted trades to carry out agreed works. Our community owned co-operative structure will put households first while leveraging our other grant- and revenue-funded capabilities. Project governance will ensure approaches complement Council strategy.	Y	N	£ 310,127.01
South	Loop Theatre CIC	Inclusive theatre for people with learning disabilities	Arts and Culture	Communities of Interest/Equalities (PCs)	The proposed project is for adults with learning disabilities and/or autism, living across Glasgow to access and enjoy inclusive physical theatre and drama activities for 44 weeks throughout the year. The project will deliver weekly social, physical, and creative drama activities, which includes clowning, improvisation, music, and visual art in three different locations across Glasgow throughout the week, (in the Calton, Govan and Easterhouse). Theatre sessions are three hours of fun, socialising and making new friends, a crucial part of their weekly routine to enhance well-being, health and reduce isolation, with a performance production and community celebration once a year.	Y	N	£ 57,750.00

Funding Source	Organisation	Project Name	Theme	Beneficiaries	Overview of Project	Multiple (Y/N)	Existing GCF Recipient	2023-26 Total Requested Funding
South	Maslow's Community	Maslow's Community Hub	Equalities	Communities of Interest/Equalities (PCs)	Maslow's aims to open a community hub which will provide an advocacy service to asylum seekers, refugees and others experiencing hardship in the local community of Govan. The aim is to relieve disadvantaged people of poverty by providing them with the means to improve their social and financial situation. Our new project will empower our community by providing them with a safe supportive environment where they can learn computer skills, get housing and rights advice, be supported in daily life admin skills and engage in leisure activities.	Y	N	£ 116,206.71
South	Merry-go-round Glasgow	Merry-go-round events and community engagement programme	S/C: Families	All	To expand our successful community engagement work and events programme, supporting the community to access support services, reduce isolation, increase confidence, play an active role and build relationships. Our community engagement work comprises of the carousel programme, working with partners delivering 100+ free packs per month of essential items to families most at risk, and outreach work to engage with families with barriers - building confidence and bridges for families to engage in our full events programme. Our shop events support social inclusion and reduce isolation amongst pregnant women and families as well as provide early intervention.	N	Y	£ 129,756.00
South	Narjis Foundation	Fusion of Friends	Equalities	Communities of Interest/Equalities (PCs)	The Narjis Foundation aim to reduce the levels of social and economic isolation felt by the BME community in the South Side of Glasgow. The support will be provided via social, physical, educational and employment empowerment programmes and initiatives delivered from a community hub.	N	N	£ 351,232.00
South	One Community Scotland	Young Ethnic Minority People (YEMP) Making Healthy Choices	S/C: Youth	Children/Young People (Under 25)/Families	We will employ a full-time youth worker to organise/coordinate the following activities: collaborate with schools to engage young people in school-based & after-school clubs, including running workshops to raise awareness on mental wellbeing & outdoor activities; partner with other youth organisations in Glasgow and signpost YEMP to relevant activities of their choice; run awareness workshops on alcohol abuse/anti-social behaviour; provide a safe place for young people to "hang out" and socialise with their peers; provide access to counsellors/therapists, as appropriate; and raise awareness about mental health in BAME communities, involving community leaders for the development/support of community programmes.	Y	N	£ 42,675.42
South	PARK VILLA FOOTBALL DEVELOPMENT	Park Villa Community Sports Hub	S/C: Community Resources	All	We would like to secure funding to support the cost of salaries, Training and equipment. That we require to ensure our service to the community is of professional standard and provides the Govan Community with the opportunities they deserve in a prime location for our families.	N	N	£ 272,272.00
South	Penilee Credit Union Limited	Penilee Credit Union GCF Project	S/C: Financial Inclusion	All	We are a credit union providing affordable loans and a safe place where our members can build their savings. We're inclusive to everyone in our 'common' bond' living or working in the G51, G52 or G53 post code areas of Glasgow and are open five days a week at our office and also offer a digital app. We also offer at no cost to our members, savings and loan protection insurance which can often help with funeral costs.	N	N	£ 123,293.00
South	Playwrights' Studio, Scotland Ltd	Playwriting on Prescription	Arts and Culture	All	A pilot project called Playwriting on Prescription to provide a series of free writing workshops to improve mental health outcomes accessible across Glasgow. The pilot will lead to the development of a model and expertise through which similar workshops can be offered through social prescribing at GP surgeries across the city (and beyond).	Y	N	£ 31,158.50

