Chaidh am Plana Gàidhlig seo a dheasachadh ann an co-rèir ri Earrann 3 de Achd na Gàidhlig (Alba) 2005. Chaidh aonta a chur ris air 17 Lùnastal 2023 le Bòrd na Gàidhlig ann an co-rèir ri Earrann 5(1)(a) de Achd na Gàidhlig (Alba) 2005.

'This Gaelic Language Plan was prepared in accordance with section 3 of the Gaelic Language (Scotland) Act 2005. It was approved on the 17 August 2023 by Bord Na Gaidhlig in accordance with Section 5 (1) (A) of the Gaelic Language (Scotland) Act 2005.'

FACAL-TOISICH

Is e seo an ceathramh **Plana Gàidhlig** aig Comhairle Baile Ghlaschu agus tha e a' sruthadh a-mach bho na trì planaichean roimhe sin. Is e àrd-amas agus soirbheachadh an dà phrìomh chuspair sa phlana seo. Ro 2028, bidh Gàidhlig nas ruigisinniche, air a labhairt nas fharsainge, nas fhaicisinniche agus air a comharrachadh barrachd ann an Glaschu na ann am baile-mòr sam bith eile air an t-saoghal. **Tha a' Ghàidhlig na cànan do na h-uile.**

Tha i mar aon de mhòran chànanan air an labhairt anns a' bhaile againn, a' cur gu mòr ri saidhbhreas iomadachd a' bhaile. Is e ar n-àrd-amas gu bheil a' Ghàidhlig air a h-aithneachadh agus air a comharrachadh mar nuadh-chànan a tha fosgailte do na h-uile, air a cleachdad gach latha, chan ann a-mhàin nar sgoiltean no sna meadhanan ach cuideachd ann an suidheachaidhean obrach is sòisealta eile. Tha sinn ag iarraidh gum bi barrachd dhaoine ag ionnsachadh agus a' cleachdad a' chànan gu nàdarra agus gu misneachail nam beatha làitheil.

Chan eil a' Ghàidhlig a' farpais ris a' Bheurla no ri cànan sam bith eile. Tha sinn a' meas gum bi a' Ghàidhlig a' faotainn spèis co-ionann ri Beurla ann am planadh agus lìbhrigeadh air raon nas fharsainge de sheirbheisean poblach is prìobhaideach. Gus seo a dhèanamh, tha sinn ag iarraidh gum bi a' chomhairle, a com-pàirtichean agus luchd-ùidhe eile ag obair còmhla gus àrainneachd bhrosnachail agus bun-structar làidir a chruthachadh airson cothrom soirbheachaidh don Ghàidhlig.

FOREWORD

This is Glasgow City Council's fourth **Gaelic Language Plan** and it flows from the previous three. Two key themes in this plan are ambition and success. By 2028 Gaelic will be more accessible, more widely spoken, more visible and more celebrated in Glasgow than in any other city in the world. **Gaelic is a language for all.**

It is one of many languages spoken within our city, adding to our rich diversity. Our ambition is that Gaelic is recognised and celebrated as a modern language open to all, used every day, not just in our schools or media but also in other social and work settings. We want more people learning and using the language naturally and confidently in their everyday lives.

Gaelic is not competing with the English language or any other language. We want Gaelic to have equal respect with English in the planning and delivery of a wider range of public and private services. To do this we want the council, its partners and other stakeholders working together to create an encouraging environment and improved infrastructure for Gaelic to flourish.

Buinidh a' Ghàidhlig don bhaile againn agus tha i air a bhith na pàirt ghnèitheach de ar cultar saidhbhir agus ar dualchas. Tha sinn airson 's gum bi a' Ghàidhlig air a h-aithneachadh uile-choitcheann mar stòras gun choimeas agus na stiùir dheimhinneach air adhartas agus soirbheachadh ann an Glaschu. Tha sinn a' coimhead ri tuigse mheudaichte agus neartachadh air na ceanglaichean eachdraidheil a tha a' co-dhlùthadh na Gàidhlig anns a' bhaile, sna glinn, sna h-eileanan agus thall-thairis.

Tha buileachadh air a' phlana seo ag iarraidh stiùireadh aig gach ire. Tha feum air meudachadh sna goireasan a tha riaraichte airson adhartachadh is mothachadh don chànan, agus tasgadh dearbhach don chànan agus don bhaile againn mu choinneamh an ama ri teachd. Is e plana mionaideach a tha seo, plana beò. Buinidh e do mhuinntir Ghlaschu uile. 'S e am plana agaibhse a th' ann. Feuch gun tèid sibh an sàs ann.

Gaelic belongs to our city and has been an intrinsic part of our rich culture and heritage. We want Gaelic to be universally recognised as a unique asset and a positive driver of progress and success in Glasgow. We want an increased understanding and strengthening of the historical connections that bind Gaelic in the city, the glens, the islands and overseas.

The implementation of this plan requires leadership at all levels. It requires an increase in resources allocated to the promotion and awareness of the language, a positive investment for the future of our language and city. This is a detailed plan, a live plan. It belongs to all Glaswegians. It is your plan. Please engage with it.

ACHD NA GÀIDHLIG (ALBA) 2005

Chaidh gabhail ri Achd na Gàidlig (Alba) 2005 le Pàrlamaid na h-Alba leis an amas air inbhe na Gàidhlig a dhèanamh tèarainte mar chànan oifigeil ann an Alba, ag àithneadh spèis co-ionann ri Beurla.

Is e aon de phriomh fheartan na h-Achd 2005, an solar a tha a' comasachadh do Bhòrd na Gàidhlig riatañas a chur air ùghdarris poblach gu plana Gàidhlig ullachadh. Chaidh an solar seo a dhealbhadh gus dèanamh cinnteach gum bi an roinn phoblach ann an Alba a' coileanadh a pàirt ann an cruthachadh àm teachdail seasmhach don Ghàidhlig, le bhith ag àrdachadh inbhe agus iomhaigh a' chànan agus a' cruthachadh chothroman dèanadach airson a cleachdad.

GÀIDHLIG ANN AN ALBA

Aig a' chunntas-sluagh mu dheireadh ann an 2011, b' e 87,000 an àireamh iomlan de dhaoine aois trì bliadhna agus còrr le sgilean Gàidhlig (labhairt, leughadh, sgrìobhadh, tuigsinn Gàidhlig). Dhiubh sin, thuirt 57,375 gur e luchd-labhairt Gàidhlig a bh' annta. B' e crionadh beag a bha seo bho 2001 nuair a bha an àireamh de luchd-labhairt aig 58,652.

Nochd cunntas-sluagh 2011 cuideachd meudachadh de 10% ann an luchd-labhairt na Gàidhlig fo aois 15 bliadhna, àireamh dheimhinneach airson ath-bheothachadh na Gàidhlig. Mheudaich sin, còmhla ri meudachadh ann an àireamhan ag ionnsachadh Gàidhlig, iarrtas airson Foghlam tro Mheadhan na Gàidhlig, agus tha fàs ann an cleachdad na Gàidhlig ann an roinnean cruthachail,

INTRODUCTION

THE GAELIC LANGUAGE (SCOTLAND) ACT 2005

The Gaelic Language (Scotland) Act 2005 was passed by the Scottish Parliament with a view to securing the status of the Gaelic language as an official language of Scotland commanding equal respect to the English language.

One of the key features of the 2005 Act is the provision enabling Bòrd na Gàidhlig to require a public authority to prepare a Gaelic language plan. This provision was designed to ensure that the public sector in Scotland plays its part in creating a sustainable future for Gaelic by raising the status and profile of the language and creating practical opportunities for its use.

GAELIC IN SCOTLAND

At the last census in 2011, the total number of people aged 3 and over with Gaelic skills (speak/read/write/understand Gaelic) was 87,100. Of those, 57,375 stated that they were Gaelic speakers. This was a small decline from 2001 when there were 58,652 speakers.

The 2011 census also revealed a 10% increase in Gaelic speakers below the age of 15, a positive number for Gaelic revival. That, along with increased numbers learning Gaelic, increased demand for Gaelic Medium Education, and a growth in the use of Gaelic in creative sectors are all encouraging factors.

SUIRBHIDH BHEACHDAN SÒISEALTA NA H-ALBA 2021

Ann an 2021, ghabh suirbhidh Bheachdan Sòisealta na h-Alba a-steach ceistean mun Ghàidhlig airson a' chiad uair bho 2012. Cheadaich seo do Rannsachadh Sòisealta ScotCen air atharrachaidhean ann am beachdan thar nan deich bliadhna, a sgrùdadh.

The launch of Gaelic on the Duolingo app in 2020 sparked positive headlines, with more than 500,000 learners across the world signing up. This equates to more than nine times the number of Gaelic speakers in Scotland. In response to Covid-19 many Gaelic learning providers have adapted their service to online delivery which has opened further opportunities for individuals to learn the language.

The influence of Gaelic in our placenames cannot be underestimated and this map, produced by Bòrd na Gàidhlig and Ainmean Àite na h-Alba, highlights the widespread influence of the language.

SCOTTISH SOCIAL ATTITUDES SURVEY 2021

In 2021, the Scottish Social Attitudes survey included questions on Gaelic for the first time since 2012. This allowed ScotCen Social Research to analyse changes in attitudes over the decade.

Lorg iad meudachadh anns a' cho-chuid de dh'inhich ann an Alba:

- a tha ag aontachadh le clann ann an Alba a bhith air an oideachadh ann an Gàidhlig mar chuspair sgoile airson uair a thìde no dhà gach seachdain.
- a' creidsinn gu bheil Gàidhlig cudromach do an dualchas chultarach fhèin.
- a' creidsinn gu bheil ro bheag de dh'airgead poblach ga chosg air Gàidhlig gu làithreach gach bliadhna.
- leis am bu mhath barrachd luchd-labhairt Gàidhlig a bhith ann an Alba ann an 50 bliadhna.

