

Audit Scotland – Management report 2018/19 noted.

6 There was submitted a report by Audit Scotland on its 2018/19 Management report for this Council, which

- (1) summarised Audit Scotland's assessment of the key issues identified during the interim audit work carried out at this Council; and
- (2) detailed the audit work that would be carried out by Audit Scotland for 2018/19 to address those issues.

After consideration and having heard E Carrigan, Audit Scotland, the committee noted the report.