Funding Source	Organisation	Project Name	Theme	Beneficiaries	Overview of Project	Multiple (Y/N)	Existing GCF Recipient	2023-26 Total Requested Funding
South	Pollok Credit Union Ltd	Pollok Credit Union financial inclusion anti poverty project	S/C: Financial Inclusion	All	PCU offers accessible financial services to support those on low incomes, receiving benefits and we provide support for cost of living/financial management within communities. We work with our partners in money advice and RSL's to provide and assist with workshops that deliver budgeting skills and advice. PCU will re-instate peer group of credit union's to co-ordinate services that will benefit the larger community.	Y	N	£ 16,932.27
South	Pollok United	Fit for Life	S/C: Health & Wellbeing	All	The Cokerhill Community Hub 'Fit for Life' programme aims to tackle social isolation, economic disadvantage & improve mental health through a comprehensive programme of inclusive Health & Wellbeing activities designed to improve life prospects. Our programme of activities for 2023-26 will extend services to parents, toddlers, young people, the elderly, those suffering from physical and mental disabilities and those seeking employment. We have a robust partnership with Clyde College delivering accredited training for beneficiaries and in collaboration with GCHSCP Local Area Coordination Team our intention is to re-incorporate adjoining Nethercraigs as an extended community base for Adults with learning disabilities.	N	Y	£ 163,911.00
South	Pollokshields Development Agency	Pollokshields Development Agency	S/C: Community Resources	All	We will run a range of activities, support sessions and classes that are accessible to the community by addressing barriers particularly cultural and language barriers that prevent people from participating. The planned initial focus will be on financial inclusion, poverty, mental health, social isolation and increasing volunteering opportunities as identified by the community. However we will be responsive to emerging community needs and will work to develop and grow new services as required.	N	Y	£ 286,216.00
South	Potential In Me CIC	Potential In Me: Families	S/C: Families	All	We will provide a community-led programme that includes: individual coaching and therapeutic support; group workshops that include personal and skills development; group wellness activities; activity sessions for 900 young people, parents/carers and families. We will continue to develop the work we are doing in Greater Pollok and expand geographically to Southside Central and Cardonald. These activities will seek to empower individuals to identify, recognise and value their own potential whilst tackling relational poverty and building social capital within the local community. We will support local communities to become self-sustaining through training and support of local volunteers.	N	Y	£ 392,710.00
South	Print Clan C.I.C.	Print For Wellbeing Club	Arts and Culture	Communities of Interest/Equalities (PCs)	Disability and poverty exclude Glasgow residents from cultural opportunities to creatively express themselves. Travel barriers, costs, and building accessibility restrictions contribute to social isolation faced in these communities. Print for Wellbeing Clubs will provide opportunities to learn textile screen printing in accessible community centres in Govanhill and Easterhouse for people who are disabled, facing financial precarity, or have other protected characteristics. This project will host 60 participants annually at two sites of biweekly Print Clubs to develop resilient, inclusive communities. We will share creative and technical skills, to promote social inclusion and connect people to opportunities that improve their wellbeing.	Y	N	£ 38,675.00
South	Propagate Scotland	Soil and Soul	S/C: Pantries/Food Growing	All	Propagate wish to deliver in depth soil, growing and cookery workshops to 20 community groups, once a week each over 3 years, including schools, community gardens and colleges, in disadvantaged areas across Glasgow. We want to empower more communities to understand how healthy soil works so they can make a tangible difference to climate change, learn transferable horticultural skills, and mitigate the rising cost of living by growing and cooking their own self grown nutritious food.	Y	N	£ 97,643.50

South	Public Learning Workshop	Digital Groundwork for Glasgow Stéidh a Glasgu Carthannais	S/C: Community Learning & Development	All	Three years public service broadcasting to improve English literacy, and promote wellbeing, sustainability and inclusion for the 10% most deprived (SIMD) living in Glasgow's poorest wards. We will work with local charities and community groups to create a mini-curriculum of static and short-form videos and learning resources, to be delivered in local advertising space in the above wards, as well as online. We will reach 80% of residence at street level, with a reach of 36 million viewers online.	Y	N	£ 177,255.20