Thuirt faisg air dà thrian de phannal na suirbhidh (iomlan de 1,365 aos 18 agus còrr air feadh Alba), gum bu mhath leotha Gàidhlig a labhairt nas fheàrr na tha iad an-dràsta. Tha seachd a-mach à deich ag aontachadh gu bheil ionnsachadh na Gàidhlig a' toirt faireachdainn math de choileanadh do neach. Bho liosta de sheachd cànanan, chuir 37% Gàidhlig san dà chànan as àirde a tha iad den bheachd as cudromaire do chlann ann an Alba a bhith ag ionnsachadh, a' dèanamh Gàidhlig mar an tritheamh cànan as mothair a bheil meas, às dèidh Spàinnis (53%) agus Fraingis (51%).

Thuirt 44% de dhaoine gun robh iad cofhurtail le bhith a' cluinntinn Gàidhlig ga labhairt, agus bha 5% mì-chofhurtail. Bha 47% dhiubhsan san t-suirlidh ag aontachadh ri soidhneachd dà-chànanach air feadh Alba agus 15% airson Beurla a-mhàin.

They found an increase in the proportion of adults in Scotland who:

- Are in favour of children in Scotland being taught Gaelic as a school subject for an hour or two a week
- Believe Gaelic to be important to their own cultural heritage
- Believe that too little public money is currently being spent on Gaelic every year
- Would like there to be more Gaelic speakers in 50 years time

Nearly two thirds of the survey panel (a total of 1,365 aged 18 and over across Scotland) said they would like to speak Gaelic better than they do now. Seven in ten agree that learning Gaelic gives someone a sense of achievement. From a list of seven languages, 37% placed Gaelic in the top two languages they feel are most important for children in Scotland to learn, making Gaelic the third most popular language after Spanish (53%) and French (51%).

44% of people said they were comfortable with hearing Gaelic spoken, whereas 5% were uncomfortable. 47% of those surveyed were in favour of bilingual signage across Scotland and 15% in favour of English only.

Tha follaiseachd do Ghàidhlig nan òige no o chionn ghoirid sna meadhanan co-cheangailte ri beachdan a tha nas taiceil. Tha iadsan aig a bheil follaiseachd nas trice do shoidhnichean Gàidhlig rathaid is poblach, a' cumail bheachdan nas deimhinniche a dh'ionnsaigh soidhnichean dà-chànanach, nì a tha ag innse gu bheil nas mothair faicsinneachd air a' Ghàidhlig cudromach airson glèidhreachas a' chànan.

PLANAICHEAN NÀISEANTA NA GÀIDHLIG - 2018-23 AGUS 2023-28

Tha Comhairle Baile Ghlaschu a' cur taic ri amas Plana Nàiseanta na Gàidhlig 2018-23, gu bheil "Gàidhlig air a cleachdadh nas trice, le barrachd dhaoine agus ann an raon nas fharsainge de shuidheachaidhean."

Tha sinn dealasach a thaobh an t-amais seo a choileanadh le bhith a' cuimseachadh ar n-obrach air na trì cinn seo:-

- Meudachadh cleachdadh na Gàidhlig taobh a-staigh ar buidhne agus a' brosnachadh barrachd dhaoine gu Gàidhlig a cleachdadh nas trice nuair a tha iad ag eadar-chonaltradh rinn.
- Meudachadh a' chothruim do dhaoine air Gàidhlig ionnsachadh mar phàirt de ar n-obrachaidhean làitheil.
- Adhartachadh ìomhaigh dhearbhach don Ghàidhlig cho tric 's as urrainn dhuinn mar phàirt de ar n-obrachaidhean làitheil.

Chuir Plana Nàiseanta na Gàidhlig 2023-28 aig Bòrd na Gàidhlig crioch air an ìre co-chomhairleachaidh phoblach aca san luchar 2022 agus thathar a' sùileachadh

Exposure to Gaelic in childhood or recently in the media is associated with more supportive attitudes. Those with more frequent recent exposure to Gaelic road and public signs hold more positive attitudes towards bilingual signs, which suggests that increased visibility of Gaelic is important for the preservation of the language.

THE NATIONAL GAELIC LANGUAGE PLANS - 2018-23 AND 2023-28

Glasgow City Council supports the aim of the 2018-23 National Gaelic Language Plan that "Gaelic is used more often, by more people and in a wider range of situations."

We are committed to the achieving this aim by focussing our work, on these three headings: -

- Increasing the use of Gaelic within our organisation and encouraging more people to use Gaelic, more often when they interact with us
- Increasing the opportunity for people to learn Gaelic as part of our day-to-day operations
- Promoting a positive image of Gaelic whenever we can as part of our day-to-day operations

Bòrd na Gàidhlig's National Gaelic Language Plan for 2023-28 completed its public consultation phase in July 2022 and is expected to be approved and

gum bi e air aontachadh agus air fhoillseachadh ann an 2023.

Tha am Plana sin a' mìneachadh lèirsinn don Ghàidhlig mar phàirt de dhualchas na h-Alba agus gum buin e do gach neach. Tha e a' cruthachadh bhuannachdan, an dà chuid sòisealta agus eaonamach, agus a' meudachadh sunnd do Luchd-cleachdaidh, luchd-ionnsachaidh agus luchd-taic na Gàidhlig air feadh Alba agus gu h-eadar-nàiseanta. Thatar den bheachd gum meudaich am Plana na buannachdan sin agus gum faod barrachd dhaoine a dhol an sàs sa chànan.

Tha am Plana aig teis-meadhain àrd-amas Riaghaltas na h-Alba gu meudachadh fhaicinn anns na h-àireamhan de dhaoine a' labhairt, ag ionnsachadh agus a' cleachdadh Gàidhlig ann an Alba.

PLANA GÀIDHLIG COMHAIRLE BAILE GHLASCHU

Is e an sgriobhainn seo Plana Gàidhlig Comhairle Baile Ghlaschu, air ullachadh taobh a-staigh frèam-obrach Achd na Gàidhlig (Alba) 2005. Tha e a' mìneachadh mar a chleachdas sinn Gàidhlig ann an coileanadh ar n-obraichean, mar a chomasaischeas sinn cleachdadh air a' Ghàidhlig ann an conaltradh le priomh chom-pàirtichean agus poblach, agus mar a dh'adhartaicheas agus a bheir sinn leasachadh air Gàidhlig.

Tha Plana Gàidhlig Comhairle Baile Ghlaschu air a dheasachadh ann an co-rèir ri slatan-tomhais reachdail mar a tha minichte ann an Achd 2005, le dlùth aire ga thoirt do Phlana Nàiseanta na Gàidhlig agus do Stiùireadh air Leasachadh Phlanaichean Gàidhlig.

published in 2023.

That Plan sets out a vision for Gaelic as part of the heritage of Scotland and that it belongs to everyone. It creates benefits, both social and economic, and increase wellbeing for Gaelic users, learners and supporters across Scotland and internationally. It envisages that the Plan will increase those benefits and more people can engage with the language.

The Plan underpins the Scottish Government's ambition to see an increase in the numbers of people speaking, learning and using Gaelic in Scotland.

GLASGOW CITY COUNCIL'S GAELIC LANGUAGE PLAN

This document is Glasgow City Council's Gaelic Language Plan prepared within the framework of the Gaelic Language (Scotland) Act 2005. It sets out how we will use Gaelic in the operation of our functions, how we will enable the use of Gaelic when communicating with the public and key partners, and how we will promote and develop Gaelic.

Glasgow City Council's Gaelic Language Plan has been prepared in accordance with statutory criteria set out in the 2005 Act and having regard to the National Gaelic Language Plan and the Guidance on the Development of Gaelic Language Plans.

Bho 2009, tha Comhairle Baile Ghlaschu dealasach a thaobh leasachadh na Gàidhlig tro fhoillseachadh agus lìbhrigeadh air Phlanaichean Gàidhlig. Tha trì Planaichean air an toirt gu buil gu ruige seo agus tha an ceathramh plana seo a' co-dhaingneachadh ar dealais don Ghàidhlig agus a h-àrdachadh taobh a-staigh na comhairle agus baile Ghlaschu.

Bha an dreach den Phlana Gàidhlig 2023 gu 2028 ri fhaotainn leis a' phoball airson co-chomhairleachadh poblach eadar 6 Cèitean 2022 agus 22 Iuchar 2022.

Thugadh am Plana agus ceisteachan gu buil ann an cruth dà-chànanach (Gàidhlig is Beurla) agus chaithd fhoillseachadh air Ionad Co-chomhairleachaidh na comhairle www.glasgow.gov.uk/consultations agus cuideachd air duilleag Ghàidhlig làrach-lìn na comhairle www.glasgow.gov.uk/index.aspx?articleid=29268

Bha an co-chomhairleachadh ga adhartachadh gu cunbalach fad' is farsaing tro shianalan mheadhanan sòisealta na Comhairle air Twitter agus Facebook. Bha e a' sireadh beachdan a' phobaill agus luchd-ùidhe san fharsaingeachd agus a' brosnachadh fiosrachadh air ais le bhith a' lionadh suirbhidh air-loidhne no air post-d no tron phost.

Chaidh 774 freagairtean don t-suirbhidh fhaighinn air ais agus a sgrùdadh. Tha aithisg mu bhuilean na suirbhidh ri fhaicinn ann an Eàrr-ràdh 4.

Since 2009 Glasgow City Council has committed to the development of the Gaelic language through the publication and delivery of Gaelic Language Plans. Three Plans have been produced and this fourth one consolidates our commitment to Gaelic and its enhancement within the council and the city of Glasgow.

The draft of the Gaelic Language Plan 2023 to 2028 was made available for public consultation between 6 May 2022 and 22 July 2022.

The Plan and a questionnaire were produced in bilingual format (Gaelic and English) and published on the council's Consultation Hub www.glasgow.gov.uk/consultations and also on the Gaelic page of the council's website www.glasgow.gov.uk/index.aspx?articleid=29268

The consultation was extensively and regularly promoted through the Council's social media channels on Twitter and Facebook. It sought the views of the general public and stakeholders and encouraged feedback by completion of an online survey or by email or post.

774 survey responses were received and analysed. A report on the findings of that analysis is attached as Appendix 4.

