

## **Glasgow's Climate Plan approved.**

7 With reference to the minutes of the Environment, Sustainability and Carbon Reduction City Policy Committee of 8th June 2021 (Print 2, page 113) when it was agreed to recommend to this committee approval of the Climate Plan, Councillor Richardson, City Convener for Sustainability and Carbon Reduction, presented a report on the plan, advising

- (1) of the steps taken to develop the proposed plan in response to the 61 recommendations presented by the Climate Emergency Working Group and the 25 recommendations presented by the Ecological Emergency Working Group;
- (2) of the proposed changes to the Plan, including renaming as Glasgow's Climate Plan, to take account of the consultation responses and the recommendations of the Ecological Emergency Working Group;
- (3) that the Plan, detailed in the Appendix to the report, provided the Council's response to the Climate and Ecological Emergency and outlined the progress that had been made to date, set out a course for further work and key actions; and
- (4) of the proposed next steps.

After consideration, the committee

- (a) noted
  - (i) the Council's action in response to the recommendations made by the Climate Emergency Working Group and by the Ecological Emergency Working Group; and
  - (ii) the outcome of public conversations and the response to those; and
- (b) approved Glasgow's Climate Plan.