South	Radio Buena Vida CIC	Radio Buena Vida Development Programme	Arts and Culture	All	The Radio Buena Vida Development Programme is a series of workshops that will provide training in radio production, broadcasting, presenting and DJing, building and enhancing the skills and learning of its participants and deepening their involvement and participation in the cultural life of Glasgow and their community. The workshops will include demonstrations, practical learning, discussions, networking and feedback plus real-life experience of live radio to increase participants aspirations and confidence. Radio Buena Vida will help nurture the next generation of artists in Glasgow and support them in converting their learnt skills into professional opportunities and pathways to employment.	N	N	£ 454,352.00
South	Royal Voluntary Service	Royal Voluntary Service Glasgow Community and Transport Services	S/C: Community Resources	Older People (65+)	We will deliver a community transport scheme to support older and vulnerable people to access their community by providing journeys to social activities and groups as well as medical appointments. We will also deliver an activities programme which will give older and vulnerable people the opportunity to stay active, engaged and connected to their communities. The activities will be developed with the community, meeting the priorities that they identify, with the aim of developing long term sustainable groups.	Y	N	£ 181,326.33
South	SAFETY AWARENESS GLASGOW	Supporting Transitioning Phase of Granted Asylum Seekers Refugees	Equalities	Communities of Interest/Equalities (PCs)	Our services have expanded into supporting new Scots (Asylum Seekers, refugees, A8 Nationals) who becomes successful in their Asylum/Refugee application and granted stay/leave-to-remain, with their transitioning into the society with a range of support activities e.g., reaching other government agencies e.g., Home Office, Job Centre, housing/homeless unit, school placement requests, digital support, culturally appropriate food items & other signposting as may be required per individual. These will be delivered from our office located within the community. Some of the support activities will be delivered from a hired venue also within the community. Covering beneficiaries age range 18yrs-50yrs+ and their family.	N	N	£ 97,882.00
South	Shoshin Taiko Dojo CIC	The Glasgow Great Taiko Project	Arts and Culture	All	We will deliver a series of free Japanese Taiko drumming courses for people of all ages, backgrounds, and abilities providing a fun and holistic way to promote positive physical, mental health and social inclusion in disadvantaged areas in Glasgow, based on evidence backed by many research studies. Over the 3-year project, as some people progress to Senpai (longer-standing students), they will have the opportunity to join a performance group where they would be paid for corporate performances (providing a source of income), and/or to become remunerated instructors in the Dojo.	Y	N	£ 26,038.24

South	South East Area Lifestyle Community Health Project	Inspiring Healthy Lifestyles	S/C: Health & Wellbeing	All	<p>For over 24 year's Seal have been addressing issues of exclusion, health inequalities and the need to improve the health/wellbeing of the people of Glasgow South, who face various complex life challenges, including poverty, deprivation, and long-term health conditions, ensuring all have equal access to healthier lifestyle choices.</p> <p>We aim to bring people together offering free, purposeful beneficial health activities, building a more cohesive community, that recognises and takes greater responsibility for maintaining their mental/physical health and wellbeing.</p> <p>Building their skills, capacity, resilience, offering social, practical and emotional support through facilitation therefore empowering people to reach their true potential.</p>	N	Y	£ 320,343.00
South	South East Integration Network	Improving community integration in south east Glasgow.	Equalities	Communities of Interest/Equalities (PCs)	<p>We will extend our existing work to connect and support community organisations who are supporting the most marginalised communities in SE Glasgow. We will create new opportunities for this active network of 85+ local community organisations to grow & develop. We will create opportunities for local community organisations to meet and share information about their activities and services; and we will actively facilitate positive partnerships between them. We will offer training, peer support and resource sharing opportunities, creating more skilled, confident and resilient community organisations offering more connected, effective and accessible services for people in the south east of Glasgow.</p>	N	Y	£ 295,622.00
South	South Seeds	Bringing the Changing Rooms back into community use	S/C: Pantries/Food Growing	All	<p>This project will animate the Old Changing Rooms on Queen's Park Recreation Ground by providing opportunities for residents to learn, gain experience and meet others on site. Based on an extensive public consultation with residents across G42, South Seeds identified the need for space for community activities, such as skills workshops, opportunities to learn how to grow food and outdoor low impact exercise classes. Not only will the space no longer be unsafe, derelict and an eyesore, it will become a hub for low carbon activities which will tackle isolation and support residents to learn new skills.</p>	N	N	£ 160,054.00
