

GLASGOW CITY DEVELOPMENT PLAN

**TABLE OF:
Modifications made to the Proposed Plan; and
Modifications not made and associated explanations
FOLLOWING RECEIPT OF EXAMINATION REPORT**

November 2016

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
1 Introduction, Glossary & General/ Miscellaneous	3	<p>Modify The Glossary of the Proposed Plan as follows: Add the following abbreviations to the existing definitions:</p> <ul style="list-style-type: none"> • <i>Combined Heat and Power (CHP)</i> • <i>Local (Glasgow) Housing Strategy (GHS)</i> • <i>Low and Zero Carbon Generating Technologies (LZCGT)</i> • <i>The Metropolitan Glasgow Strategic Drainage Partnership (MGSDP)</i> • <i>National Planning Framework (NPF)</i> • <i>Potential Vulnerable Area (PVA)</i> • <i>Strategic Economic Investment Location (SEIL)</i> • <i>Sustainable Urban Drainage System (SUDS)</i> • <i>Surface Water Management Plan (SWMP)</i> • <i>Transport Assessment (TA)</i> • <i>Travel Plan (TP)</i> <p>Add the following new entries: <i>Scottish Planning Policy (SPP) - Published on 23 June 2014, SPP sets out national planning policies for operation of the planning system and for the development and use of land. The SPP promotes consistency in the application of policy across Scotland whilst allowing sufficient flexibility to reflect local circumstances. It directly relates to, amongst other things, the preparation of development plans.</i></p> <p><i>Glasgow and the Clyde Valley Strategic</i></p>	<p>Modify as per Reporter's Recommendation but, for accuracy, change "Potential Vulnerable Area" to "Potentially Vulnerable Area"</p>	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<p><i>Development Plan (GCVSDP) - The GCVSDP was approved with modifications by Scottish Ministers on 29 May 2012. It sets out a development strategy for the next 20 years outlining where new development should be located and provides a policy framework to help deliver sustainable economic growth, shape good quality places and enhance the quality of life in the Glasgow and the Clyde Valley city region.</i></p> <p><i>Gross Value Added (GVA) - A measure of the value of goods and services produced in an area, industry or sector of an economy.</i></p> <p><i>Glasgow Economic Leadership (GEL) - GEL was established in 2011 to provide independent leadership and direction to economic development activity in Glasgow and to champion the implementation of the recommendations made by the Glasgow Economic Commission.</i></p> <p><i>National Health Service (NHS) - The four publicly funded health care systems in the countries of the UK are referred to as the NHS. These systems, primarily funded through central taxation, provide a comprehensive range of health services, the vast majority of which are free at the point of use for people legally resident in the United Kingdom.</i></p> <p><i>International Financial Services District (IFSD) - Since its launch in 2001, Glasgow's IFSD has created a highly attractive</i></p>		

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<p><i>environment for indigenous and overseas firms in finance and related sectors. The IFSD, located in the south-western sector of the City Centre, is driven by a partnership between the public and private sectors. Over £1 billion investment has been secured to date (over 90% from the private sector) with over 15,500 net new jobs moving into the District through new investment, expansion or diversified development.</i></p> <p><i>Higher and Further Education Sector (HFE) - Further education relates to courses taken at college, excluding degree level courses. Further education tends to be work-focused (vocational) and is usually fully funded. Further education includes: National Qualifications, City and Guilds vocational courses, Access courses and Modules. Higher education relates to degree level education and can be taken at university or college. Higher education includes: Degrees, Higher National Certificates (HNC's), Higher National Diplomas (HND's) and Postgraduate courses such as PhDs.</i></p> <p><i>International Technology and Renewable Energy Zone (ITREZ) - Centred in Glasgow, ITREZ is Scotland's International Technology and Renewable Energy Zone. It aims to bring business and academia together by stimulating co-location, innovation, and investment in Scotland's offshore renewable energy sector.</i></p>		

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<p><i>Petroleum Exploration and Development Licence (PEDL) - A UK Petroleum Exploration and Development licence (PEDL) allows a company to pursue a range of oil and gas exploration activities, subject to necessary drilling/development consents and planning permission.</i></p> <p><i>Glasgow and the Clyde Valley Green Network Partnership (GCVGNP) - The GCVGNP was established to oversee the development of the green network. The four themes of the Green Network Programme are health improvement, biodiversity and environment, stronger communities and enterprise development. The GCVGNP is involved in a number of projects in Glasgow such as Clyde Waterfront, Clyde Gateway, Seven Lochs Wetland Park and a number of smaller scale neighbourhood projects which encourage the creation and management of local greenspace.</i></p> <p><i>Open Space Strategy (OSS) - It is a requirement of local authorities that they undertake an open space audit and on the basis of it, prepare an OSS for their area. Work is currently ongoing to produce a draft Open Space Strategy for Glasgow, which will include open space standards for the City. The Open Space Strategy will be used to help deliver a better distribution of good quality, multifunctional open spaces that meet the needs of the City.</i></p>		

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<p><i>Local Biodiversity Action Plan (LBAP) - LBAP's are seen as crucial for implementing the UK Biodiversity Action Plan at a local level. In Glasgow a local Steering Group, comprising some 18 partner organisations and Council services, has guided the development of the City's LBAP. Launched in September 2001, Glasgow's LBAP comprised an introductory booklet along with 9 Species Action Plans (SAP's) and 11 Habitat Action Plans (HAP's). A further 10 Action Plans were produced in September 2002, with more being planned for future publication.</i></p> <p><i>Local Nature Reserve (LNR) - Areas of at least locally important natural heritage, designated and managed by local authorities, to give people better opportunities to learn about and enjoy nature close to where they live.</i></p> <p><i>Flood Risk Management Act (FRM) - The Flood Risk Management (Scotland) Act 2009 was enacted on June 16, 2009. The Act introduces a more sustainable and modern approach to flood risk management, suited to the needs of the 21st century and to the impact of climate change. It creates a more joined up and coordinated process to manage flood risk at a national and local level.</i></p> <p><i>Drainage Impact Assessment (DIA) - A DIA is a report, prepared by a developer, which sets out the drainage issues relevant to a</i></p>		

