Our ref: DECISION
GCC Application Ref: **18/02243/FUL**

16 March 2020

Dear Sir/Madam

SITE: Site Adjacent To 1257 London Road Glasgow

PROPOSAL: Erection of two storey events venue (Class 11), with covered external seating area and use of 5no. steel container units as hot food takeaway outlets to site, service yard, landscaping and formation of security fencing

I am pleased to inform you that a decision to approve your application, **18/02243/FUL** has now been taken.

A copy of the decision notice is attached with any appropriate conditions/notes which should be read together with the decision.

The decision notice is a legal document and should be retained for future reference.

Should you require any additional information regarding the decision, please contact the case officer **Gerry Mimmagh** on direct phone **0141 287 8639**, or email **gerry.mimmagh@glasgow.gov.uk**, who will be happy to help you.

Yours faithfully

for Executive Director of Development and Regeneration Services

Encls.

PLANNING DECISION NOTICE

Full Planning Permission GRANTED SUBJECT TO CONDITION(S)

IN RESPECT OF APPLICATION 18/02243/FUL

Erection of two storey events venue (Class 11), with covered external seating area and use of 5no. steel container units as hot food takeaway outlets to site, service yard, landscaping and formation of security fencing

AT

Site Adjacent To 1257 London Road Glasgow

AS SHOWN ON THE APPROVED PLAN(S)

This consent is granted subject to the following **condition(s)** and **reason(s)**:

01. Light from the development shall not give rise to: (a) An "Upward Waste Light Ratio" (maximum permitted percentage of luminaire lux that goes directly to the sky) in excess of 15% (b) A "Light Into Windows" measurement in excess of 10Ev (lux). (Ev is the vertical luminance in lux.) (c) "Source Intensity" measurement in excess of 100 Kcd (kilocandela). (Source Intensity applies to each source in the potentially obtrusive direction out of the area being lit.)

Reason: In the interests of limiting the effects of light pollution on the environment and the users of surrounding developments, and of energy efficiency.

02. Noise from or associated with the completed development (the building and fixed plant) shall not give rise to a noise level, assessed with windows closed, within any dwelling or noise sensitive building in excess of that equivalent to Noise Rating Curve 35 between 0700 and 2200, and Noise Rating Curve 25 at all other times.

Reason: To protect local residents from exposure to noise and disturbance at unsocial hours.

03. Before any work on the site is begun, details of refuse and recycling storage areas and bins shall be submitted to and approved in writing by the planning authority. These facilities shall be completed before the development/the relevant part of the development is occupied.

Reason: To ensure the proper disposal of waste and to safeguard the environment of the development.

04. Acoustic/amplified music from the premises shall not give rise to a noise level, assessed with windows closed, within any dwelling or noise sensitive building in excess of that equivalent to Noise Rating Curve 35 between 0700 and 2200, and Noise Rating Curve 25 at all other times.

Reason: To protect the occupiers of dwellings or noise sensitive buildings from excessive noise.

05. Prior to the commencement of development, full design details and external materials for the proposed boundary treatment shall be submitted to the planning authority for written approval. Thereafter, the approved details shall be implemented in full before use of the premises commences.

Reason: To enable the Planning Authority to consider this/these aspect(s) in detail.

06. Prior to the commencement of use, a comprehensive and detailed public management plan for the external space shall be submitted to the planning authority for written approval.

Reason: To enable the Planning Authority to consider this/these aspect(s) in detail.

07. Before any work on the site is begun, a scheme of landscaping shall be submitted to and approved in writing by the planning authority. The scheme shall include hard and soft landscaping works, boundary treatment(s), details of trees and other features and a programme for the implementation/phasing of the landscaping in relation to the construction of the development. All landscaping, including planting, seeding and hard landscaping, shall be completed in accordance with the approved scheme.

Reason: To enable the Planning Authority to consider this/these aspect(s) in detail.

08. The use of the events premises shall be restricted to the following days and hours of operation: Monday - Sunday 09:00 to 24:00

Reason: To protect the occupiers of dwellings or noise sensitive buildings from excessive noise.

09. The use of the outdoor area shall be restricted to the following days and hours of operation: Monday - Sunday 09:00-21:00

Reason: To protect the occupiers of dwellings or noise sensitive buildings from excessive noise.

10. Samples shall be submitted to and approved by the Planning Authority in writing in respect of type, colour and texture. Written approval shall be obtained before the materials are used on site.

Reason: In order to protect the appearance of both the property itself and the surrounding area

11. No surface water runoff from the development will be permitted to discharge to any watercourse without the approval of Glasgow City Council. Final details of the proposed surface water drainage design and SUDS (Sustainable Urban Drainage Systems) features shall be submitted to Glasgow City Council for review and comment before construction works commence on site.