GÀIDHLIG ANN AN GLASCHU – MAR A BHA'S MAR A THA

Is e Glaschu am baile-mòr as mothà ann an Alba, le àireamh-sluaigh a tha a' sior fhàs de chòrr air 633,000 neach-còmhnaidh. Bidh na miltean a bharrachd a' tadhail, ag obair agus a' coileanadh an gnothaich ann am meadhan na roinne eaonamaich as mothà ann an Alba. Tha am baile na dhachaigh do thriù phrìomh oilthighean a thuilleadh air cuid de na buidhnean cultarach is ionadan spòrs as ainmeile ann an Alba. Taobh a-muigh Lunnainn, tha roinn reic Ghlaschu a' stiùireadh na slighe san RA agus tha ceàrn ionmhasail a' bhaile a' cumail air adhart a' soirbheachadh.

Am measg cliù neo-chomharrachte eile, tha sgeul shònraichte Ghàidhlig aig Glaschu a tha a' sgaoileadh tro eachdraidh bho àm nam meadhan-aoisean chun an latha an-diugh.

AINMEAN-ÀITE

Tha ceangal Ghlaschu ri Gàidhlig a' dol air ais barrachd air mìle bliadhna chun nan làithean nuair a bha an t-àite aithnichte mar Ghlaschu dùthchail sa mhòr-chuid, agus air a dhèanamh suas de thuathanasan agus tuath fosgalite. Tha seo clàraichte ann an cunntas mionaideach mun bhuaidh a bh' aig Glaschu air an sgìre, ann an Glasgow's Gaelic Place-names le acadaimigich bho Oilthigh Ghlaschu, Alasdair C Mac'IlleBhàin, Katherine Fhearsithe agus Sìm Mac an Tàilleir.

GAElic IN GLASGOW - PAST AND PRESENT

Glasgow is Scotland's largest city with a growing population of more than 633,000 residents. Many thousands more visit, work and do business in the centre of the biggest economic region in Scotland. The city is home to three major universities as well as some of Scotland's most popular cultural and sporting organisations and venues. Outside of London, Glasgow's retail sector leads the way in the UK and the city's financial district continues to flourish.

Among many other unheralded glories, Glasgow also has a notable Gaelic story that permeates its history from medieval times to the present day.

PLACE-NAMES

Glasgow's connection to Gaelic goes back more than a thousand years to the days when the place known as Glaschu was largely rural, made up of farms and open countryside. This is documented in a detailed account of Gaelic's influence on the area, Glasgow's Gaelic Place-names by University of Glasgow academics, Alasdair C Whyte, Katherine Forsyth and Simon Taylor.

Gaelic was the dominant, prestige language in Glasgow from the 9th century but that began to change towards the

Glè luath, thàinig Albais gu bhith co-cheangailte ri malairt agus foghlam agus thòisich a' Ghàidhlig air a h-inbhe a chall. Ach, dh'fhuirich a' bhuaidh Ghàidhlig làidir ann an ainmean-àite agus chun an latha an-diugh tha an ceangal Ghàidhlig follaiseach ann am mòran sgìrean.

Tha mòran eisimpleirean de dh'àiteachan le ainm Ghàidhlig fhathast rim faicinn, a' gabhail a-steach nan ainmean a chithear air a' [mhapa](#) seo de ainmean-àite Ghàidhlig Ghlaschu bho [Ainmean Àite na h-Alba \(AAA\)](#).

AN LATHA AN-DIUGH

Ged a tha Glaschu an latha an-diugh na àite glè eadar-dhealaichte bhon àite sin sna meadhan-aoisean, tha a' choimhearsnachd Ghàidhlig nas làidire na bha i a-riamh agus a' leantainn air adhart a' cur tabhartas gun choimeas ris an àite a tha aithnichte mar 'Baile Mòr nan

Soon, Scots became associated with commerce and education and Gaelic began to lose its status. However, the Gaelic influence remained strong in placenames and to this day the Gaelic connection is evident in many areas.

Numerous examples of places with a Gaelic name still exist, including those illustrated on this [map](#) of Glasgow's Gaelic place-names from [Ainmean Àite na h-Alba \(AAA\)](#).

PRESENT DAY

Even though present day Glaschu is a very different place to that of medieval times, the Gaelic community is stronger than ever and continues making a unique contribution to the place known as Baile Mòr nan Gàidheal, City of the Gaels.

Gàidheal'.

Is e Glaschu cridhe bailteil luchd-labhairt na Gàidhlig ann an Alba. Tha a' choimhairsnachd Ghàidhlig nas eadar-mheasgte agus nas in-ghabhalaiche, beòthail agus brosnachail. Tha an cànan a' soirbheachadh ann am foghlam, na gniomhachasan cruthachail, na meadhanan, ealain, ceòl agus litreachas. Tha a' choimhairsnachd a' leantainn oirre a' fàs agus barrachd is barrachd dhaoine fa leth a' tighinn air adhart gus cuideachadh leis a' chànan a chur air adhart. Tha fàilte romhpa uile. Tha iarrtas airson foghlam tro mheadhan na Gàidhlig a' leantainn air a' fàs bho bhliadhna gu bliadhna; tha adhartachadh air a' chànan aig tachartasan mòra ciùil leithid Celtic Connections, Piping Live agus Farpaisean Piobaireachd na Cruinne, cudromach; tha na ceudan a' clàradh air cùrsaichean ionnsachaidh Ghàidhlig coimhairsnachd agus sgrùdaidhean Ghàidhlig aig ère ceuma sa bhaile.

Tha an saoghal sòisealta na mheasgachadh de nuadh-aimsireil is traidiseanta le ceòl Ceilteach a' dol bho neart gu neart. Chaidh fèisean cultarach cudromach mar Celtic Connections a chruthachadh bho fhreumhan Ghàidhlig agus chuidich sin an uair sin le saoghal ciùil Ghàidhlig fallain a chruthachadh, lomàian de luchd-gníomhaidh brosnachail agus ainmeil gu h-eadar-nàiseanta.

Tha cruinneachaidhean is tachartasan traidiseanta a' leantainn orra tro na Comainn Ghàidhealach agus tro chòisirean mar na GGs (Ceòrlaidh Ghàidhlig Ghlaschu), a' chòisir Ghàidhlig as sine ann an Alba. Ann an 2019, thill am Mòd Nàiseanta Rioghail a Ghlaschu am measg sàr-chliù mar am Mòd a b' fheàrr

Glasgow is the urban heartland for Gaelic speakers in Scotland. The Gaelic community is more diverse and inclusive, vibrant and exciting. The language thrives in education, the creative industries, the media, arts, music and literature. The community continues to grow as more and more individuals come forward to help promote the language. All are welcome. Demand for education through the medium of Gaelic continues to grow year on year; promotion of the language at large scale music events such as Celtic Connections, Piping Live and the World Pipe Band Championships is important; hundreds enroll in Gaelic community learning courses and in degree level Gaelic studies in the city.

The social scene is a mix of the modern and traditional with Celtic music going from strength to strength. Important cultural festivals like Celtic Connections were created from Gaelic roots and that in turn helped create a healthy Gaelic music scene full of exciting and internationally renowned performers.

Traditional gatherings and events continue through the Highland Associations and choirs like the GGs (Glasgow Gaelic Musical Association), the oldest Gaelic choir in Scotland. In 2019, the Royal National Mod returned to Glasgow to popular acclaim as the best Mod ever. Some 12,000 visitors helped contribute around £4m of economic value

SLUAGH-THOMHAS

Nochd cunntas-sluagh 2011 gun robh beagan comais ann an Gàidhlig aig 9,469 neach aois 3 bliadhna agus còrr, 1.7% de dh'ùireamh-sluagh a' bhaile. Bha a' mhòr-chuid dhiubh sin aois 16-49 bliadhna, mar sin thathar a' sùileachadh gum meudaich an àireamh de luchd-labhairt. Cuidichidh am fàs ann am foghlam Gàidhlig agus ionnsachadh coimhearsnachd, am meas air an app ionnsachaидh Gàidhlig bho Duolingo, soirbheachadh BBC ALBA, am prògram ùr ionnsachaيدh, Speak Gaelic, agus na h-ìrean meudaichte de ghnìomhachdan cultarach is ealain Ghàidhlig, le sgilean Gàidhlig a mheudachadh ann an Glaschu agus air a thaobh a-muigh.

DEMOGRAPHICS

The 2011 census showed that 9,469 people aged 3 and over had some Gaelic language ability, 1.7% of the city's population. Most of those were aged 16-49 so the number of speakers is anticipated to increase. The growth in Gaelic education and community learning, the popularity of the Gaelic learning app from Duolingo, the success of BBC ALBA, the introduction of a new learning programme, Speak Gaelic, and increased levels of Gaelic arts and cultural activities will help increase Gaelic skills in Glasgow and beyond.

GAELIC ACTIVITY AND SERVICES

Gaelic language and cultural services have been provided by Glasgow City Council and its predecessor Strathclyde Regional Council for more than 40 years. The council and its Arm's Length External Organisations (ALEOs), in particular Glasgow Life, have encouraged a growth in Gaelic language services in education, adult learning, the arts, community development and the wider promotion of the language in the city with other public and community organisations.

EDUCATION

Glasgow is home to the third largest number of children and young people in Gaelic Medium Education (GME) in

Mheadhan na Gàidhlig (GME) ann an Alba. Ann an 2020, b' e a' Ghàidhealtachd (1,822) agus na h-Eileanan Siar (1,414) aig an robh àireamhan nas àirde na Glaschu (1,306).

Mheudaich iarrtas airson GME bliadhna an dèidh bliadhna on a dh'fhosgail a' chiad aonad ann an Alba ann an 1985 ann am Bun-sgoil Sir Iain Maxwell ann am Pollokshaws. A-nis, tha trì sgoiltean-àraich againn aig àrainn Sgoil Ghàidhlig Ghlaschu air Sràid Berkeley (Anderston), Lyoncross (Pollok) agus Rowena (Knightswood) còmhla ri solar priobhaideach aig Seudan Beaga agus Òganan Ghlaschu. Eatarra, ann an 2022, thug iad seachad ionnsachadh tràth-bhliadhnaichean ann an Gàidhlig do 144 neach-cloinne.

