

PETITION FOR CONSIDERATION

ITEM NUMBER	DATE RECEIVED	PETITION TITLE AND PETITION STATEMENT	WARD(S) AFFECTED	TOTAL NUMBER OF SIGNATURES
2	18th October 2020	<p>Pupils wellbeing during COVID – Our school children have no indoor area for breaks/lunches during COVID. They are expected to stand outside in all weathers to eat their lunch. They have very limited sheltered areas and very limited seating areas yet the school refuses to allow them indoors, unless they are S5/6. We need a warm dry safe area for our children to be able to shelter in heavy wind & rain and freezing temperatures. The schools are not providing this and their answer is that they are following government guidelines. Glasgow City Council need to step in to ensure our children are looked after properly in these times.</p>	Ward 3	143