Reason: To minimise the risk of flooding and its adverse effects.

12. Prior to installation on site final details in respect of the design of the proposed containers to be installed on site shall be submitted for the written approval of the Planning Authority.

Reason: In order to protect the appearance of both the property itself and the surrounding area

13. The site of the containers at the approved application site is limited to 3 years from the date of approval; after which time their use on site shall cease and the containers be removed within 1 month.

Reason: Having regard to the temporary nature of the proposed development.

Approved Drawings

The development shall be implemented in accordance with the approved drawing(s)

1. 1894/H/015 SECTIONS AND ELEVATIONS Received 28 August 2018
2. 16 PROPOSALS Received 2 March 2020
3. 1894/H - GROUND FLOOR PLAN AS PROPOSED AND BLOCK PLAN Dated 25.07.2018
Received 25 July 2018
4. LOCATION PLAN Dated 25.07.2018 Received 25 July 2018

As qualified by the above condition(s), or as otherwise agreed in writing with the Planning Authority

Dated: 16 March 2020

**Appointed Officer
Development and Regeneration Services
Glasgow City Council**

THIS DECISION NOTICE SHOULD BE READ WITH THE ATTACHED ADVICE NOTES

IMPORTANT NOTES ABOUT THIS GRANT OF PLANNING PERMISSION

IT IS YOUR RESPONSIBILITY TO SATISFY YOURSELF WITH REGARD TO THE MATTERS LISTED BELOW PRIOR TO IMPLEMENTATION OF THE WORKS WHICH ARE THE SUBJECT OF THIS CONSENT.

DURATION OF PLANNING PERMISSION

This permission lapses **3 years** from the date on this notice unless the development is begun before then and unless this notice specifies a longer or shorter period. Where there is such a specification, the permission lapses the specified number of years from the date on this notice unless the development is begun before then.

CONDITIONS OF THIS NOTICE

By this notice, your proposal has been approved subject to conditions which are considered necessary to ensure the satisfactory implementation of the proposal. **It is important that these conditions are adhered to and these will be actively monitored to ensure this. Failure to comply with conditions may result in enforcement action being taken.**

RIGHTS OF APPEAL

If you are not satisfied with the terms of this decision, including the conditions attached to the planning permission, you may request a review within **three months** of the date on this notice. Please note that the right of appeal is to the Planning Local Review Committee of the Council and **not** to Scottish Ministers.

Before pursuing a review, you should consider contacting your case officer to discuss whether there are changes which could be made to the proposed development to make it acceptable. The case officer's contact details are on the letter accompanying this Decision Notice. Your case officer can also advise on how a fresh application could be submitted. Please note that if you do submit a fresh application within 12 months, you would be unlikely to have to pay a further planning fee.

Before contacting the case officer, you would be well advised to view the report on the application. It is available for inspection at <https://publicaccess.glasgow.gov.uk/online-applications/> or electronically at Development and Regeneration Services, Development Management, 231 George Street, Glasgow G1 1RX, Monday to Thursday 9am to 5pm and Friday 9am to 4pm (excluding public holidays). The report explains how the decision was reached and should help you decide whether to proceed with further discussion or a review. If your application was granted subject to conditions, it may be clear from the terms of the report that any conditions which you might be concerned about are necessary.

A notice of review must be served on the Planning Local Review Committee on Form LR01 obtainable from:-

**Planning Local Review Committee
Development & Regeneration Services
231 George Street
Glasgow
G1 1RX
Tel: 0141 287 6016, Fax: 0141 287 2037
E-mail: lrc@drs.glasgow.gov.uk**

The notice of review must include a statement setting out your reasons for requiring the Planning Local Review Committee to review this case. You must state by what procedure (written representations, hearing session(s), inspection of application site) or combination of procedures you wish the review to be conducted. However, please note that the Planning Local Review Committee will decide on the review procedure to be followed.

You must also include with the notice of review a copy of this decision notice, the planning application form, the plans listed on the decision notice and any other documents forming part of the proposed development as determined. If you have a representative, you must give their name and address. Please state whether any notice or other correspondence should be sent to the representative instead of to you.

NOTICES OF INITIATION AND COMPLETION

Under Section 27A of the Act, the person undertaking the development is required to give the planning authority written notification of the date on which it is intended to commence the development. Failure to comply with this statutory requirement would constitute a breach of planning control under Section 123(1) of the Act, which may result in enforcement action being taken. A pro-forma is attached to this decision which can be used for this purpose.

