1 Background

1.1 On 22nd April 2021 the City Administration Committee considered a report on proposed amendments to the Terms of Reference of this committee. A copy of the report can be viewed at [Committee Information - View Committee Document \(glasgow.gov.uk\)](https://www.glasgow.gov.uk/committees/committees-information/view-committee-document).

1.2 The committee agreed that the Terms of Reference of this committee would be amended to include

- progress updates on specific action from both Council and Glasgow Life officers on how the People Make Glasgow Communities programme is delivering community empowerment, capacity building and partnership engagement; and
- a specific reference to culture, sport and leisure, and to receive updates on these areas, and on their impact on wellbeing in the city. For the avoidance of doubt, such reports to WECCE will not cover performance of culture, sport and leisure services, the scrutiny of which remains within the remit of the Operational Performance and Delivery Scrutiny Committee (OPDSC).