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<p><i>proposal where it is proposed to discharge surface water to a waterbody/watercourse.</i></p> <p><i>National Records of Scotland (NRS) - NRS was established on 1 April 2011, following the merger of the General Register Office for Scotland (GROS) and the National Archives of Scotland (NAS). NRS performs the registration and statistical functions of the Registrar General for Scotland, including responsibility for demographic statistics, census and archives.</i></p> <p><i>Housing Needs and Demand Assessment (HNDA) - The statutory basis for an HNDA is contained in the Housing (Scotland) Act 2001, which requires local authorities to carry out an assessment of housing provision and provision of related services and prepare, and submit to the Scottish Ministers, a Local Housing Strategy. The assessment of housing provision must include the nature and condition of the housing stock, the needs of persons in the area for housing accommodation, the demand for, and availability of, housing accommodation and the availability of housing accommodation designed or adapted for persons with special needs.</i></p> <p><i>Glasgow Housing Strategy (GHS) - Approved on 1st March 2012, GHS sets out the housing issues and priorities for Glasgow and provides a strategic framework for housing in all tenures. It represents a shared understanding</i></p>		

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<p><i>developed in partnership with housing interests and stakeholders in the City.</i></p> <p><i>Site of Importance for Nature Conservation (SINC, L-SINC or C-SINC) - A SINC is a non-statutory designation given to a locally important area of nature conservation interest.</i></p> <p><i>Strategic Transport Appraisal Guidelines (STAG Appraisal) - STAG involves the appraisal of options which could potentially address identified transport problems and opportunities against a range of criteria, including value for money. The completion of a STAG study and production of the STAG Report should precede any application for planning consent or the production of development management Transport Assessments in support of developments.</i></p>		
2 City Profile & Context	17	<p>Modify paragraph 'River Clyde' on page 20 to read: <i>"River Clyde Support continued mixed use regeneration at Clyde Waterfront and Clyde Gateway, building on the success of the Commonwealth Games 2014."</i></p>	Modify as per Reporter's Recommendation	
3 Strategic Approach & Key Aims	22	<p>Modify the Proposed Plan by adding the following text at the end of the Context section of Policy CDP 2 (page 32): <i>"The proposed Strategic Development Frameworks and Local Development Frameworks will provide a spatial context for future development in specific areas of the City. By outlining a shared vision and</i></p>	Modify as per Reporter's Recommendation	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<i>future development intentions for the wider area, it is anticipated that the Frameworks will provide certainty for investment decisions including the delivery of existing regeneration priority areas."</i>		
		Modify the text supporting the Strategic Outcome 'A connected place to move around and do business in' to read: <i>"by improving accessibility for all citizens to employment, education, healthcare, shopping and leisure destinations, providing more sustainable travel options and creating an integrated and efficient transport network."</i>	Modify as per Reporter's Recommendation	
		Modify the Proposed Plan by adding the following definition to the Glossary to read: <i>"Sustainable Locations. Areas of the City where higher density development will be encouraged in order to make most efficient use of the City's infrastructure and services."</i>	Modify as per Reporter's Recommendation	
		Modify the Proposed Plan by adding the word 'accessible' to the 'thriving and sustainable place to live and work' strategic outcome to read: <i>"We want to achieve a City that is made up of sustainable, vibrant and distinctive places which are well-designed, accessible, safe, healthy and inclusive, and which provide for the City's growing and diverse population."</i>	Modify as per Reporter's Recommendation	
4 The Placemaking Principle	28	Modify Policy CDP5: Resource Management, by inserting new text after paragraph 2, to read: <i>"Development proposals in some parts of the City may be at risk from unstable</i>	Modify as per Reporter's Recommendation	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<p><i>ground, a legacy of previous mining works. The Coal Authority publishes maps of such areas and development proposals in these parts of the City may require to be accompanied by a Coal Report to help determine how development may best proceed."</i></p>		
		<p>Modify Policy CDP1, bullet point 10, to read: "<i>Promoting connectivity, active travel and public transport use rather than private car use</i>".</p>	<p>Modify as per Reporter's Recommendation</p>	
		<p>Modify Policy CDP1, bullet point 2, to read: "<i>Embedding community facilities and local shopping facilities in communities and recognising the needs of all members of society; (refer to Policies CDP4: Network of Centres)</i>".</p>	<p>Modify as per Reporter's Recommendation but change "Policies" to "Policy"</p>	
5 Air Quality	41	<p>Modify the 'car' box within the Environment Profile on page 14 of the Proposed Plan so that it reads: <i>"The Council has designated Air Quality Management Areas where air quality objectives are not being met."</i></p>	<p>Modify as per Reporter's Recommendation</p>	
		<p>Modify the City Challenges box on page 15 of the Proposed Plan to include a new bullet point, to read: <i>"tackling congestion and improving air quality"</i>.</p>	<p>Modify as per Reporter's Recommendation</p>	
6 Allotments & Growing Spaces	49	<p>Modify the text in the Environment Key Issues box in page 14 to include "<i>delivering access to better quality open spaces</i>" as a new issue.</p>	<p>Modify as per Reporter's Recommendation</p>	
		<p>Modify policy CDP1 by amending bullet point 3 of the second set of bullet points, to read:</p>	<p>Modify as per Reporter's Recommendation</p>	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<p><i>"creating healthy and more equitable environments and promoting healthy lifestyle opportunities, including opportunities for communities to grow food."</i></p> <p>Modify policy CDP2 by amending bullet point 15 to read: <i>"protect open space and provide for the development and expansion of the multi-functional green/blue network"</i>.</p> <p>Modify policy CDP 6 by including <i>"growing spaces"</i> in the list of functions set out in the first sentence of the fifth paragraph of the policy, and the first paragraph of the policy context.</p>	<p>Modify as per Reporter's Recommendation</p> <p>Modify as per Reporter's Recommendation</p>	
7 Sustainable Spatial Strategy	61	Modify Policy CDP2 by amending bullet point 5 of Policy CDP2 to replace <i>"...for retail, leisure and business development and for community facilities;"</i> with <i>"...for uses which generate significant footfall, including retail and commercial leisure uses, offices, community and cultural facilities and, where appropriate, other public buildings such as libraries, and education and healthcare facilities;"</i> .	Modify as per Reporter's Recommendation	
