

Operational performance report and progress on “A Healthier City” theme noted.

2 There was submitted a report by the Interim Chief Officer, Glasgow City Health and Social Care Partnership regarding progress made by partners in delivering the activities which supported the “A Healthier City” theme, which was underpinned by the objectives within the Council’s Strategic Plan 2017-22, along with an operational performance report in respect of the Glasgow City Health and Social Care Partnership.

After consideration, and having heard a presentation by Ms A Eccles, Head of Business Development, Glasgow City Health and Social Care Partnership, the committee

- (a) noted the report; and
- (b) thanked Ms Eccles for her presentation.