South	South West Community Transport	Patient Transport Service (PTS)	S/C: Community Resources	Older People (65+)	<p>PTS provides free, accessible door-to-door transport for patients between their home and hospital or GP appointments. PTS is targeted for vulnerable older people who are isolated, frail or disabled, who do not have access to a car and are unable to use public transport. It will be for those patients who do not fit with the Scottish Ambulance Service's non-emergency criteria. The only other option for those with mobility needs is to use an expensive taxi service. In today's economic crisis, travel costs should not be a concern or a barrier to older people accessing treatment for life threatening conditions</p>	Y	Y	£ 129,121.18
South	Southside Housing Association	Southside Housing Association Advice Services	S/C: Financial Inclusion	All	<p>We are requesting funding for a Financial Inclusion Assistant, to increase the resources of our Welfare Rights and Money Advice Team. The service has had over 50% rise in households requiring support, due initially to COVID and currently to the Cost of Living Crisis.</p> <p>In addition the DWP plan to migrate the remaining people on legacy benefits to Universal Credit by 2024, a large majority of our tenants are still in receipt of legacy benefits, and are vulnerable, and will require assistance to make and maintain their claims, further increasing demand for support.</p>	N	N	£ 125,280.00

South	Spider Arts (SCIO)	H.ART Tenancy Support Project	Arts and Culture	Communities of Interest/Equalities (PCs)	H.ART is a creative project designed to support struggling tenants make their house a home. Participants will attend weekly workshops to develop a 'Home Action Plan' with the project tutor, through home visits, researching, planning and attending inspiration trips. Participants will also receive one-to-one support to design and decorate their home, make and source affordable furnishings for their home and to implement what they have learned in the workshops in their own home with practical help during home visits. With a focus on sustainability, participants will have a personal budget to spend to help them achieve their Home Action Plan.	N	N	£ 147,762.00
South	Starter Packs Glasgow	V.I.P. (Volunteer Investment Programme)	S/C: Community Learning & Development	All	Our Volunteer Investment Programme (V.I.P.) will provide every Volunteer with bespoke practical and emotional support to develop new skills and maximise opportunities for personal growth which will help towards building a more resilient community and enable us to be instrumental in creating a culture of inclusiveness and diversity. This programme will promote the benefits of Volunteering, and by investing in our Volunteers, as an organisation committed to improving the lives of others, we will be actively working collectively to improve the mental health and wellbeing within this community while reducing poverty and isolation across the Glasgow City Council.	N	N	£ 219,102.00
South	Street Soccer (Scotland) Limited	Positive Change Through Football – The Glasgow Network	S/C: Sport	Vulnerable Adults (Homeless/Addictions/Mental Health/Offenders)	Our project will expand the Street Soccer network across areas of need in Glasgow, bringing weekly inclusive free drop-in football and providing wrap around support to 4 new locations. We will work with a range of local partner organisations to provide person-centred, holistic support. We will incorporate womens-only programmes with mixed sessions, focusing on mental health, wellbeing, resilience, and opportunities. We will support access to opportunities in volunteering and employment, increasing resilience against poverty. New sessions will use the Glasgow hub for education (SCQFs) and regular tournaments. This work will tackle poverty, exclusion and isolation.	Y	N	£ 306,759.05
South	Sufi Festivals	Sufi Arts Hub	Arts and Culture	Communities of Interest/Equalities (PCs)	The Sufi Arts Hub is a centre for Muslim arts and creativity in the Southside of Glasgow, providing inclusive and accessible activities free or at low cost to the Muslim community and those with an interest in Islamic Arts and Culture. A community-led project developed in response to aspirations for more opportunities in the community by Sufi Festivals SCIO, identified in part via biennial Sufi Festival programming at Tramway Theatre and The hidden Gardens (2019 and 2022), the Sufi Arts Hub will offer a range of creative activities, workshops and events in a welcoming space accessible to all the community.	N	N	£ 365,319.00
South	SUNNY GOVAN COMMUNITY MEDIA GROUP	Volunteer Co-Ordinator and Broadcast assistant posts	S/C: Community Learning & Development	All	Volunteer coordinator role will continue to develop & expand the existing work of the Govan Volunteer Bank, working with local partners ensuring that high quality, accessible volunteering opportunities are available throughout Govan. Working collaboratively to develop the skills and attributes of local volunteers, celebrate their achievements, raising our collective ability to best support local community services, resources, and wellbeing. Broadcast assistant role will support local people / community groups, to learn new skills, find their own voice and help to increase their confidence. Creating relevant and timely content to promote and support local activities and services to then community.	N	N	£ 167,548.00