		Modify the suite of Directing Development diagrams within Policies CDP5, CDP6, CDP8 and CDP9 by the addition of a key and/or a short descriptive narrative which explains each diagram and either the removal or fading out of the (Spatial Strategy) background layer.	Modify as per Reporter's Recommendation	
		Modify the Glossary, by adding the following definition: <i>"Sustainable Locations Areas of the City where higher density</i>	Modify as per Reporter's Recommendation	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<i>development will be encouraged in order to make most efficient use of the City's infrastructure and services."</i>		
8 The Re-use of Vacant & Derelict Land	70	No modifications.	Accepted	
9 Local & Strategic Development Frameworks	73	Modify Figure 9 of the Proposed Plan to show an enlarged shaded indicative area for the Greater Easterhouse Strategic Development Framework to include Cranhill.	Modify as per Reporter's Recommendation	
		Modify the Proposed Plan by adding the following text at the end of Context section of Policy CDP2 (page 32): <i>"The proposed Strategic Development Frameworks and Local Development Frameworks will provide a spatial context for future development in specific areas of the City. By outlining a shared vision and future development intentions for the wider area, it is anticipated that the Frameworks will provide certainty for investment decisions including the delivery of existing regeneration priority areas."</i>	Modify as per Reporter's Recommendation	
10 Economic Development	80	Carry out an early review of the Proposed Plan to reappraise the Economic Development Areas throughout the City, in accordance with the advice contained in paragraph 123 of Circular 6/2013: Development Planning.	The Council agrees to progress with an early review of the Plan which will focus on the key points identified in the Examination Report including the Economic Development Areas Review. It should be noted however, that the Council has undertaken an interim Economic Development Areas Review which it intends to progress with as part of supplementary guidance which will	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
			allow an updated policy position to be established in supplementary guidance in relation to certain 'Transition' Economic Development Areas. The interim review will not alter the status of any EDA designation, however it does inform a revision to the criteria for assessing proposals for non-Class 4, 5 and 6 development within these designations. This involves a less strict set of criteria for assessing alternative proposals in the Transition EDAs that have been identified in the Interim Review.	
		Modify policy CDP3 to incorporate a bullet point under "Promote economic growth by" which states " <i>supporting and encouraging existing employment-generating business and industry</i> ".	Modify as per Reporter's Recommendation	
		Modify the context section on page 36 of the Proposed Plan, by adding the suggested text to the final bullet point to read " <i>Better access to the internet, information technology and an improved active travel and public transport network for business and residents</i> "	Modify as per Reporter's Recommendation	
		Modify the boundary of the Economic Development Area affecting the Scottish Power site at Cathcart to remove the application site reference 14/01770/DC, where planning permission has been granted in principle for residential development, from the designation.	Modify as per Reporter's Recommendation	
		Modify the Proposed Plan by removing the Economic Development Area designation at	Modify as per Reporter's Recommendation	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		Port Dundas, but retain the masterplan designation shown on the Proposals Map.		
		Modify the Proposed Plan by excluding the extended site of the H057 housing land supply allocation from the adjoining Economic Development Area.	Modify as per Reporter's Recommendation	
		Modify the Proposed Plan to designate the Garscube Campus of the University of Glasgow as an Economic Development Area.	Modify as per Reporter's Recommendation	
11 Network of Centres	98	Modify the boundary of the Principal Retail Area to include the element of the North Cutting to the north of Cathedral Street.	Modify as per Reporter's Recommendation	
		Modify the Proposed Plan by changing all references to 'Principal Retail Area' in the Policy and the Policy and Proposals Map to ' <i>Principal Retail and Commercial Area</i> '.	Modify as per Reporter's Recommendation	
		Modify the Proposed Plan by amending the Byres Road Town Centre boundary to exclude the area of land north of Kersland Lane.	Modify as per Reporter's Recommendation	
		Modify the Proposed Plan by extending the Bailieston Town Centre boundary to include the Morrisons store that is adjacent to the Centre as well as the strip of Greenspace in between the existing centre and the Other Retail and Commercial Leisure Centre designation.	Modify as per Reporter's Recommendation	
		Modify the Proposed Plan by extending the Barras Town Centre boundary to include the adjacent Morrisons store.	Modify as per Reporter's Recommendation	
		Modify the Proposed Plan to designate the Morrisons store at Crossmyloof as an Other Retail and Commercial Location on the Policy and Proposals Map.	Modify as per Reporter's Recommendation	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		Modify the Proposed Plan to extend the Cardonald Local Town Centre designation to include the adjacent Morrisons store.	Modify as per Reporter's Recommendation	
		Modify Policy CDP4, Assessment of Development Proposals 1. Town Centres (fourth bullet point) as follows: <i>"Support public transport connections between Town Centres, as highlighted in Figure 9 of Policy CDP1: Sustainable Spatial Strategy, and also promote access to Major Town centres and local shopping facilities for peripheral communities."</i>	Modify as per Reporter's Recommendation but Figure 9 is within Policy CDP2, not CDP 1. For clarity, delete "CDP1" from proposed modification and replace with "CDP2".	
		Modify Policy CDP4 to remove the reference to "education" from the first bullet point under part 1 "Town Centres" of the Policy.	Modify as per Reporter's Recommendation	
12 Resource Management	131	Modify the Proposed Plan by replacing the second paragraph of policy CDP5 with: <i>"The council will require the potential developers of any proposals for onshore oil and gas production to undertake a risk assessment to determine impacts on local communities, neighbouring uses and the environment. The assessment should identify onsite activities that pose a potential risk and explain how measures will be used to monitor, manage and mitigate any identified risks to health, amenity and the environment. The assessment should inform the identification of buffer zones to protect sensitive receptors (including population, fauna, flora, soil, water, air, climatic factors, material assets, landscape, and the interrelationship between these factors) from unacceptable risks. Where</i>	Modify as per Reporter's Recommendation	Delete the final sentence of the 6 th paragraph of the context to policy CDP5 as it relates to the content of SPP 2010. Replace it with a new paragraph reflecting the terms of SPP 2014 and the modified plan, to read: "Scottish Planning Policy indicates that applicants should undertake a risk assessment of proposals for onshore oil and gas production to determine impacts on local communities, neighbouring uses and the

