

Council annual summary performance report 2018/19 approved.

7 With reference to the minutes of the Operational Performance and Delivery Scrutiny Committee of 21st August 2019 (Print 3, page 188) noting that a public performance report would be compiled and published, which would provide a page per theme snapshot drawn from the Council Strategic Plan progress report, there was submitted a report by the Chief Executive regarding the summary performance report for 2018/19

- (1) advising that the Council was required to publish a performance report under its duty of Best Value and to balance the requirements for more accessible information while ensuring sufficient detail and transparency for scrutiny, 2 reports had been produced, namely the Strategic Plan Progress report and a summary public performance report; and
- (2) detailing the public performance report 2018/19, which provided narrative highlights in the form of a page for each of the 7 the priority themes set out in the Strategic Plan.

After consideration, the committee approved the Council's annual performance report 2018/19.