South	TEAM UNITED	TEAM CHALLENGE	S/C: Families	Communities of Interest/Equalities (PCs)	Team United will work with community grassroots clubs and groups to provide a new community football pathway for young people with Autism. Extending the reach of services, developing and delivering new project activities that address the key thematic priorities and objectives of the Fund. Using football as a vehicle, a motivator, and through partnership work, we will provide opportunities for community organisations to increase their own capacity and knowledge so they can improve the physical and mental health, of the young people and establish social bonds in their community.	Y	N	£ 112,987.78
South	The Church of Scotland Social Care Council (operating as CrossReach)	CrossReach Daisy Chain	S/C: Early Years (Play and Learning)	Children/Young People (Under 25)/Families	Serving the Govanhill community, Daisy Chain uses play, nurture and family support interventions to improve the lives and life chances of children under 12 and their families who are at risk of marginalisation and discrimination. A dual approach ensures that dedicated play staff promote the development and wellbeing of children while family support workers build relationships with parents/carers, supporting them to resolve difficult situations such as marital breakdown, isolation, domestic violence and poverty. We know from our reported outcomes (stronger parent/child attachment, improved health, confidence and inclusion) that our early intervention approach works, preventing families from requiring statutory support.	N	Y	£ 448,563.00
South	The Feel Good Womens Group	Fitness and Friends	S/C: Health & Wellbeing	Communities of Interest/Equalities (PCs)	This project is called 'Fitness and Friends' and it includes one aerobic fitness class, one Zumba class and one Yoga/Pilates class a week followed by a lunch club, where the women gather after the class to socialise over a healthy meal. The purpose of the of this project is to provide our members with a safe space to exercise and socialise for free, improving both the physical and mental health standards of everyone who attends.	N	N	£ 69,612.00
South	The Glasgow Tool Library	Power Tools to the People: Expanded citywide service	S/C: Social Economy	Adults Working Age	The Glasgow Tool Library is a community-led charity based in Maryhill —now in Kinning Park and the East End too. We want to radically change the way we access and manage resources. The Tool Library works like a regular library, but instead of books, people can access tools and equipment for DIY, gardening, craft, carpentry and more. Community events and workshops are run across the city for people to learn DIY and repair skills, have their say, and come together. Help us grow a grassroots circular economy, transitioning Glasgow towards a people-centred, post-consumerist, democratic culture working for people and planet.	Y	Y	£ 42,649.65
South	The Louise Project	Families Flourish and Communities Thrive	Equalities	Communities of Interest/Equalities (PCs)	We use a relational model to provide comprehensive, well researched, holistic programmes of support to empower the Roma community, who are the most impoverished and discriminated ethnic migrants in Europe. Our programmes of support include Community Drop-in; Community Integration; Building Better Futures (+Hopeful Futures) and Building Community. We offer the community the opportunity to meet their needs, integrate into city life, learn transferable skills, develop confidence and enhance their wellbeing and self-awareness. This empowers them to commit to fulfilling their potential, to developing their capacity for self-determination and to aspire to building a better life for their family in Glasgow.	N	Y	£ 273,559.00

South	The Pollokshields Trust	The Bowling Green Phase 2	S/C: Community Resources	All	The Bowling Green opened in Spring 2020 and remained open during the Covid lockdown. We averaged footfall of 5000/month from across the community either as event participants or one of the 100 volunteers who managed events to address deprivation, disadvantage, exclusion, inequality and isolation. We acted as a refuge for fires etc in partnership with community orgs who specialised in youth, older people, active health/gardening, supply of meals, we hosted visitors to COP26. Our original lease was on a 3-year term from October 2018. From 1 October 2022 we have a 25-year lease enabling us to expand and seek investment	N	N	£ 389,620.00
South	The Queen's Park FC FOUNDATION	Stay in the Game	S/C: Sport	Children/Young People (Under 25)/Families	The aim of the project is reduce, or significantly delay the likelihood of young people between the age of 10 and 14 who live in areas of multiple deprivation on the south side of the City engaging with smoking, alcohol, and drugs harms through using football and sport as an engagement tool, by provide support and coping strategies to also deal with peer pressure to engage in these harms.	N	N	£ 74,542.00