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<p><i>proposed distances are considered inadequate planning permission will be refused. Supplementary Guidance will set out further detail on how this is to be undertaken."</i></p>		<p>environment. The assessment should identify onsite activities that pose a potential risk and explain how measures will be used to monitor, manage and mitigate any identified risks to health, amenity and the environment. The assessment should inform the identification of buffer zones to protect sensitive receptors (including population, fauna, flora, soil, water, air, climatic factors, material assets, landscape and the interrelationship between these factors) from unacceptable risks. Where proposed distances are considered inadequate planning permission will be refused."</p>
13 Green Belt & Green Network	143	<p>Modify the suite of Directing Development diagrams within CDP5, CDP6, CDP8 and CDP9 to better illustrate the key spatial implications for that particular policy area, by adding a key and/or a short descriptive narrative which explains each diagram and removing or fading out the (Spatial Strategy) background layer.</p>	<p>Modify by deleting the diagrams from the Plan altogether.</p> <p>Upon considering this modification it has been concluded that the diagrams do not contribute towards understanding of the plan's strategy and potentially could lead to confusion. On this basis it is the intention to remove the diagrams altogether. This would be consistent with the nature of</p>	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
			representations made to the Proposed Plan.	
		Modify the last sentence of paragraph 2 of Policy CDP6 to read " <i>Development that is likely to adversely impact on open spaces identified on the Council's Open Space Map and/or on the existing Green Network will not be supported unless it includes appropriate mitigation, as detailed in associated Supplementary Guidance.</i> "	Modify as per Reporter's Recommendation	
		Modify Policy CDP6 by adding text to the end of the third paragraph of the policy, to read: " <i>The contributions which may be sought from new development will reflect any requirements based on application of quality, quantity and accessibility standards, and identified local circumstances, as set out in the Open Space Strategy.</i> "	Modify as per Reporter's Recommendation	
		Modify the first sentence of the final paragraph of Policy CDP6 to refer to " <i>recreation and sport.</i> "	Modify as per Reporter's Recommendation	
14 Natural Environment	164	Modify Policy CDP7 by deleting the final sentence of paragraph 2 and replacing it with: " <i>Supplementary Guidance will provide further information on the level of protection afforded under each natural heritage designation within Glasgow and detail on the assessment of impact.</i> "	Modify as per Reporter's Recommendation	
		Modify the first bullet point of Policy CDP 7 to read: " <i>the purpose, integrity or character of areas designated for their landscape importance.</i> "	Modify as per Reporter's Recommendation	
		Modify Policy CDP7 by including new text after the final sentence of the policy, to read: " <i>The Scottish Government's Policy on</i>	Modify as per Reporter's Recommendation	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<p><i>Control of Woodland Removal states a strong presumption in favour of protecting Scotland's woodland resources. Woodland removal is likely to be acceptable only where it would achieve significant and clearly defined additional public benefits. Compensatory planting may be required. Supplementary Guidance will provide further guidance."</i></p>		
		<p>Modify the Proposed Plan by inserting new text at the end of the penultimate paragraph of Policy CDP7, to read: "<i>The detailed boundary of the Claypits LNR will be determined through a masterplanning process based on the outcomes of the charrette for the area.</i>"</p>	<p>Modify as per Reporter's Recommendation</p>	
<p>15 Water Environment</p>	<p>176</p>	<p>Modify the Aims section of Policy CDP8 by deleting the fourth bullet point and replacing it with two bullet points, to read:</p> <ul style="list-style-type: none"> • <i>"meet the requirements of the Flood Risk Management (Scotland) Act 2009 and Scottish Planning Policy 2014;</i> • <i>help deliver the Metropolitan Glasgow Strategic Drainage Partnership (MGSDP) Scheme, a National Development in NPF3; and"</i> 	<p>Modify as per Reporter's Recommendation</p>	
		<p>Modify Policy CDP8 by replacing the first sentence of paragraph 5 with: "<i>For areas potentially at flood risk, the Council will require developers to consider the flood risk to their proposed development through a Flood Risk Assessment (FRA); and the impact of discharging surface water from the proposed development to any water body or wetland, through a Drainage Impact</i></p>	<p>Modify as per Reporter's Recommendation</p>	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<i>Assessment (DIA). Potential flood risk will be determined by a screening process, including consideration of the indicative flood risk maps produced by the Scottish Environment Protection Agency (SEPA) and the flood risk framework."</i>		
		Modify the final sentence of paragraph 6 of Policy CDP8 to read: <i>"Proposals for the formation of new culverts are unlikely to be acceptable - the limited circumstances where they may be will be set out in Supplementary Guidance".</i>	Modify as per Reporter's Recommendation	
		Modify the final sentence of paragraph 7 of Policy CDP 8 to read: <i>"Development proposals must also take account of relevant requirements in, for example, the City Centre Strategy and Action Plan 2014-2019, the Firth of Clyde Marine Spatial Plan and the statutory National Marine Plan and Regional Plan."</i>	Modify as per Reporter's Recommendation	
		Modify the last sentence of paragraph 8 of Policy CDP8 to read: <i>"Development proposed in a functional flood plain is unlikely to be acceptable. Development should only take place in a functional flood plain where it can be designed to be commensurate with potential flood risk, generally without the need to raise or defend land, and where it provides for appropriate compensatory storage. Piecemeal reduction of the functional floodplain should be avoided given the cumulative effects of reducing storage capacity. Supplementary Guidance will be brought forward to provide further detail."</i>	Modify as per Reporter's Recommendation	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<p>Modify the final paragraph of Policy CDP8 to read: "Whilst avoiding development on sites liable to flooding should always be the primary objective, proposals for land raising (work that permanently raises a site above the functional flood plain of a watercourse, or elsewhere if flooding is an issue) will only be considered in exceptional circumstances, including where the developer can demonstrate that this: would have a neutral or positive effect on the probability of flooding elsewhere; would be linked to the provision of compensatory storage; and would not create islands of development. Supplementary guidance will provide further detail."</p>	<p>Modify as per Reporter's Recommendation</p>	
16 Historic Environment	186	<p>Modify Policy CDP9 to read: <i>"The Council will protect, preserve and, where appropriate, conserve and/or enhance the historic environment, in line with Scottish Planning Policy, Scottish Historic Environment Policy, and this policy together with associated supplementary guidance (SG), for the benefit of our own and future generations. For clarity, historic environment encompasses, in this context, world heritage sites, listed buildings, conservation areas, scheduled monuments, archaeological sites, Inventory and non-Inventory gardens and designed landscapes and Inventory battlefields. The Council will assess the impact of proposed developments that affect historic environment features and/or their settings according to the principles set out in</i></p>	<p>Modify as per Reporter's Recommendation</p>	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<p><i>relevant SG. The Council will not support development that would have an adverse impact on the historic environment, unless SG criteria are fully satisfied. Figure 17 illustrates the extent of designated historic environment assets, with the exception of listed buildings (which is available online). Historic Environment Supplementary Guidance will set out Design Guidance for:</i></p> <ul style="list-style-type: none"> <i>• Listed Buildings and Unlisted Buildings in Conservation Areas (and will include Works Affecting the Exterior of Listed Buildings and Unlisted Buildings in Conservation Areas, Alterations to the Interiors of Listed Buildings, Development in the Curtilage of Listed Buildings and Properties in Conservation Areas including new buildings, Development Affecting the Setting of Listed Buildings and Properties in Conservation Areas, Maintaining Listed Buildings and Properties in Conservation Areas and Article 4 Directions Affecting Conservation Areas)</i> <i>• Sites of Archaeological Importance</i> <i>• Ancient Monuments and Scheduled Ancient Monuments</i> <i>• Gardens and Designed Landscapes</i> <i>• Historic Battlefields</i> <p><i>The Frontiers of the Roman Empire (Antonine Wall) World Heritage Site Supplementary Planning Guidance produced by Historic Scotland will be adopted as statutory Supplementary Guidance alongside the Plan. This</i></p>		

