

City Centre Strategy - Draft St Enoch District Regeneration Framework (Ward 10) – Public consultation approved.

6 Councillor Aitken, Leader of the Council and City Convener for Inclusive Economic Growth, presented a report regarding the progress in developing the St Enoch District Regeneration Framework (SEDRF) (Ward 10), advising

- (1) that the City Centre Strategy 2014-19 comprised of 55 ambitious actions, including the development of a district strategy for each of the 9 city centre districts, with the district strategy comprising of 2 elements, as detailed in the report;
- (2) that the SEDRF was commissioned in 2017 as a group of 4 District Regeneration Frameworks, incorporating the Blythswood, Central and Broomielaw districts in addition to St Enoch and the SEDRF had been prepared in collaboration with a wide range of stakeholders and consultees, as detailed in the report;
- (3) that the recommendations and proposals had undergone a detailed review, with a focus on deliverability and a rationalised draft action plan had been produced for consideration as part of the proposed public consultation;
- (4) of the overall findings of the SEDRF and the 7 strategic themes, which had been developed for the SEDRF and associated draft action plan;
- (5) of the delivery and governance arrangements; and
- (6) that it was proposed to commence an 8-week public consultation on the draft SEDRF from 14th June 2019.

After consideration, the committee

- (a) approved the proposals to commence public consultation on the draft SEDRF;
- (b) agreed that
 - (i) the public consultation would commence on 14th June 2019 for a period of 12 weeks; and
 - (ii) on completion of the public consultation, the SEDRF final report would be submitted to this committee for approval; and
- (c) noted that the District Regeneration Frameworks would become Supplementary Planning Guidance to the City Development Plan after the City Centre Strategic Development Framework had been approved.