Tha ceithir Bun-sgoiltean cuideachd aig a' chomhairle - Bun-sgoil Ghàidhlig Ghlaschu, Bun-sgoil Ghàidhlig Ghleann Dail, Bun-sgoil Ghàidhlig Bhaile a' Ghobhainn agus Bun-sgoil Ghàidhlig. Bidh a' chiad bhuidheann de chlann do sgoil na Calltairn, 39 gu lèir, stèidhichte ann am Bun-sgoil Taobh Cheilbhinn a Tuath fhad 's a tha togalach Bun-sgoil Naoimh Sheumais ga ath-ùrachadh gu tur airson ath-fhosgladh ann an 2025. Gu h-iomlan, chaith 851 neach-cloinne a chlàradh ann am Bun-sgoiltean Foghlam tro Mheadhan na Gàidhlig ann an Glaschu ann an 2022.

Tha Àrd-Sgoil tro Mheadhan na Gàidhlig cuideachd aig a' chomhairle air àrainn Sràid Berkeley. Chaith 445 daoine òga a chlàradh an sin ann an 2022. A' coimhead ris an àrainn a bhith a-mhàin do sholar Àrd-Sgoile ro 2028, tha planadh airson bun-sgoil GME eile air làrach eile ann an taobh siar a' bhaile air tòiseachadh.

Scotland. In 2020, only the Highlands (1,822) and Western Isles (1,414) had higher numbers than Glasgow (1,306).

Demand for GME has increased year on year since the first unit in Scotland was opened in 1985 at Sir John Maxwell's Primary School in Pollokshaws. Now, we have three nurseries at the Glasgow Gaelic School's Berkeley Street campus (Anderston), Lyoncross (Pollok) and Rowena (Knightswood) along with private provision at Seudan Beaga and Òganan Ghlaschu. Between them, in 2022, they provided early years Gaelic learning for 144 children.

The council also operates four Primary schools – Bun-sgoil Ghàidhlig Ghlaschu, Bun-sgoil Ghàidhlig Ghleann Dail, Bun-sgoil Ghàidhlig Bhaile a' Ghobhainn and Bun-sgoil Ghàidhlig a' Challtairn. The first cohort of children for the Calton school, 39 in total, will be based at North Kelvinside Primary School while the former St James' Primary building is extensively renovated for re-opening in 2025. In total, 851 children were enrolled in Glasgow's Gaelic Medium Primary Schools in 2022.

The city also has a Gaelic Medium Secondary School at the Berkeley Street campus. 445 young people were enrolled there in 2022. In anticipation of the campus being dedicated solely to Secondary School provision by 2028, planning for a replacement GME primary school at another site in the west end has

Gu h-iomlan airson na bliadhna sgoile 2022-23, chaith 1440 neach-cloinne agus daoine òga a chlàradh tarsainn solar sgoil-àraich, bun-sgoil agus àrd-sgoil GME ann an Glaschu. Tha an t-iarrtas airson GME sa bhaile a' leantainn air a' taisbeanadh fàs bliadhna an dèidh bliadhna, agus leis an sin tha dùblain chudromach, mar eisimpleir trusadh thidsearan. Is iad sin na cùisean leis am bi an t-ùghdarris ionadail a' dèiligeadh còmhla ri Riaghaltas na h-Alba agus buidhnean poblach is coimhearsnachd, thar beatha a' Phlana seo.

Gheibhear tuilleadh dàta air àireamhan GME ann an Eàrr-ràdh 1.

CORPORRA

Tha gnìomhachd riaghlaidh chorporra na comhairle air a stiùireadh taobh a-staigh Roinn an Àrd-Oifigeir. Tha sin a' gabhail a-steach an aonaid Ghàidhlig far a bheil an t-Oifigear Leasachaидh Gàidhlig a' planadh, a' lìbhrigeadh, a' cumail sùil agus ag ath-sgrùdadadh sheirbheisean Gàidhlig air an solarachadh aig ère chorporra is sheirbheis.

Chaidh am Plana seo a thoirt gu buil ann an co-bhonn le Buidheann nan Oifigearan Gàidhlig (Buidheann Buileachaidh). Am measg nam ball sa bhuidheann sin, tha co-obraichean bho Roinn an Àrd-Oifigeir, bho Sheirbheisean Foghlaim air a bheil uallach airson lìbhrigeadh agus leasachadh air GME, agus bho Ghlaschu Beò a tha a' solarachadh sheirbheisean Gàidhlig ann an ionnsachadh, na h-ealain, leabharlannan, taighean-tasgaidh agus spòrs. Tha dleastanas air roinnean agus seirbheisean eile uile taic a chur ri adhartachadh na Gàidhlig ach gu làithreach chan eil iad riochdaichte air Buidheann nan Oifigearan.

started.

In total for the 2022-23 school year, 1440 children and young people were enrolled across GME nursery, primary and secondary provision in Glasgow. The demand for GME in the city continues to show year on year growth and with that comes significant challenges, for example teacher recruitment. These are matters the local authority will tackle with the Scottish Government and public and community organisations over the duration of this Plan.

More data on GME rolls can be found in Appendix 1.

CORPORATE

The council's corporate governance activity is managed within the Chief Executive's Department. That includes the Gaelic unit where the Gaelic Development Officer plans, delivers, monitors and reviews Gaelic services provided at a corporate and service level.

This Plan was produced in conjunction with the Gaelic Officers' Group (Implementation Group). Members of that group include colleagues from Chief Executive's Department, from Education Services who are responsible for delivery and development of GME, and from Glasgow Life who provide Gaelic services in learning, the arts, libraries, museums and sport. All other departments and services also have a responsibility to support the promotion of the Gaelic language but are currently not represented on the Officers' Group.

Tha a' chomhairle dealasach a thaobh adhartachadh na Gàidhlig sa bhaile agus cluinntinneachd is faicsinneachd a' chànan anns na seirbheisean làitheil.

Tha Stiùireadh Brannd Corporra ùr na comhairle 2020 a' dèiligeadh ri cuid den seo ann an earrann mu dheidhinn gnìomhachadh is cleachdad na Gàidhlig tron ghnothaich làitheil againn. Tha an stiùir a' mìneachadh ciamar agus cuin a bu chòir an luchd-obrach is buill thaghte uile, an cànan a chleachdad nar gnìomhachd làitheil.

Tha am Plana seo cuideachd a' dèiligeadh ri àireamh de dh'amasan/builean sheirbheisean corporra eile a tha co-cheangailte ri inbhe a' chànan, conaltradh leis a' phoball, fiosrachadh, luchd-obrach agus corps na Gàidhlig. Gheibhear tuilleadh mion-fiosrachaidh ann an Earrann 5 den Phlana seo.

SGRÙDADH/SUIRBHIDH SGILEAN GÀIDHLIG 2022

Is e prìomh eileamaid de phlana Gàidhlig na sgilean Gàidhlig a tha an làthair taobh a-staigh buidhne, a thuigsinn.

Tha Bòrd na Gàidhlig a' moladh gun coilean sinn sgrùdadadh/suirbhidh air comas Gàidhlig air an taobh a-staigh mar phàirt de dh'ullachadh plana Gàidhlig, gus an gabh na gealltanasan sa phlana a bhith air am maidseadh ri sgilean làithreach agus togail air far a bheil trusadh agus / no trèanadh a bharrachd a dhìth.

Tha an sgrùdadadh/suirbhidh a' solarachadh cothruim air clàradh airson clasainchean Gàidhlig. Tha seiseanan ionnsachaidd is mothachaidd Gàidhlig air an tairgsinn do luchd-obrach bhuidhnean na comhairle agus buidhnean air astar uile (ALEO). Tha toraidhean an sgrùdaidh/suirbhidh sgilean

The council is committed to the promotion of Gaelic throughout the city and the audibility and visibility of the language in everyday services. The 2020 council family's new Corporate Brand Guidance addresses some of this in a section on the application and use of Gaelic throughout our business. The guide sets out how and when all staff and elected members should use the language in our day to day activity.

This Plan also addresses a number of other corporate service aims/outcomes related to the status of the language, communication with the public, information, staff and Gaelic language corpus. More detail can be seen in Section 5 of this Plan.

2022 GAELIC SKILLS AUDIT/ SURVEY

A key element of a Gaelic language plan is to understand the Gaelic skills which exists within an organisation.

Bòrd na Gàidhlig recommends that we conduct an internal Gaelic capacity audit/survey as part of the preparation of a Gaelic language plan, so that the commitments in the plan can be matched to existing skills and highlight where additional recruitment and / or training is required.

The audit/survey also provides an opportunity to register for Gaelic classes. Gaelic learning and awareness sessions are offered to all council and arm's length organisations' (ALEO) staff. The results of the 2022 Gaelic skills audit/survey are attached in Appendix 3.

Gàidhlig 2022 rim faicinn ann an Eàrr-ràdh 3.

RANNSACHADH

Is e pàirt den raon-dleastanas, ath-sgrùdadadh a dhèanamh air adhartas agus soirbheachadh. Thatar air a bhith fada den bheachd gun robh luach cudromach ann, agus iarrtas airson seirbheisean Gàidhlig sa bhaile, ach cuideachd gun robh gainhead de fhianais mar thaic don mholadh sin.

Ann an 2021, chuir Comhairle Baile Ghlaschu, le maoineachadh bho Bhòrd na Gàidhlig, dà phrìomh sgrùdadadh rannsachaidd air bhonn. Bha aon gus tuairmse a thoirt air luach eaconamach na Gàidhlig ann an Glaschu, cuideachd gus an fhàs na cleachdad a shealltann agus gus taisbeanadh mar a thug an cànan agus cultar buaidh air sunnd baile Ghlaschu. Cho-dhùin an dàrna sgrùdadadh, ann an co-bhonn le Oïlthigh Ghlaschu, iarrtas, cothroman agus priomhachasan do Ghàidhlig sa choimhairsnachd, a chomharrachadh.