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<p><i>Guidance provides advice for developers, decision makers and the general public and will be a material consideration in the assessment and determination of planning applications affecting the Antonine Wall and its setting."</i></p>		
17 Meeting Housing Needs	196	<p>Modify the Proposed Plan by inserting new paragraph 2 in Context on Page 54 as follows: <i>"The council's Housing Investment Team advises that a realistic level of delivery in the affordable sector in Glasgow would be approximately 1,000 homes per year. The delivery of affordable homes in the city is driven and determined by the availability of funding and resources, and is often delivered by agencies other than the council. The contribution of the private sector in delivering affordable homes in the city is some 25% of the total homes completed on such sites, either in actual homes or an equivalent contribution. The affordable element of the Housing Land Requirement in this Plan is some 88% of the total requirement in the period 2015-2020. The constraints on delivering affordable home are acknowledged, but nonetheless the SDP 2012 HNSA identifies a pressing need for such homes in the City, and the scale of shortfall in the Housing Land Supply for affordable homes in this Plan is such that the council must continue to work towards maximising delivery throughout the Plan period."</i></p>	<p>Modify as per Reporter's Recommendation but with the following clarifications:</p> <ol style="list-style-type: none"> 1. On the basis that the Plan does not include an affordable housing policy, delete the following sentence from the reporter's proposed modification: "The contribution of the private sector in delivering affordable homes in the city is some 25% of the total homes completed on such sites, either in actual homes or an equivalent contribution." 2. Due to an arithmetical error in the Reporter's Recommendation, modify the next sentence in paragraph 2 in Context on Page 54 to read "The affordable element of the Housing Land Requirement in this Plan is some 64% of" 	
		<p>Modify the Proposed Plan Policy and Proposals Map by including all undeveloped</p>	<p>Modify as per Reporter's Recommendation</p>	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		land with planning permission at the Glasgow Harbour site.		
		Include Clyde Gateway sites on the Housing Schedule and the Policy and Proposals Map.	Modify as per Reporter's Recommendation	
		Remove table within Policy CDP10 and notes relating to additional locations and place in Context page 53, column 3, before the sentence beginning "In terms of..."	Modify as per Reporter's Recommendation	
		Existing Table 4 should be deleted from the Context section preceding Policy CDP10, and replaced with the following table: [see Table in Annex 1 below]	Modify as per Reporter's Recommendation to substitute the table in Annex 1 of the Report for the Table 4 in the Context to CP10 of the Proposed Plan (page 53), but due to arithmetical errors and the assumption that the Plan includes an affordable housing policy, some figures in the proposed Table require to be amended. This has been included in the Consolidated modified policy CDP10 set out in Annex 3 below.	The effect of the changes to this Table means that there is no longer a private sector shortfall at 2020. As a result, the second paragraph following the Table requires to be reworded to read: "In relation to the private sector housing requirement at 2020, the Council will support housing development in the following additional locations (see Policy and Proposals Map):"
		Remove bullet point within Policy CDP10 relating to Robroyston [there is no need for individual notes in Policy text as already in Context text].	Modify as per Reporter's Recommendation	
		Remove reference to individual NHS sites [there is no need for individual notes in Policy text].	Modify as per Reporter's Recommendation	
		Remove reference to Western Infirmary site [site now required for university campus	Modify as per Reporter's Recommendation	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<p>purposes]</p> <p>Append Schedule of Housing Sites to the Plan.</p>	<p>Appending the Schedule of Housing Sites (and a Schedule of Masterplans – see Issue 55) to the hard copy of the Plan would significantly increase the length of the Plan. Providing these Schedules on-line, together with the inclusion of text confirming their status as part of the Plan, is a solution that would be in line with the intent of the proposed modification.</p> <p>Modify the Plan by rewording the first bullet point of the modified Policy CDP10 so that it reads: “Aim to deliver the land for housing identified in Table 4, and as set out in the Schedule of Housing Sites that forms part of the Plan;”</p> <p>Provide for a hyperlink to the “Schedule of Housing Sites” in the on-line version of the Plan.</p>	
		<p>The current text for Policy CDP10 as set out in the Proposed Plan should be deleted in full and replaced with the following consolidated text: [see Replacement text in Annex 2 below]</p>	<p>Modify as per Reporter's Recommendation, with the following clarifications:</p> <ol style="list-style-type: none"> 1. Amend Reporter's proposed Table 4 – Due to arithmetical errors and the assumption that the Plan includes an affordable housing policy, some figures in the Table have been amended. 2. The final bullet of the reporter's