As soon as practicable after the development is complete, the person who completes the development is obliged by Section 27B of the Act to give the planning authority written notice of that position. A pro-forma is attached to this decision which can be used for this purpose.

OWNERSHIP OF THE SITE

This consent only grants permission to develop on land of which you are the owner or have obtained the necessary consents from the owners of land or buildings.

If permission to develop land is granted subject to conditions, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he/she may serve on the planning authority a purchase notice requiring the purchase of his/her interest in the land in accordance with the provisions of Part V of the Town and Country Planning (Scotland) Act 1997.

BUILDING WARRANT

This permission does not exempt you from obtaining a Building Warrant under the Building (Scotland) Acts. For further information, please contact Building Control within Development and Regeneration Services, 231 George Street, Glasgow, G1 1RX on 0141 287 5937.

ROADS CONSTRUCTION CONSENT

This permission does not exempt you from obtaining a Roads Construction Consent under the Roads Scotland Act 1984. For further information please contact Roads and Transportation, within Land and Environmental Services, 20 Cadogan Street, Glasgow, G2 7AD on 0141 287 9000

DISABLED ACCESS

You are reminded that in providing premises (including university and school buildings, offices, shops, railway premises, factories and toilets) which are open to the public, you should make provision, where reasonably and practicable, for the means of access and parking to be designed to meet the needs of disabled people. This should include appropriate signposting indicating the availability of these facilities. Your attention is specifically drawn to the BSI Code of Practice on Access for the Disabled to Buildings (BS 5810:1979) which explains the manner in which appropriate provision can be made for the needs of disabled people in the design of buildings. For further information please contact Building Control on 0141 287 5937.

WORK INVOLVING GROUND EXCAVATION

The attention of any applicant proposing works involving ground excavation is drawn to the DIAL BEFORE YOU DIG website at www.national-one-call.co.uk. This provides access to information regarding the location of services to prevent damage to plant from uninformed ground excavation.

SMALL FORMAT POSTERS

The City Council acknowledges the contribution that tourism, cultural, leisure and entertainment activities including film and theatre, music and dance, make to the economy and vitality of the City. Such activities tend to be advertised in small poster format (flyposting) which, if uncontrolled, can seriously detract from the appearance of the City. The City Council is working with the postering industry to prevent this, whilst accommodating the aspirations of the industry. It has approved a report stating that, where developments incorporate site screening panels prior to or during building operations, developers are encouraged to be receptive to approaches by the postering industry to accommodate an element of posting, in a controlled way, on the screen panels. It should be noted that any such posting will require separate Express Consent, usually sought by the advertiser, from the City Council to ensure that an acceptable standard of display is achieved. Developers are invited to assist the Council's initiative with the postering industry by making suitable sites available, as indicated above.

COMMUNITY BENEFIT

Glasgow City Council (GCC) has developed a policy on Community Benefit to ensure that Glasgow secures the maximum economic and social benefit for residents and businesses from planned investment being made in the city.

The policy introduces measures to encourage:

- the targeted recruitment and training of those furthest from the job market, the long-term unemployed and individuals leaving education
- the advertising of sub-contracted business opportunities
- dedicated support for small to medium sized businesses (SMEs) and social enterprises (SEs) to build capacity.

These elements have been included in the development of the Commonwealth Arena, the Commonwealth Games Athletes' Village and the Hydro Arena at the SECC, among others, with significant success to date.

The Council is now working with Private Sector developers to maximise the impact of their investment in the City, for example Land Securities, developer of Buchanan Galleries. Significant assistance is available from various Public Sector agencies to achieve these outcomes and the support private contractors.

Should you wish to discuss these opportunities in more detail, please contact the Council's Community Benefit Programme Manager on 0141 287 6014.

Further background information on the Community Benefit model can be found at;

<http://www.scotland.gov.uk/Publications/2008/02/12145623/1>

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

Notice under Section 27A Notification of Initiation of Development

THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE) (SCOTLAND) REGULATIONS 2008

Notice under Regulation 37 Notification of Initiation of Development

A person who intends to carry out development for which planning permission has been given, must, as soon as practicable after deciding on a date on which to initiate the development and in any event before commencing the development, give notice to Glasgow City Council by returning this completed Notice. It should be addressed to Glasgow City Council, Development and Regeneration Services, Development Management, 231 George Street, Glasgow G1 1RX

FAILURE TO SUBMIT THIS NOTICE PRIOR TO COMMENCING WORK IS A BREACH OF PLANNING CONTROL UNDER SECTION 123(1) OF THE 1997 ACT AND ENFORCEMENT ACTION MAY BE TAKEN.