• Eaconamach agus sunnd

Nochd an rannsachadh **Eaconamaidh Gàidhlig ann an Glaschu** gu bheil barrachd air 700 de dh'obraichean co-ionann ri làn-ùine, mar thoradh air Gàidhlig. Tha na 700 obair sin a' cur timcheall air £21.6m sa bhliadhna de luach leasaichte iomlan (GVA) ri eaonamaidh Ghlaschu. Tha foghlam agus ionnsachadh cunnatachail airson na co-chuid as motha de dh'obraichean (58% den iomlan) air a leantainn leis na Gniomhachasan Cruthachail (23%) agus an uair sin Turasachd is Tachartasan (16%). Tha na Gniomhachsan Cruthachail, gu h-àraid obraichean

RESEARCH

Part of the remit is to review progress and promote success. It has long been considered that there was a significant value in, and a demand for, Gaelic services in the city but also that there was a shortage of evidence to support that proposition.

In 2021, Glasgow City Council, with funding support from Bòrd na Gàidhlig, commissioned two major research studies. One was to estimate the economic value of Gaelic in Glasgow, also to show the growth in its use and to illustrate how the language and culture impacted on the wellbeing of Glasgow. A second study, jointly with the University of Glasgow, set out to identify demand, opportunities and priorities for Gaelic in the community.

• Economic and wellbeing

The 'Gaelic Economy in Glasgow' research by DC Research showed that more than 700 full-time equivalent jobs can be attributed to Gaelic. Those 700 jobs provide around £21.6m per annum gross value added (GVA) to the Glasgow economy. Education and learning accounts for the largest proportion of jobs (58% of the total) followed by Creative Industries (23%) and then Tourism and Events (16%). The Creative Industries, especially jobs related to the media, provide a higher rate of GVA and they account for 56% of the £21.6m annual total. The economic impact of Gaelic

co-cheangailte ris na meadhanan, a' solarachadh ìre nas àirde de GVA agus tha iad cunntachail airson 56% den iomlan bhliadhnailean de £21.6m. Tha buaidh eaonamach na Gàidhlig air tachartasan leithid Celtic Connections, FilmG, Farpaisean Piobaireachd na Cruinne agus Duaisean Gàidhlig na h-Alba timcheall air £7.2m sa bhliadhna.

Bha a' bhuaidh air sunnd dhaoine fa leth làdir cuideachd. Bha luchd-freagairt a' faireachdainn gun robh Gàidhlig a' meudachadh am pròis agus an ùidh ann an Alba agus nan coimhairsnachd ionadail, a' toirt dhaibh faireachdainn nas motha de an dearbh-aithne fhèin, a' leasachadh an slàinte inntinn agus sunnd, meudachadh an toileachais agus am fèin-mheas/fèin-mhisneachd/fèin-luach, meudachadh an com-pàirt ann an tachartasan cultarach agus ag àrdachadh an cruthachalachd fa leth.

B' iad na prìomh chòisean is mholaidhean:

1. Co-obrachadh nas motha agus nas feàrr eadar buidhnean ann an Glaschu.
2. Gàidhlig a dhèanamh nas fhaicsinniche ann am beatha agus eaonamaidh Glaschu.
3. Taic do ghnìomhachadh agus cleachdad na Gàidhlig ann an gnothachas, gñiomhachdan sòisealta is coimhairsnachd air feadh Glaschu.
4. Leasachadh air structar na margaid obrach Ghàidhlig agus fiosrachadh.
5. Ionnsachadh na Gàidhlig agus goireasan is leasachadh cànan adhartachadh.

on events such as Celtic Connections, FilmG, World Pipe Band Championships and the Scottish Gaelic Awards is around £7.2m annually.

The impact of Gaelic on individual wellbeing was also strong. Respondents felt Gaelic increased their pride and interest in Scotland and their local community, gave them a greater sense of their own identity, improved their mental health and wellbeing, increased their happiness and self-esteem/self-confidence/self-worth, increased their participation in cultural events and enhanced their individual creativity.

The key issues and recommendations were:

1. More and better cooperation between agencies in Glasgow
2. Make Gaelic more visible in the life and economy of Glasgow
3. Support the application and use of Gaelic in business, social and community activities across Glasgow
4. Improve the Gaelic labour market structure and information
5. Promote Gaelic learning and language facilities and development

• **Obair Com-pàirteachais / Aon Ghlaschu**

Ann am Plana Gàidhlig 2018 gu 2022 na comhairle, ghabh sinn ri leasachadh air modh-obrach com-pàirteachais Aon Ghlaschu le leasachadh na Gàidhlig ann an Glaschu. Thug soirbheachadh Mòd Ghlaschu 2019 cothrom dhuinn am beachd a chur an gnìomh agus ann an dèanamh sin, cuideachadh le gealltanас dileib a lìbhrigeadh a thaobh àm teachdail seasmhach don Ghàidhlig ann an Glaschu.

Chaidh buidheann Aon Ghlaschu a chruthachadh agus oifigear fhastadh gus an obair a cho-òrdanachadh. Thàinig riochdairean bho buidhnean agus bho dhaoine fa leth le ùidh ro-innleachdail no obrachail ann an leasachadh na Gàidhlig sa bhaile.

B' e pròiseact rannsachaidd coimhairsnachd 'Gàidhlig ann an Glaschu' prìomh ghnìomh a thàinig bhon buidheann sin, air a stiùireadh leis a' chomhairle agus Oilthigh Ghlaschu às leth Aon Ghlaschu. Rinn sinn suirbhidh air a' choimhairsnachd nas fharsainge gus am prìomh chòisean is phriomhachasan sòisealta is coimhairsnachd a chomharrachadh. Chomharraich an sgrùdadh rannsachaidd a chaidh a chriochnachadh o chionn ghoirid, àireamh de phriomh chòisean, a' gabhail a-steach:

1. Dìth chothroman airson cleachdad neo-fhoirmeil air a' Ghàidhlig.
2. Dìth farsaingeachd fhiosaigeach airson gñiomhachdan Gàidhlig.
3. Feum air barrachd mothachaidh agus adhartachaidh air seirbheisean Gàidhlig.

• **Partnership work / Aon Ghlaschu**

In the council's 2018 to 2022 Gaelic Language Plan, we committed to the development of an Aon Ghlaschu (One Glasgow) partnership approach to Gaelic development in the city. The success of Mòd Ghlaschu 2019 gave us an opportunity to put the idea into practice and in so doing help deliver a legacy promise of a sustainable future for Gaelic in Glasgow.

An Aon Ghlaschu steering group was formed and an officer employed to coordinate its work. Representatives came from organisations and individuals with a strategic or operational interest in Gaelic development in the city.

A key action from that group was a community research project, 'Gaelic in Glasgow', led by the council and the University of Glasgow on behalf of Aon Ghlaschu. We surveyed the wider community to identify their main social and community issues and priorities. The recently completed research study identified a number of key issues, including:

1. Lack of opportunities for informal Gaelic usage
2. Lack of physical space for Gaelic activity
3. Need for further awareness and promotion of Gaelic services

4. Feum air faicsinneachd fhiosaigeach nas mothair Gàidhlig ann an Glaschu.

A thuilleadh air na nithean sònraichte sin, bha conaltradh leasaichte eadar buidhnean agus a' choimhearsnachd fharsaing na phrìomh chuspair. Chaidh taic a chuir ris an fheum air làrach-lìn agus sianalan mheadhanan sòisealta, barrachd susbaint mu thachartasan Gàidhlig agus cothroman ionnsachaidh. Bidh oifigear Aon Ghlaschu agus com-pàirteachas de bhuidhnean agus de dhaoine fa leth a' beachdachadh air toraidhean an rannsachaidh uile agus a' cruthachadh plana gnìomha. Le taic bho Bhòrd na Gàidhlig, Oilthigh Ghlaschu agus com-pàirtichean eile Aon Ghlaschu, bidh Comhairle Baile Ghlaschu ag amas air taic a thoirt do leasachadh Aon Ghlaschu tro bheatha a' Phlana.

GLASCHU BEÒ – IONNSACHADH, NA H-EALAIN, TAIGHEAN- TASGAIDH, LEABHARLANNAN, SPÒRS AGUS TACHARTASAN

Tha Glaschu Beò air a bhith na Bhuidheann aig Astar de Chomhairle Baile Ghlaschu on a chaidh a cho-chorpachadh ann an 2006. Tha dleastanas deatamach aca ann an leasachadh agus adhartachadh na Gàidhlig air feadh Ghlaschu. Tha luchd-obrach a' tabhann chothroman mòr-chudromach airson ionnsachadh Gàidhlig inbhich is dhaoine òga, co-obrachaidhean ealain Ghàidhlig tarsainn raon de chuspairean agus prìomh fhèisean, goireasan Gàidhlig ann an leabharlannan, taighean-tasgaidh agus spòrs. Tha an obair seo fo sgrùdadadh Fòram Gàidhlig Ghlaschu Beò air an taobh a-staigh, a tha cuideachd a' biathadh a-steach do phrìomh Bhuidheann Buileachaид / Oifigeanan Gàidhlig na comhairle.

4. Need for greater physical visibility of Gaelic in Glasgow

Other than those specifics, improved communication between organisations and the wider community was a central theme. The need for a website and social media channels, more content on Gaelic events and learning opportunities were supported. The Aon Ghlaschu officer and a partnership group of organisations and individuals will be considering all the research's findings and will create an action plan. With the support of Bòrd na Gàidhlig, the University of Glasgow and other Aon Ghlaschu partners, Glasgow City Council will aim to support the development of Aon Ghlaschu throughout the lifetime of this Plan.

GLASGOW LIFE – LEARNING, THE ARTS, MUSEUMS, LIBRARIES, SPORT AND EVENTS

Glasgow Life has been an Arm's Length External Organisation of Glasgow City Council since its incorporation in 2006. It has a pivotal role in the development and promotion of Gaelic throughout Glasgow. Staff offer vital opportunities for Gaelic learning for adults and young people, Gaelic arts collaborations across a range of disciplines and major festivals, Gaelic resources in libraries, museums and sport. This work is monitored by Glasgow Life's internal Gaelic Forum which also feeds into the council's main Gaelic Implementation / Officers' Group.

Tha timcheall air mìle neach air cothroman **ionnsachaidh Gàidhlig** fhaotainn le Glaschu Beò thar nan 5 bliadhna mu dheireadh.