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		<i>Queen Street Station as part of the Edinburgh Glasgow Improvement Programme (EGIP), helping meet projected growth in passenger volumes.'</i>		
		Modify Policy CDP11 with the addition of the following new paragraph after the first set of bullet points: <i>"The Council has produced a City Centre Transport Strategy that will inform Spatial Supplementary Guidance in the City Centre and that constitutes an important material consideration in determining planning applications in the City Centre and surrounding areas"</i> .	Modify as per Reporter's Recommendation	
		Modify the final paragraph of Policy CDP11 by inserting new text after the first sentence as follows: <i>"Work has recently started to refresh Glasgow's Strategic Plan for Cycling (SPC) 2010-2020. The Council has also been working with Sustrans to identify a network of deliverable cycle routes throughout the City. This network will help deliver the refreshed SPC by setting out a city cycle network which incorporates on road and off-road elements and sections through development sites. Both the SPC and Network will be the subject of public engagement in due course and, when adopted, will be considered material considerations."</i>	Modify as per Reporter's Recommendation	
		Add a notation to the Policy and Proposals Map illustrating the pedestrian/cycle link between Pollokshields, West Street Underground and the Tradeston Bridge.	Modify as per Reporter's Recommendation	
		Replace bullet point 1 with the following	Modify as per Reporter's	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		text: <i>"existing transport infrastructure (including the River Clyde, Forth and Clyde Canal and strategic freight hubs) from inappropriate development"</i>	Recommendation	
		Add the following definition to the Glossary: <i>"Strategic Freight Hubs: freight facilities that have an important economic role in supporting modal shift and the transportation demands of the key sectors, such as King George V Dock"</i>	Modify as per Reporter's Recommendation	
49 Rail	410	Modify the Proposed Plan as follows: <ul style="list-style-type: none"> • Add the route of the proposed rail link Glasgow Airport Access to Figure 19 Policy Context Diagram on page 57 of the Plan and include it in the list of Aims on the same page. 	Modify as per Reporter's Recommendation	
		<ul style="list-style-type: none"> • Add a new bullet point 2 to Policy CDP11 as follows: <i>"The route of the Rail Link to Glasgow Airport"</i>. 	Modify as per Reporter's Recommendation but it is established, in the modified policy context section (see next modification), that the route will have no physical land take in the City as it already exists. For clarity, it is considered that this modification should be made in relation to the first bullet point of the policy (which deals with existing transport infrastructure) and not through the insertion of a new bullet point. Amend the first bullet point of the policy so that it reads: <i>"existing transport infrastructure (including the River Clyde, the Forth and Clyde Canal and strategic freight hubs) and the route of the Rail Link to Glasgow Airport from</i>	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
			inappropriate development;"	
		<ul style="list-style-type: none"> Insert new text into the context on page 56, at the end of paragraph 2 to read: <i>"The Glasgow Airport Strategic Transport Appraisal study considered options for delivering a new public transport link to Glasgow Airport. The City Deal agreed by the Glasgow and Clyde Valley local authorities will deliver a new rail link to Glasgow Airport, however the link will have no physical land take implications for Glasgow."</i> 	Modify as per Reporter's Recommendation but, for clarity, add new text to the end of the modified text to read "as it already exists in the City."	
		<ul style="list-style-type: none"> Add "High Speed Rail Terminus" to the list of Relevant Supplementary Guidance on page 57 of the Proposed Plan. 	Modify as per Reporter's Recommendation	
		<ul style="list-style-type: none"> Amend the notation relating to Curle Street on the Policy and Proposals Map to read <i>"Safeguarded Rail Formation (in part)"</i>. 	<p>The key to the Policy and Proposals Map refers only to "Safeguarded Rail Formations". To ensure the intent of the Reporter's recommended modification is conveyed on the Policy and Proposals Map, this should be followed by "(Curle Street in part)".</p> <p>Modify the key to the Policy and Proposals Map so that the text relating to former rail formations reads: "Safeguarded Rail Formation (Curle Street in part)".</p>	
		<ul style="list-style-type: none"> Insert a new fourth paragraph in Policy CDP11 to read: "New road schemes will be required to deliver, where appropriate, benefits for pedestrians and cyclists in the streets surrounding the route of any new road, through traffic 	Modify as per Reporter's Recommendation	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
		management measures which will achieve a reduction in car use."		
50 Transport Proposal T002 Fastlink	447	Modify bullet point 2 of Policy CDP11 to read: " <i>land required for Fastlink, Robroyston Station and road schemes, as shown on Figure 19 (land for Fastlink and the North Clydeside Development Route to be safeguarded pending the outcomes of a study into traffic and transportation issues, and associated matters including residential amenity, road safety and the Green Network, in the North West of the City)</i> "	Modify as per Reporter's Recommendation	
		Modify the fifth paragraph of the context to policy CDP11 by adding a new sentence, after the fifth sentence, to read: <i>'On the north bank, it is proposed that the route will utilise a former rail formation, currently used as part of the National Cycle Network. A segregated walking and cycling route, on this alignment, will require to be provided as part of the Fastlink proposal.'</i>	Modify as per Reporter's Recommendation	
51 Transport Proposal T007 North Clydeside Development Route	455	Modify bullet point 2 of Policy CDP11 to read: " <i>land required for Fastlink, Robroyston Station and road schemes, as shown on Figure 19 (land for Fastlink and the North Clydeside Development Route to be safeguarded pending the outcomes of a study into traffic and transportation issues, and associated matters including residential amenity, road safety and the Green Network, in the North West of the City)</i> "	Modify as per Reporter's Recommendation	
52 Transport Proposal T006 Blackhill Road Upgrade	465	No modifications.	Accepted	