South	The Salvation Army. The Salvation Army Govan Corps	Connected Govan	Equalities	All	Connected Govan will deliver a number of responsive and needs based service and activities in and around Govan which are developed in partnership with the local community. We will engage with the people of Govan to actively research community needs and co-design and develop projects that are responsive, supportive for all and which will lead to positive life outcomes. The programme of activities will tackle key local issues that are identified by the people of Govan; they are likely to include deprivation, disadvantage, exclusion, inequality, and isolation.	N	N	£ 113,396.00
South	The Scottish Pantry Network	Community Connectedness	S/C: Pantries/Food Growing	All	TSPN plans to extend and strengthen existing activities to create a city-wide network of sustainable pantries and community hubs, many of whom will be located within some of the city's most disadvantaged communities, and those suffering greatest from the effects of food insecurity and food poverty. Through our tailored and place-based engagement we will promote health benefits for all; increase availability and improve accessibility to healthy foods, create opportunities to deliver food education, and promote social interaction further helping to tackle isolation, mental health, and wellbeing. While continuing to support existing and new TSPN members.	Y	N	£ 228,939.00
South	The Urban Roots Initiative	Eating Well Together	S/C: Health & Wellbeing	All	We will deliver a programme of healthy cooking courses, facilitated peer-led lunch clubs, and community meals in economically disadvantaged communities across the Southside of Glasgow. The work is aimed at building practical cooking skills and confidence, supporting people to eat healthily on a budget, increasing knowledge of nutrition, seasonality and the environmental impact of food. An important part of our work is the social aspect of cooking and eating together as a group: tackling social isolation, building community cohesion and increasing mental and physical wellbeing among marginalised, vulnerable and socially excluded groups of people.	N	Y	£ 151,731.00
South	The Work Room (Dance) Ltd	Engaging in Dance	Arts and Culture	Adults Working Age	'Engaging in Dance' will increase the employability, capacity, resilience and support the diversity of freelance dance artists working in Glasgow through a programme of skills development, addressing inequalities and supporting people into paid employment. Our overarching aim for this project is to support a vibrant and skilled community of dance artists in Glasgow, who are then creating activities for more people and communities to participate in the cultural life of Glasgow.	Y	N	£ 65,669.60

South	Thenue Communities	Community Creations	S/C: Community Resources	All	At the request of the communities, Thenue Communities are looking to expand on the current Community Creations Project to include both Netherholm and Calton. This Project will support the community groups and individuals to increase their capacity, to be more involved in local decision-making processes, attract funding to the areas, maximise allocation and usage in Netherholm Community Hall and Calton Heritage and Learning Centre. Communities will play a more active role in decision-making processes so that they can improve the quality of life and lifestyle for the communities they represent, become more independent, self-reliant, and have a more representative voice.	Y	Y	£ 94,248.50
South	Thenue Housing Association Ltd.	Communities Connected	S/C: Community Learning & Development	All	Communities Connected will tackle poverty and inequality through social inclusion and regeneration activities. The aim is to provide services that will improve people's quality of life by improving financial capabilities, reduce isolation, and improve wellbeing and provide opportunities for community-based learning and education. Adopting an approach where digital can be a catalyst to improve lives, this project will benefit those facing a range of barriers and multiple levels of deprivation. Communities Connected will raise the aspirations and confidence of participants and communities with locally delivered support based on need, empowering local people, building capacity and providing meaningful opportunities.	Y	N	£ 79,541.58
South	Thriving Survivors	Healing circles	S/C: Families	Vulnerable Adults (Homeless/Addictions/Mental Health/Offenders)	Development and delivery of Restorative Justice services for complex cases, based in Glasgow. The service will provide an opportunity for those harmed to participate in restorative conversations with others who were involved or have been affected by the harm including the person(s) responsible, family, friends, community and CJS organisations, while also providing an exit service for those for whom the RJ process is too risky.	Y	N	£ 183,778.00
South	Toryglen Community Base	Toryglen Community Base	S/C: Community Resources	All	Deliver a range of services, such as facilities management, computer suite, training and public phone which facilitates the individual's opportunity to raise resilience and reduce pressures. Activities delivered; a weekly get together (Elevenses), to reduce isolation and create a "safe space" to nurture emotional wellbeing for those who feel, for whatever reason, an element of vulnerability. Stitch in Time; a weekly craft class, to celebrate social capital and learn new skills. A weekly community meal to promote community cohesion and reduce financial pressures. Five community events throughout the year which promotes community engagement, and enhances community cohesion and reduces isolation.	N	Y	£ 557,632.00
