

Tidal weir – Update noted.

3 With reference to the minutes of 28th November 2017 (Print 4, page 418) instructing a report on the cost of the Tidal Weir and embankment repairs, there was submitted and noted a report by the Executive Director of Neighbourhoods and Sustainability regarding the Tidal Weir programmed repair works, advising

- (1) of the feasibility study, the costs associated with the repair of the Tidal Weir and the timetable of programmed works; and
- (2) that monitoring reports would be provided during the repair works.