Tha iad a' solarachadh ionnsachadh Gàidhlig do dh'inbhich, a' gabhail a-steach seiseanan seachdaineach den iomairt ùr Speak Gaelic, còmhla ri seiseanan còmhraidh is taic a bharrachd, air an amas orrasan a tha airson an sgilean Gàidhlig a chleachdadh air-loidhne ann an suidheachadh neo-fhoirmeil sìtheil. Tha Glaschu Beò cuideachd a' frithealadh a' ghinealaich nas òige, le àireamh de sheiseanan Bookbug ag amas air 5 bliadhna agus nas òige a thuilleadh air Clann is Cluich do chlann aois bun-sgoile. Tha an t-seirbheis seo air leasachadh gu ionnsachadh air-loidhne mar fhreagairt do Covid-19 agus air làthaireachd a tharraing bho cho fada air falbh ris na Stàitean Aonaichte.

Tha soirbheachadh nan sgoiltean Gàidhlig air Glaschu Beò a chuideachadh gu ùidh coimhairsnachd nas fharsainge a leasachadh ann an ionnsachadh is cultar Gàidhlig. Thatтар an dòchas gum misnich an sgoil ùr GME sa Challtainn luchd-ionnsachaidh ùr, agus gur dòcha fiù gum piobraich i ath-bheothachadh Gàidhlig ann am pàirt de sgìre ionadail Bhaile na Drochaid. B' ann an seo a chaidh coimhairsnachd Ghàidhlig (ainmichte às dèidh Gleanna Garadh ann an Loch Abar, bho an deach am fuadach aig àm nam Fuadaichean) a stèidheachadh aig deireadh na 18mh linne. A thuilleadh air a' chiad choimhairsnachd Chaitligeach ann an Glaschu bho àm an Ath-leasachaidh a chruthachadh, bha Gàidheil ùra Ghlaschu ainmeil airson an cuid obrach ann am factaraidhean cotain an neach-gnìomhachais David Dale, sealbhadar

Around a thousand people have accessed **Gaelic learning** opportunities with Glasgow Life over the last 5 years.

They provide Gaelic learning for adults, including weekly sessions of the newly introduced Speak Gaelic initiative, along with conversation and additional support sessions aimed at those wishing to practice their Gaelic skills online in a relaxed, informal setting. Glasgow Life also caters for the younger generation, with a host of Bookbug sessions aimed at 5 and under along with Clann is Cluich for primary aged children. This service has developed into online learning in response to Covid-19 and attracted attendance from as far afield as the United States.

The success of the Gaelic schools have helped Glasgow Life develop wider community interest in Gaelic learning and culture. It's hoped that the new GME school in the Calton may encourage new learners and that it might even spark a Gaelic revival in part of the neighbouring Bridgeton area. This was where a Gaelic-speaking community (named after Glengarry in Lochaber from where they were evicted during the Highland Clearances) was established in the late 18th century. Apart from creating the first Catholic community in Glasgow since the Reformation, the new Glasgow Gaels were noted for their work in the cotton factories of the industrialist David Dale, also owner of mills at New Lanark.

Tha **Ealain Ghàidhlig** Ghlaschu Beò glè chudromach cuideachd a thaobh leasachadh a' chànan. Tha Ro-innleachd nan Ealain Ghàidhlig 2018-2022 a' leantainn air priomh fhoillseachadh na buidhne do Ghàidhlig sna h-ealain. Tha e a' mìneachadh àireamh de chothroman cruthachail an lùib thachartasan, pròiseactan, bùihtean-obrach, cothroman maoineachaид agus com-pàirteachasan air feadh Ghlaschu agus nas fhaide air falbh.

Tha na còig amasan ro-innleachdail aige a' solarachadh frèam-obrach leathan do na h-ealain Ghàidhlig a bhith soirbheachail ann an Glaschu. Tha iad a' gabhail a-steach:

- Prògram guireadair, GUIR (ann an com-pàirteachas le Theatar Nàiseanta na h-Alba, Conservatoire Rìoghail na h-Alba agus Sabhal Mòr Ostaig);
- Ann an com-pàirteachas le Oilthigh Ghlaschu;
- Co-labhairt chultarach bhliadhnaile;
- Cuimse air daoine òga suas gu aois 25 bliadhna;
- Leasachadh air susbaint Ghàidhlig ann am priomh fhèisean is tachartasan, a' gabhail a-steach Celtic Connections, Aye Write, Merchant City Festival, Mela and Glasgow International.

Thèid an Ro-innleachd a leudachadh gu 2024 gus pròiseactan na dìleib bho Mòd Ghlaschu 2019 a ghabhail a-steach, leasachadh tarsainn iomairtean ealain air feadh a' bhaile agus tachartasan cultarach sa bhaile san àm ri teachd, ach fuirichidh na raointean gniomhachd coitcheann sin.

Glasgow Life's **Gaelic Arts** work is also very important to the language's development. The 2018-2022 Gaelic Arts Strategy continues to be the organisation's main corporate publication for Gaelic in the arts. It sets out a number of creative opportunities involving events, projects, workshops, funding opportunities and partnerships across Glasgow and beyond.

Its five strategic aims provided a broad framework for the Gaelic arts to thrive in Glasgow. They included:

Tha sgiobaidhean Taighean-tasgaidh is Leabharlannan Ghlaschu Beò a' gabhail dreuchd nas gniomhaiche ann an leasachadh agus adhartachadh na Gàidhlig, a' toirt aoigheachd do thachartasan, bùihtean-obrach, taisbeanaidhean agus co-obrachadh leis a' choimhairsnachd fharsaing mu phròiseactan co-cheangailte ri Gàidhlig. Tha iad cuideachd a' stiùireadh raon de chruinneachaidhean de leabhraichean Gàidhlig is goireasan taigh-tasgaidh agus tha iad airson raon is leudachd an cruinneachaidhean Gàidhlig is an taisbeanaidhean a leasachadh. Tha na planaichean teachdail sin an sàs ann am barrachd conaltraidh le agus taic nam pàrantan is clann a tha a' frithealadh sgoiltean Foghlam tro Mheadhan na Gàidhlig.

Tha Gàidhlig tro Spòrs a' brosnachadh cleachdad agus leasachadh nas àirde air a' chànan agus tha sin na dhòigh fhallain air cothroman sòisealta le caraidean is teaghlaich. Tha leasachadh leantainneach air clubaichean iomain do gach aois, bun-sgoil, àrd-sgoil agus oilthigh, air a bhith na choileanadh buannachdail. Tha Glaschu Beò a' taigtsinn cuid de chùrsaichean ann am Beurla do phàrantan le Gàidhlig a bhios a' coidseadh spòrs gu saor-thoileach, ach sa mhòr-chuid is e pàrantan a tha buailteach a bhith a' stiùireadh air iomairtean Gàidhlig. Is e Spòrs Ghlaschu deagh eisimpleir, iomairt air a stiùireadh le pàrantan bho chiad Phlana Gàidhlig 2009-12 na comhairle. Tha iad a' cuideachadh le cleachdad na Gàidhlig adhartachadh tro sheiseanan coidsidh is spòrs do chlann Bun-sgoile, gu h-àraid aig Fèis Spòrs, latha spòrs bliadhnaile air a chumail aig deireadh na bliadhna sgoile. Dh'eagraich Spòrs Ghlaschu cuideachd an Là Mòr Spòrs

Glasgow Life's Museums and Libraries teams are taking a more active role in the development and promotion of Gaelic, hosting events, workshops, exhibitions and collaborating with the wider community on Gaelic related projects. They also manage a range of Gaelic book collections and museum resources and are keen to develop the range and scope of their Gaelic collections and exhibitions. Those future plans involve increased engagement with, and the support of, parents and children who attend Gaelic Medium Education schools.

Gaelic through Sport encourages higher use and development of the language and is also a healthy way of socialising with friends and family. The continued development of shinty clubs for all ages, primary, secondary and university, has been a notable achievement. Glasgow Life offers some courses in English for Gaelic-speaking parents who volunteer as sport coaches but in the main it is parents who tend to lead on Gaelic initiatives. A good example is Spòrs Ghlaschu, a parent-led initiative from the council's first Gaelic Language Plan 2009-12. They help to promote Gaelic use through coaching and sport sessions for Primary school children especially at Fèis Spòrs, an annual sporting day held at the end of the school year. Spòrs Ghlaschu also supported the highly enjoyable and very successful multi-sport Là Mòr Spòrs held at Glasgow Green during Mòd Ghlaschu 2019 attended by about 1000 adults and children.

air Glasach Ghlaschu aig àm Mòd Ghlaschu 2019, iatha ioma-spòrs a bha air leth tlachdmhor agus soirbheachail, agus a bha air a fhrithealadh le mu 1000 inbheach is neach-cloinne.

PRIONNSAPALAN, AMASAN, GNÌOMHAN, BUILEAN

5.1 PRÌOMH PHRIONNSAPALAN

Tha trì prìomh phrionnsapalan a' buntainn do na Planaichean Gàidhlig uile. Tha iad cuideachd bunaiteach do na dh'fheumas Comhairle Baile Ghlaschu a dhèanamh a thaobh am Plana seo a chur an gnìomh agus a lìbhrigeadh.

PRINCIPLES, AIMS, ACTIONS, OUTCOMES

5.1 KEY PRINCIPLES

Three key principles apply to all Gaelic Language Plans. They are also fundamental to how Glasgow City Council must act in relation to the application and delivery of this Plan.

- **Equal respect**

Under the terms of the 2005 Act, Bòrd na Gàidhlig works with a view to securing the status of the Gaelic language as an official language of Scotland commanding equal respect to the English language and the Bòrd in turn expects that public authorities will demonstrate in their plans how the principle will be achieved and maintained in practice.

Glasgow City Council will ensure that where Gaelic is included as part of our operations and services, we will ensure they are of an equal standard and quality as those that we provide in English.

- **Active offer**

Glasgow City Council will make an active offer of our Gaelic services to our employees and the public. This will ensure that where Gaelic services are made available by us, Gaelic users are made aware of their existence, and are actively encouraged to use them.