South	TPAS Scotland	Engage Young Glasgow	S/C: Community Resources	All	To develop with school(s), youth services and social landlord(s) opportunities for young people to consider housing options, engagement opportunities in housing and housing as a career. To pilot the approach in a Glasgow community and aiming to extend throughout the city (and beyond) making adjustments to fit local requirements. Project identified and discussed with Drumchapel High School and Drumchapel Housing Association.	Y	N	£ 47,775.43
South	Ubuntu Scotland	Equity in Education	S/C: Community Learning & Development	Communities of Interest/Equalities (PCs)	The Equity in Education project will address the lack of life skills tuition available to children and young people from disadvantaged, diverse or asylum/refugee backgrounds. The project will build upon our current expertise in this area, and increase our capacity to offer free and accessible workshops in life skills within different community areas. We use the untapped talent in the community, people with time and knowledge to give, to carry out the workshops. We ensure a fully holistic approach by having regular family events, bringing together children, their families and stakeholders and creating lasting community connections in a safe environment.	Y	N	£ 71,944.57

South	Urban Uprising	Urban Uprising Elevate & Inspire Glasgow	S/C: Sport	Children/Young People (Under 25)/Families	Our Elevate & Inspire project provides developmental climbing activities for disadvantaged or vulnerable young people in Glasgow, with the aim of increasing confidence, improving mental health and resilience and increasing participation in physical activity. Programmes include 1.5 hour group sessions at a climbing wall with a professional instructor and trained volunteer coach, who work together to use climbing skills as a tool for improving health and wellbeing. Having run these activities successfully for several years in different wards across the city, we seek funding for longer-term delivery commitments with key youth organisations that promote inclusion and community cohesion.	Y	N	£ 30,248.00
South	Voluntary Sector Voice	Developing and strengthening connections	S/C: Community Learning & Development	Communities of Interest/Equalities (PCs)	As the voluntary sector network for south Glasgow, we support and develop voluntary and community organisations (VCOs) operating in the area to deliver services and build resilient communities. We facilitate regular meetings across the area, where VCOs share information about their current activities; discuss common issues; identify opportunities for joint working; publicise events; and network with others in the sector. We enable communities to participate in community planning and other structures by supporting voluntary sector and community representatives on Area and Sector Partnerships to contribute effectively to those structures by ensuring that they have the necessary skills and knowledge.	N	N	£ 233,623.00
South	W.I.L.D. Woodland Inspired Learning and Development CIC	W.I.L.D. Community Engagement Programme	S/C: Community Resources	All	W.I.L.D. CIC, exist to 'foster community connections with nature'. We run outdoor sessions in Linn Park including: Home Ed (children not attending school), after school care, weekend sessions and school holiday care provision. We are Care Inspectorate registered and have been working with community groups, primary and secondary schools in Linn Ward. W.I.L.D. are running a project (1 year) in Castlemilk engaging local residents in Netherholm to connect with their green space. We would like to develop this project into a community woodland, removing litter, fly tipping and antisocial behaviour. Installing paths, creating accessible, safe entry for all residents.	N	N	£ 85,874.00
South	Weekday Wow Factor	Weekday Wow Factor- Free Community Daytime Discos	S/C: Health & Wellbeing	Older People (65+)	We aim to continue providing free community based daytime discos with light lunch to community members the top deprived areas of greater Glasgow in Community halls. To enhance physical, mental and social health and to reduce loneliness, ageism and health and leisure poverty for community members aged 50 plus. This will take place in Glasgow North West, Glasgow North East and Glasgow South. We will continue to work with existing Partners, such as Glasgow HSCP, local partners from third sector and Housing Associations to deliver our projects with the assistance of staff and volunteers.	Y	N	£ 31,737.33
South	Wing Tsjun Scotland SCIO	The WOMANity Project	S/C: Health & Wellbeing	Communities of Interest/Equalities (PCs)	The WOMANity Project will deliver self defence and wellbeing classes to over 1000 disadvantaged and vulnerable women in Glasgow. The project is to develop and expand to five locations in the South and East of Glasgow. Alongside specialised self defence courses to partner organisations, the programme will also include school, college and university based prevention activities for over 2000 girls and young women and recruitment and training of volunteers to further support the project .