ISSUE	REPORT PAGE NO	REPORTER'S RECOMMENDED MODIFICATION	COUNCIL'S RESPONSE	REQUISITE/CONSEQUENTIAL MODIFICATIONS
53 Delivering Development	468	<p>Modify the Proposed Plan by revising Policy CDP12 as follows: <i>"The Council will require developers to undertake an assessment of the proposal site and its surroundings (according to the approach set out in CDP 1 – Placemaking Principle and associated Supplementary Guidance) in order to determine the need for, and the proposed response to, the requirements specified below in this policy. In some cases, it will be appropriate to incorporate these within the development. In other circumstances, the best solution may be to take advantage of opportunities outwith the site, or to meet these requirements through the payment of a financial contribution or the transfer of land. The assessment should also include where appropriate (on a confidential basis) a programme for the delivery of these requirements, and details of how this will impact on development phasing and the developer's cash flow.</i></p> <p><i>On the basis of this assessment, developers are required to make specific provision relating to the proposed development to address the following matters:</i></p> <p><u>City-wide</u></p> <ul style="list-style-type: none"> <i>Open Space - quantitative or qualitative deficiencies in open space provision or access to open space (according to the standards and priorities identified by the Glasgow Open Space Strategy)</i> 	<p>Modify as per Reporter's Recommendation but:</p> <ol style="list-style-type: none"> The Reporter's conclusions on this issue indicate that a bullet point reading "Transport needs (including active travel solutions and public transport infrastructure and facilities)" should be included under the "city-wide" heading of the modified policy. The Reporter's modifications indicate (it would appear, mistakenly) that this bullet is to be included under the "City Centre" heading. The Reporter's modified policy wording should be amended to include this bullet point under the "city-wide" heading, in line with her conclusions. The Reporter's conclusions on this issue state that the council's suggested amended wording of Policy CDP12 addresses the concerns raised in many representations by providing clarity. The Reporter's recommendations reflect this, but the Councils suggested modification included important subtleties in the indentation of the bullets which don't appear to be carried over into the wording set out in the recommendations. It is presumed that this is a drafting error and the Reporter's modified wording should be amended accordingly.

ANNEX 2

“Policy CDP 10 – Meeting Housing Needs

Table 4 - Glasgow CDP Housing Land Requirement (+10% generosity allowance)

	15-20	+10%	20-25	+10%
<i>Private</i>	8,260	9,086	7,136	7,850
<i>Affordable</i>	15,020	16,522	7,092	7,801
<i>Total</i>	23,280		14,228	
<i>+10%</i>	25,608		15,651	

The Council will:

- *Aim to deliver the land for housing identified in Table 4, and as set out in the Schedule of Housing Sites appended to this Plan;*
- *Maintain a five-year supply of effective housing land at all times;*
- *Monitor the housing land supply annually through the annual Housing Land Audit and the Action Programme;*
- *work with the house building industry and the Scottish Government to address site constraints and infrastructure issues on sites in the established housing land supply*

Where an audit identifies that the five-year effective supply is not being maintained, the Council will support housing development proposals for all tenures that can be delivered in accordance with the approach set out in Strategy Support Measure 10 of the Strategic Development Plan 2012. Such sites will be supported if they:

- *are capable of delivering completions in the next five years;*
- *can address infrastructure constraints;*
- *are in a sustainable location as guided by Diagram 4 of the Glasgow and Clyde Valley Strategic Development Plan; and*
- *are capable of complying with other relevant policies and proposals in this Plan, and any relevant Supplementary Guidance.*

In addition to supporting the development of the effective and established housing land supply, the Council will:

- *Undertake a feasibility study to examine environmental, hydrological and infrastructure issues in the larger area to the north of Summerston, including phasing and delivery, to assess the potential for additional housing land in the area highlighted on the Policy and Proposals Map;*
- *Support mixed tenure solutions on the six active Transformational Regeneration Areas, and in the two Transformational Regeneration Areas which are not currently active, as identified on the Policy and Proposals Map;*
- *Advise on the preparation of masterplans for the three greenfield locations within the Gartloch/Easterhouse Community Growth Area and the surplus NHS locations, as identified on the Policy and Proposals Map;*

Affordable Housing

The affordable sector targets of the Glasgow Housing Strategy will be met, and these targets will be reviewed annually in the Strategic Housing Investment Plan. The Council will support partner organisations in the provision of homes in the affordable sector.

Student Accommodation

The Council will, subject to compliance with other policies in this Plan, generally support purpose-built student accommodation which achieves a high standard of amenity and an appropriate range of accommodation and is:

- *In or adjacent to identified main campuses;*

ANNEX 2

- *In locations with good access to university and college locations by public transport and active travel routes.”*

ANNEX 3

Policy CDP 10 - Meeting Housing Needs

Context

The Scottish Government is committed to increasing the supply of new housing in Scotland, to accommodate population and household growth, and identifies that the planning system has a key role in delivering on this objective by ensuring that there is an adequate land supply.

In Glasgow, population and household growth to 2035 (as projected by National Records of Scotland (NRS)) is expected to be significant. It is acknowledged, however, that household growth in Glasgow, and in Scotland generally, has slowed down in the last decade, partly due to the economic downturn. While it is considered that a return to economic growth will boost household formation rates, it is not expected that these will reach the levels seen in the 1990s. It is possible, therefore, that the next set of NRS projections will result in a lower household projection for Glasgow than the current NRS projections, despite an anticipated population increase for the City.

The 2008 Housing Needs and Demand Assessment (2008 HNDA) undertaken for the Strategic Development Plan (SDP) included population and household figures which were below those produced by NRS (however both projections assumed household formation rates now seen to be too optimistic). The HNDA figures provide the basis for the all-tenure housing requirements for Glasgow and the Clyde Valley for the periods to 2020 and 2025. Table 4 below summarises these figures for Glasgow.

Table 4 Glasgow CDP Housing Land 2015-2025

	Total 2015-2020	Total 2020-2025	Private 2015-2020	Private 2020-2025	Affordable 2015-2020	Affordable 2020-2025
SDP Housing Requirement + 10% SPP allowance	24,209	15,651	9,086	7,850	15,123	7,801
Glasgow City Development Plan – Housing Supply	14,509	18,358	9,312	10,779	5,197	7,579
SDP HLR 2009-2015 Shortfall	-12,167		-2,667		-9,500	
Glasgow City Development Plan – Additional sites	1,630	261	1,630	261		
Windfall Allowance	1,500		1,500			
Shortfall/Surplus	-18,737	2,968	689	3,190	-19,426	-222

For the private sector, Glasgow City Council has re-considered the above requirements in the light of: confirmation by the 2011 Census of slower growth in household formation between 2001 and 2011 than indicated in the HNDA, ongoing tenure change, reductions in house building activity and consequent downward revision of the effective land supply; and the outcome of the Citywide Green Belt Review. The Council's response, which is considered to be reasonable in the current market circumstances, focuses on the amount of housing that can be delivered in the short term through the removal of obstacles to development. As improved lending conditions feed through to recovery in the housing market, it is anticipated that the City's brownfield opportunities (some of which were non-effective during the downturn) will contribute to a rise in housing completions.