Bidh Comhairle Baile Ghlaschu a' dèanamh cinnteach gu bheil ar seirbheisean cànan cho ruigsinneach ri ar seirbheisean Beurla.

• Priomh-shruthadh

Nì Comhairle Baile Ghlaschu cinnteach gu bheil cothroman don phoball agus don luchd-obrach againn air Gàidhlig a chleachdad air an àbhaisteachadh, mar thaic do Phlana Nàiseanta na Gàidhlig 2018-23 leis an amas gu bheil Gàidhlig air a cleachdad air ann an raon nas fharsainge dhaoine agus ann an raon nas fharsainge de shuidheachaidhean.

5.2 AMASAN IS GNÌOMHAN IOMA-CHUAIRTEACH

Tha Bòrd na Gàidhlig agus Comhairle Baile Ghlaschu air dà Amas Ioma-chuairteach aontachadh airson seirbheisean Gàidhlig na comhairle.

1. Taisbeanadh gu bheilear air beachdachadh air agus air solarachadh do luchd-dèiligidh le Gàidhlig ann am planadh agus lìbhrigeadh gnìomhachd làitheil, pròiseactan, bathar agus seirbheisean.

2. Meudachadh cleachdad, ionnsachadh, adhartachadh agus mothachadh don Ghàidhlig taobh a-staigh gach sgioba Seirbheis agus roinn de Chomhairle Baile Ghlaschu, Glaschu Beò agus companaidhean Teaghach Ghlaschu.

5.4 CORPORATE OUTCOMES

Glasgow City Council was issued with a set of standardised Corporate Outcomes as part of the formal notice to prepare this Plan.

These outcomes are based on Bòrd na Gàidhlig's experience of approved Gaelic language plans to date.

WHAT ARE CORPORATE OUTCOMES?

Corporate Outcomes describe current practice, actions needed to achieve the outcome, timescales and which team will have responsibility for progressing the actions.

Where an outcome has been achieved and is being delivered, the plan should state this under current practice. Where the outcome hasn't been achieved, the plan should state how and when this will happen, even if it is beyond the lifetime of the current plan and / or as part of future renewal processes.

Progress towards the delivery of the Corporate Outcomes will form a key part of the Bòrd's Annual Monitoring requirements.

Prìomh Thoraidhean bhon Cho-chomhairleachadh Poblach air Plana Gàidhlig Comhairle Baile Ghlaschu 2023 gu 2028

RO-RÀDH

Tha an aithisg seo a' solarachadh geàrr-iomradh de na prìomh thoraidhean bhon cho-chomhairleachadh a chaidh a choileanadh air an dreach Plana Gàidhlig 2023 gu 2028. Bha an co-chomhairleachadh air a dhèanamh suas de:

- Adhartachadh tro làrach-lìn na comhairle agus sianalan mheadhanan sòisealta.
- Suirbhidh air-loidhne de phriomh cheistean ag èirigh às a' Phlana.
- Coinneamh air-loidhne agus coinneamh phoblach ann an Sgoil Ghàidhlig Ghlaschu.

Bha an ùine co-chomhairleachaidh a' ruith bho 6 Cèitean 2022 gu 22 Iuchar 2022.

COINNEAMHAN POBLACH AGUS AIR-LOIDHNE

Aig a' coinneamh air-loidhne, mhìnich oifigearan bho Sheirbheisean Foghlaim, Ionnsachadh is Ealain Ghlaschu Beò agus Seirbheisean Corporra, mar a chuidicheas na gniomhan taobh a-staigh an raon dleastanais aca le amasan a' Phlana Ghàidhlig a choileanadh. Dh'fhaighnich buidheann beag de chom-pàirticheadan ceistean mu Fhoghlam tro Mheadhan na Gàidhlig agus ionnsachadh, agus san fharsaingeachd bha iad riaraichte le susbaint a' Phlana.

APPENDIX

Main Findings from the Public Consultation on Glasgow City Council's Gaelic Language Plan 2023 to 2028

INTRODUCTION

This report provides a summary of the main findings from the consultation carried out on the draft Gaelic Language Plan 2023 to 2028. The consultation consisted of:

- Promotion via the council website and social media channels
- An online survey of key questions arising from the Plan
- An online meeting and a public meeting at Sgoil Ghàidhlig Ghlaschu (Glasgow Gaelic School)

The consultation period ran from 6 May 2022 to 22 July 2022.

ONLINE AND PUBLIC MEETINGS

At the online consultation meeting, officers from Education Services, Glasgow Life Learning and Arts, and Corporate Services outlined how the actions within their area of responsibility will help to meet the aims of the Gaelic Plan. A small group of participants asked questions about Gaelic Medium Education and learning and generally were very satisfied with the content of the Plan.

Cha do fhritheil mòran an dàrna tachartas ann an Sgoil Ghàidhlig Ghlaschu. Bhathar ga shùileachadh sa chìad àite mar thachartas feasgair do phàrantan ach dh'fhaodadh gun tug an t-àm aige, a bha faisg air deireadh na bliadhna sgoile, buaidh air pàrantan a bhith saor. B' fheudar treas tachartas ann an Seòmraichean a' Bhaile a chur dheth aig a' mhionaid mu dheireadh mar thoradh air tinneas luchd-obrach (COVID).

SUIRBHIDH AIR-LOIDHNE – GEÀRR-IOMRADH DE NA PRÌOMH THORAIÐHEAN

Bha suirbhidh air-loidhne a bha ag iarraidh freagairtean do shusbaint a' Phlana, fosgalte don phoball airson ùine de 12 seachdainean. Gu h-iomlan, fhreagair 774 dhaoine don t-suirbhidh, meudachadh mòr bhon 162 a fhreagair an co-chomhairleachadh air a' Phlana roimhe sin ann an 2018. Dh'fhaodadh gun robh seo mar thoradh air iomairt mheadhanan sòisealta airson am Plana adhartachadh tro dhuilleagan Twitter is Facebook aig Comhairle Baile Ghlaschu.

Ach, bhon mhion-sgrùdadh air na freagairtean a fhuaireadh, tha e follaiseach gun do chleachd àireamh chudromach de luchd-freagairt an co-chomhairleachadh seo mar chothrom air am beachdan agus am molaidhean mun Ghàidhlig a thoirt seachad ann am farsaingeachd, a thuilleadh air dleastanas na comhairle ann a bhith a' cur taic ris. San fharsaingeachd cuideachd, bha beachdan bho àireamh àrd de fhreagairtean nas àicheile na bha bho cho-chomhairleachaidhean Gàidhlig sam bith roimhe, is dòcha a' nochdadh na cruth-tìre phoilitigeach nas fharsainge ann an Alba.

The second event, in the Glasgow Gaelic School, was not well attended. It was intended as an evening event primarily for parents but its timing close to the end of the school year may have impacted on parent availability. A third event, at the City Chambers, had to be cancelled at short notice due to staff illness (COVID).

ONLINE SURVEY – SUMMARY OF MAIN FINDINGS

An online survey requiring responses to the Plan's content was open to the public for a period of 12 weeks. In total, 774 people responded to the survey, a large increase from the 162 who replied to the consultation on the previous Plan in 2018. This may have been the result of a social media campaign to promote the Plan via Glasgow City Council's Twitter and Facebook pages.

However, from the analysis of the responses received, it is evident that a significant number of respondents used this consultation as an opportunity to provide their views and opinions on Gaelic more generally as well as the council's role in supporting it. In general also, comments from a high number of respondents were more negative than any previous Gaelic consultations, and possibly reflected the wider political landscape in Scotland.

Bha cuid de na beachdan sònraichte a' gabhail a-steach:

- Bu chòir airgead a chosg ann an raointean eile.
- Chan e priomhachas a th' ann don chomhairle.
- Is e cùis phoilitigeach a tha seo air a stiùireadh gu nàiseanta.
- Chan eil seo a' toirt buaidh ach air àireamh bheag de dhaoine ann an Glaschu.
- Chan eil ùidh aig daoine ann. Chan eil duine ga labhairt. 'S e cànan marbh a th' ann.

Thugadh an aire gun robh 70% den luchd-freagairt fireann – àireamh àrd sa cheud airson co-chomhairleachadh mu phlana cànan – le dìreach 25% boireann agus 5% a' comharrachadh ann an dòigh eile.

Tha am Plana ath-sgrùdaichte a' nochdadh bheachdan air an cur an cèill sa cho-chomhairleachadh phoblach còmhla ri ar dleastanas reachdail don Ghàidhlig. Tha sinn air mòran den dreach Plana roimhe a chumail ach tha sinn cuideachd air àireamh de dh'atharrachaidhean a dhèanamh.

- Tha deasachadh/dubhadh às/cur-ris ann an cuid de dh'earrannan airson am Plana a dhèanamh nas fhasa a leantainn. Tha earrannan 4 agus 5 air an cur còmhla ach tha structar iomlan a' Phlana a' fuireach mar a bha e gu ìre mhòr. Tha seo gus a chumail ann an co-rèir ri stiùireadh Bhòrd na Gàidhlig air leasachadh Phlanaichean Nàiseanta, sgrìobhainn a chaidh a sgaoileadh gu ùghdarrasan poblach uile le Planaichean Gàidhlig.

Some of the specific views expressed included:

- Money should be spent in other areas
- It is not a priority for the council
- This is a political issue driven nationally
- This only affects a small number of people in Glasgow
- There's no interest in it. No one speaks it. It is a dead language.

It was noted that 70% of the respondents were male – a very high percentage for a consultation on a language plan – with only 25% female and 5% identifying in another way.

The revised Plan reflects views expressed in the public consultation along with our statutory obligation for Gaelic. We have retained much of the original draft Plan but also made a number of changes.

- Edits/deletions/additions to some sections are intended to make the Plan flow better. Sections 4 and 5 have been combined but the overall Plan structure remains largely unchanged. This is to keep it in line with Bòrd na Gàidhlig's guidance on the development of Gaelic Language Plans, a document issued to all public authorities with Gaelic Language Plans.

- Tha am Plana ath-sgrùdaichte ag aithneachadh gun toir cuideam air maoineachadh poblach buaidh air gach taobh de dh'obair na comhairle. A rèir sin, tha cuid de ghniomhan ann an earrannan Amasan Àrd-Ìreil is Corpora air an atharrachadh.