ANNEX 3

In relation to the private sector housing requirement at 2020, the Council will support housing development in the following additional locations (see Policy and Proposals Map):

Table 5: Additional Housing Locations

	Current Designation	Programming	Indicative Capacity
Cathkin Road, Carmunnock	Green Belt	SDP target for 2020	30
Corselet Road, Darnley*	Green Belt	SDP target for 2020	<50
South of Auchinairn Road, Robroyston**	Green Belt	SDP target for 2020	<50

* The Council recognises that there may be scope to develop a limited number of houses at this location, which takes account of the site's ground conditions and the identified need for enhanced parking provision for the Park, as identified in the Dams to Darnley Country Park Masterplan.

** The design of any development at this location should reflect a placemaking approach, must not adversely impact on the Wester Lumloch L-SINC, or isolate it from the wider green network, and should deliver enhancement to the wildlife value of the L-SINC.

In terms of greenfield locations, the focus will be on securing the necessary infrastructure to allow progress in the three Community Growth Areas, at Robroyston (which has Planning Permission in Principle), at Baillieston/Broomhouse/Carmyle (where construction is underway in a small part of the area), and at Gartloch/Easterhouse (where three masterplan locations have been identified). New housing is also anticipated on those sites which have emerged from the Green Belt Review at Carmunnock, Darnley and Summerston. Beyond these opportunities, the Council considers that further housing development in the Green Belt would be counter-productive to The Plan's sustainable spatial strategy, which states a preference for brownfield development. More detail on the Council's reasoning behind this approach is set out in the Policy Background Paper.

In the affordable sector, the SDP acknowledged that there were methodological issues in the HNDA which impacted significantly on the indicative requirement for Glasgow. The SDP outlined a number of factors for further consideration in Local Housing Strategies and Local Development Plans. Further analysis undertaken for Glasgow's Housing Strategy (GHS) identified a more complex picture of the changing housing system and Glasgow's housing needs than could be reflected in a simple housing need figure. Housing needs vary in different parts of the City, and affect particular household groups differently. The approach taken in GHS, and the Strategic Housing Investment Plan which supports the delivery of the GHS, has therefore been to focus on a variety of investment and policy responses to housing need in the City. Some of these include; altering the size and type of stock to better fit housing need and demand, demolition with appropriate replacement, stock adaptation or improvement, and new provision of a range of different housing options to meet particular and mainstream needs. More fundamental change is planned in the City's eight Transformational Regeneration Areas, where surplus multi-storey social rented stock has been demolished, and is in the process of being replaced by new mixed tenure housing.

The Council's Housing Investment Team advises that a realistic level of delivery in the affordable sector in Glasgow would be approximately 1,000 homes per year. The delivery of affordable homes in the city is driven and determined by the availability of funding and resources, and is often delivered by agencies other than the council. The affordable element of the Housing Land Requirement in this Plan is some 64% of the total requirement in the period 2015-2020. The constraints on delivering affordable homes are acknowledged, but nonetheless the SDP 2012 HNDA

ANNEX 3

identifies a pressing need for such homes in the City, and the scale of shortfall in the Housing Land Supply for affordable homes in this Plan is such that the council must continue to work towards maximising delivery throughout the Plan period.

In terms of other housing needs, one of the factors in the reverse in the City's population decline has been the increasing number of students who live in Glasgow, either in university accommodation, private rented flats in the second hand market, or more latterly in purpose-built student accommodation operated by the private sector. New build student accommodation has tended to locate largely around the universities or in the City Centre. These areas, particularly the West End, are also characterised by concentrations of houses in multiple occupation. The Council is generally supportive of the development of student accommodation, in terms of both meeting demand in this sector and reducing the City's reliance on houses in multiple occupation. The focus of the Council's approach is on ensuring that good quality places are created, with a mix of accommodation to suit different household types, and at densities that are appropriate to the surrounding area.

Aims

This policy aims to ensure that the City's growing and diverse population has access to a choice of housing of appropriate quality and affordability across all tenures.

Policy CDP 10 Meeting Housing Needs

Table 6 – Glasgow CDP Housing Land Requirement (+10% generosity allowance)

	15-20	+10%	20-25	+10%
Private	8,260	9,086	7,136	7,850
Affordable	16,500	18,150	7,092	7,801
Total	24,760		14,228	
+10%	27,236		15,651	

The Council will:

- Aim to deliver the land for housing identified in Table 6, and as set out in the Schedule of Housing Sites that forms part of this Plan;
- Maintain a five-year supply of effective housing land at all times;
- Monitor the housing land supply annually through the annual Housing Land Audit and the Action Programme;
- Work with the house building industry and the Scottish Government to address site constraints and infrastructure issues in the established housing land supply.

Where an audit identifies that the five-year effective supply is not being maintained, the Council will support housing development proposals for all tenures that can be delivered in accordance with the approach set out in Strategy Support Measure 10 of the Strategic Development Plan 2012. Such sites will be supported if they:

ANNEX 3

- are capable of delivering completions in the next five years;
- can address infrastructure constraints;
- are in a sustainable location as guided by Diagram 4 of the Glasgow and the Clyde Valley Strategic Development Plan; and are
- capable of complying with other relevant policies and proposals in the Plan, and any relevant Supplementary Guidance.

In addition to supporting the development of the effective and established housing land supply, the Council will:

- Undertake a feasibility study to examine environmental, hydrological and infrastructure issues in the larger area to the north of Summerston, including phasing and delivery, to assess the potential for additional housing land in the area highlighted on the Policy and Proposals Map;
- Support mixed tenure solutions in the six active Transformational Regeneration Areas, and in the two Transformational Regeneration Areas which are not currently active, as identified on the Policy and Proposal Map;
- Advise on the preparation of masterplans for the three greenfield locations within the Gartloch/Easterhouse Community Growth Area and the surplus HNS locations, as identified on the Policy and Proposals Map. A Schedule of Masterplans can be found on-line and forms part of this Plan.

Affordable Housing

The affordable sector targets of the Glasgow Housing Strategy will be met, and these targets will be reviewed annually in the Strategic Housing Investment Plan. The Council will support partner organisations in the provision of homes in the affordable sector.

Student Accommodation

The Council will, subject to compliance with other policies in this Plan, generally support purpose-built student accommodation which achieves a high standard of amenity and an appropriate range of accommodation, and is:

- In or adjacent to identified main campuses
- In locations with good access to university and college locations by public transport and active travel routes.