- Tha am Plana ag aithneachadh dhleastanasan is dealas na comhairle a thaobh adhartachadh na Gàidhlig. Is e an t-amas gum bi Gàidhlig nas ruiginniche, air a labhairt nas fharsainge, nas fhaicsinniche agus nas comharrachte ann an Glaschu na ann am baile-mòr eile air an t-saoghal. Gàidhlig dhuibhse, Gàidhlig do na h-uile.

- Thatar an dùil gum bi Plana Gàidhlig ùr nàiseanta air aontachadh agus air fhoillseachadh ann an 2023. Tha iomradh air amasan a' Phlana ùir air a chur ris.

- Tha earrann air aithisg Bheachdan Sòisealta mun Ghàidhlig 2021 air a chur ris mar a tha fiosrachadh mu shuirbhidh sgilean luchd-obrach Gàidhlig 2022.

- Tha fiosrachadh às ùr air riaghlaidh poilitigeach Comhairle Baile Ghlaschu bho thaghaidhean an riaghaltais ionadail sa Chèitean, air a chur ris.

Anns na cairtean agus clàran gu h-iosal, far nach eil àireamhan sa cheud a' dèanamh suas gu 100%, dh'fhaodadh seo a bhith mar thoradh air cruinneachadh coimpiutair, fàgail às sheòrsaichean "chan eil fios agam" no ioma-fhreagairtean.

- The revised Plan recognises that pressures on public funding will impact on all aspects of the council's work. Accordingly, some actions in the original High Level Aims and Corporate sections of the Plan have been amended.

- The Plan recognises the council's obligations and commitment to the promotion of Gaelic. The ambition is that Gaelic be more accessible, more widely spoken, more visible and more celebrated in Glasgow than in any other city in the world. Gaelic for you, Gaelic for all.

- A new national Gaelic Plan is expected to be approved and published in 2023. Reference to the aims of the new Plan has been added.

- A section on the 2021 Social Attitudes to Gaelic report has been added as has information on the 2022 Gaelic staff skills survey.

- Updated information on the political governance of Glasgow City Council since the local government elections in May has been added.

In the charts and tables below, where percentages do not add up to 100%, this may be due to computer rounding, the exclusion of "don't know" categories or multiple answers.

Question 5: In general, to what extent do you think the outcomes and actions in Section 5.2 will help us apply the corporate principles, including equal respect, third party involvement and the normalisation of Gaelic, in the delivery of our services?

Do gach aon de na ceistean gu h-àrd, agus cuideachd do cheist 7, bha cothrom aig luchd-freagairt leudachadh air an roghainnean agus ròghnaich mòran sin a dhèanamh. Bha an àireamh de fhreagairtean àicheil fada nas àirdé ann an coimeas ri co-chomhairleachaidhean eile. Chaidh seo a mhac-samhlachadh air na ceudan de phuist mheadhanan sòisealta chun na h-ìre agus gum b' fheudar do sgioba mheadhanan sòisealta na comhairle na beachdan a dhùnadhsios.

B' e aon de na cuspairean ag èirigh bho cho-chomhairleachadh a' Phlana Ghàidhlig, am beachd air Gàidhlig mar "pròiseact faoineachd" le Riaghaltas na h-Alba. Am measg freagairtean na suirbhidh, bha mòran eisimpleirean de bheachdan leithid "sgrios airgid", "cosg ùine", "obair gun bhuannachd", "cànan marbh a th'ann", "chan eil duine a' bruidhinn Gàidhlig", "chan eil Gàidhlig àbhaisteach". Thugadh fa-near gun robh luchd-leantainn de co-dhiù aon chunntas mheadhanan sòisealta fhollaiseach le ùidh làidir ann am poileasaidhean bun-reachdail, air an stiùireadh gu com-pàirt àicheil a ghabhail ann an co-chomhairleachadh a' Phlana Ghàidhlig. Bha cuid de na beachdan sin glè fhaisg air leth-breith càinain, bha a' mhòr-chuid suarach.

Ann an seagh poilitigeach, tha Gàidhlig anns an fharsaingeachd air a bhith ga faicinn mar chuspair neodrach ann an Alba airson deicheadan de bhliadhnaichean. Thàinig a' chiad taic do Fhoghla姆 tro Mheadhan na Gàidhlig bhon riaghaltas Thòraidheach aig Taigh an Ròid ann an 1985, air a leantainn le taic bho na Lèbaraich an lùib Achd na Gàidhlig (Alba) 2005, agus mu dheireadh bho riaghaltas

For each of the above questions, and also for question 7, respondents had an opportunity to elaborate on their choices and many chose to do so. A far higher number of responses compared to previous consultations were negative. This was replicated on hundreds of social media posts to the extent that the council's social media team had to close off comments.

One of the key themes arising from the Gaelic Plan consultation was the perception of Gaelic as a "vanity project" for the Scottish Government. The survey responses contained many examples of comments such as "waste of money", "waste of time", "pointless exercise", "it's a dead language", "no one speaks Gaelic", "Gaelic is not normal". It was noted that followers of at least one prominent social media account with a strong interest in constitutional politics were instructed to engage negatively with the Gaelic Plan consultation. Some of those comments bordered on linguicism, most were pejorative.

In political terms Gaelic generally has been perceived as a neutral subject in Scotland for many decades. The first support for Gaelic Medium Education came from the Conservative administration at Holyrood in 1985, was then followed up by Labour's support for the Gaelic Language (Scotland) Act 2005, and more recently by the SNP's administration including provisions

an SNP, a' gabhail a-steach solaran do Fhoghlam tro Mheadhan na Gàidhlig ann an Achd an Foghlaim (Alba) 2016.

De nàdar nas dearbhaiche, bha beachdan taic don Phlana a' toirt iomradh air àrd-amas a' phlana agus càileachd is meudachd na gnìomhachd co-cheangailte ris. Bha mòran bheachdan, ann an Gàidhlig agus Beurla, a' cur fàilte air taic na comhairle don Ghàidhlig, gu h-àraid airson ar libhrigeadh air agus adhartas le Foghlam tro Mheadhan na Gàidhlig (GME). Ach, chaidh dragh a thogail le diofar luchd-freagairt mu thimcheall chûisean a' gabhail a-steach solar thràth-bhliadhnaichean, clàraighean bun-sgoile agus trusadh thidsearan.

Chuir feadhainn eile beachdan feumail air adhart a thaobh atharrachaidhean air a' Phlana agus far a bheil comas air atharrachaidhean a dhèanamh. Bha cuid ag iarraidh meudachadh ann am faicsinneachd na Gàidhlig, chan ann dìreach air soidhnichean ach ann an conaltradh leis agus bhon chomhairle. Bha cuid ag iarraidh meudachadh fhaicinn ann an càileachd is uiread ghoireasan foghlaim Gàidhlig do gach aois bho aois ro-sgoile gu àrd-sgoil. Chuir luchd-freagairt fàilte cuideachd air a' chuimse air ionnsachadh do dh'inhich agus dh'iarr iad barrachd chothroman airson spòrs is cur-seachadan do theaghlaichean gus ionnsachadh agus cleachdad na Gàidhlig a bhrosnachadh taobh a-muigh uairean sgoile. Dh'iarr cuid barrachd gnìomhachd mu thimcheall obraichean agus gnothachasan Gàidhlig. Thuirt neach eile, " 'S iomadh plana Gàidhlig a leugh mi ri mo latha is ri mo linn ach saoilidh mi gur e seo am fear as fheàrr is as coileanta a leugh mi gu ruige seo! ". "I've read many Gaelic Plans in my time but I think this is the best and most complete one I have read so far".

for Gaelic Medium Education in the Education (Scotland) Act 2016.

Of a more positive nature, the expressions of support for the Plan referenced its ambition and the quality and quantity of activity. Many comments, in both Gaelic and English, welcomed the council's support for Gaelic, in particular for our delivery and progress with Gaelic Medium Education (GME). However, concern was raised by various respondents around issues including early years provision, primary school enrolments and teacher recruitment.

Others made constructive suggestions for changes to the Plan and where possible changes have been made. Some asked for an increase in the visibility of Gaelic, not just on signage but in communication with and from the council. Some wanted to see an increase in the provision of quality and quantity of Gaelic language educational resources, for all ages from pre-school to secondary. Respondents also welcomed a focus on learning for adults and requested more opportunities for sport and leisure for families to encourage the learning and use of Gaelic outside school hours. Some asked for more activity around Gaelic jobs and businesses. Another said: " 'S iomadh plana Gàidhlig a leugh mi ri mo latha is ri mo linn ach saoilidh mi gur e seo am fear as fheàrr is as coileanta a leugh mi gu ruige seo! ". "I've read many Gaelic Plans in my time but I think this is the best and most complete one I have read so far".

Mar gheàrr-iomradh, tha a' mhòr-chuid de chûisean a thogadh tron cho-chomhairleachadh glè aithnichte leis a' chomhairle. Ged is dòcha nach eil Gàidhlig de luach no ùidh gach neach sa bhaile, tha Gàidhlig na pàirt de dh'obair na comhairle, a' cur gu cudromach barrachd ann an luach oideachail, sòisealta agus eaconamach na bha mòran a' tuigsinn roimhe. Thar nan còig bliadhna a tha ri teachd, dh'fhaodadh gun atharraich cuid de phriomhachasan farsaing na comhairle ach tha sinn ag amas air Plana Gàidhlig a lìbhrigeadh a tha a' coileanadh no a' barrachadh dhùilean neach sam bith a tha a' ròghnachadh a bhith com-pàirteach ann an cànan agus cultar na Gàidhlig ann an Glaschu.

In summary, most of the issues raised during the consultation are well recognised by the council. Although Gaelic may not be of value or interest for everyone in the city, it is part of the council's work, contributing significantly more in educational, social, and economic value than many had previously understood. Over the next five years, some wider council priorities may change but we aim to deliver a Gaelic Language Plan that meets or surpasses the expectations of anyone who chooses to engage with Gaelic language and culture in Glasgow.
